F.

1. No special conditions. 8FT Fence was around the pool upon purchase May 23, 2012.
2. Rebuilt collapsed fence w/ 8 Foot privacy fence in February 2014.
3. Was a first time home buyer. Did not know in 2014 that there was an issue replacing existing fence. Opted for a more eye pleasing design.
4. We would lose 2 feet of privacy in our pool area. We have already paid \$3900+ for replacement fence post Hurricane Zeta. It would cause a financial issue if we had to remove/replace.
5. As there was an existing 8FT fence when I purchased the property May 23, 2012 ~~at~~ there would not be special privilege. Directly behind our property, an 8 foot fence was constructed along the Driveway at 14440 Duckworth Rd.;

Additional Standards for a fence variance approval

1. Safety in regard to subject property, adjacent properties, ingress and egress, streets, alleyways and waterways:

This fence is a replacement fence due to Hurricane Zeta. This fence was an 8 foot fence when I purchased the property on May 23, 2012; surrounding the pool, providing privacy and safety to all parties. Fence began falling apart late 2012; contractor was hired to replace fence. An 8 foot custom fence was build. Hurricane destroyed the rebuilt fence. A new fence, 8 foot picket, was built to replace the destroyed fence.

2. Visual impact on adjacent properties, streets, alleyways, and waterbodies.

There is no visual impact to the above.

3. Design in relation to other structures on the same lot, adjacent properties, and the neighborhood.

This home was purchased with the 8 foot fence around the pool, 5 foot chain link fence on the east property line separating the properties of Linda and Jerry Goforth and the Roods family. 4 foot chain link fence runs the south and west side of the property with a 4 foot chain link section between the carport and garage on the north side of the property.

4. Impact on ingress and egress, if applicable. N/A

5. Screening, buffering or separation of any nuisance or hazardous feature. N/A

6. Compatibility with adjacent properties. There has never appeared to be a compatibility issues since the original fence was in place when the property was purchased by Laurie Roods May 23, 2012.

Re: Brookestone Subdivision – Variance Application

To whom it may concern:

Please find attached my application for the General Subdivision Plan for Townhomes and also an Application for Variance for the project.

We request the Front and Side yard variances for the following reasons and answer the six questions as follows:

1. On Lots 1-34 the small size of these lots allows for a limited home footprint with the normal side yard setbacks. The requested setback variance will still provide adequate access to the homes for any safety concerns. The front yard variance request will allow the neighborhood to be constructed with a more neighborhood friendly feeling. We are in discussions with a high-quality builder who specializes in small lot communities and he has requested these variances so his proposed homes can be constructed. The 60' street right-of-way still provides 16.5' of additional front yard. Lots 1, 8, 9, 34, 40,53, 70, 79, 87, 95, 96 and 103 are corner lots. The 25' side yard requirement on side streets restricts the buildable area of the homes proposed for these lots. It is a burden for side yard requirements compared to the normal 8' side yard setback
2. These setback variances are necessary to construct the homes desired by the proposed lot owners. Prospective buyers are hesitant to purchase these lots without these variances.
3. Without this variance the large front yard setbacks on Lots 1-34 will not allow the neighborhood feel for the proposed home product planned for these lots. The variance will also allow for larger back yard outdoor living areas on these lots. Lots 1, 8, 9, 34, 40,53, 70, 79, 87, 95, 96 and 103 are corner lots. The 25' side street setback is a burden for side yard requirements compared to the normal 8' side yard setback
4. Our proposed builder cannot construct his product without these variances. It will allow reasonable use of the lots to build high quality homes.
5. The approval of these variances has been allowed in other subdivisions such as The Briars. Front and side yard variances have also been allowed in Florence Gardens Subdivision.

6. The proposed use of single-family homes is allowed by right in the zoning district.

An affidavit stating the request is not in violation of restrictive or protective covenants is included as required.

A copy of our proposed draft covenants is included as required.

Should you have any questions please do not hesitate to contact me at 228-860-5318.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Robert J. Knesal", written in a cursive style.

Robert J. Knesal, P. E.

AFFIDAVIT

I hereby testify that the proposed variances for the Lots listed in the Variance Application for Brookestone Subdivision dated May 4, 2021 is not in violation of any current restrictive or protective covenants associated with the existing lots as described on the proposed plat.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR BROOKESTONE SUBDIVISION

WHEREAS, Brookstone Gulf Coast, LLC is the owner of certain land and property lying and being situated in the First Judicial District of Harrison County, Mississippi, being BROOKESTONE SUBDIVISION, a subdivision according to a map or plat of which is on file and of record in the office of the Chancery Clerk of Harrison County, First Judicial District, Mississippi in Plat Book ____ at Page ____ thereof.

WHEREAS, said owner, hereinafter referred to and called the "Declarant", desires to impose certain Restrictive and Protective Covenants upon all lots of said subdivision for the protection and benefit of those purchasing lots therein.

NOW THEREFORE, in consideration of the advantages to accrue through such restrictive and protective covenants and for other good and valuable consideration, the Declarant does hereby covenant and agree with all future owners of lots in the aforesaid subdivision that the following restrictive and protective covenants shall apply to all the lots in said subdivision, and to all improvements thereon, and does hereby publish and declare that the following terms, covenants, conditions, easements, restrictions, uses, limitations and obligations shall run with the land and shall be a burden and benefit to Declarant, his successors and assigns, and to any persons acquiring title to or owning an interest in the said real property and improvements, their successors, executors, heirs, administrators devisees and assigns.

ARTICLE I RESTRICTIONS AS TO USE, OCCUPANCY AND APPEARANCE

Section 1. General. All of the Lots shall be used and occupied as single-family residences and no structures shall be erected; altered, placed or permitted to remain other than single family dwellings with a private garage for not more than three (3) vehicles and one (1) storage or outbuilding. No building, fence, wall or other structure shall be erected or placed on any Lot, except in accordance with the provisions of this Declaration, including written permission of the Architectural Control Committee. No alteration to the exterior (appearance) of any dwelling, lot, building, fence, or other structure shall be made without the written permission of the Architectural Control Committee created hereunder. Each Owner shall be responsible for his/her own exterior maintenance, landscaping, and maintenance of the landscaping, so long as it does not interfere with the adjoining Lot Owner, and is consistent with these Covenants, Conditions and Restrictions, and harmonious with the surrounding improvements.

Section 2. Building Setback Requirements. Setbacks for front, side and rear yards shall be governed by the City of Gulfport as set forth in the City Zoning Ordinance and subject to any variances granted by the Zoning Board. For the purpose of these covenants, conditions and

restrictions, eaves, steps and open patios shall not be considered a part of the building.

Section 3. Dwelling Size. All residences constructed on Lots One through Thirty-four (1-34) shall contain a minimum square footage in accordance with the following schedule: all residences shall contain a minimum of 1,800 square feet of heated and cooled floor area (exclusive of decks, porches and garages). All residences constructed on Lots Thirty-five through One hundred and three (35-103) shall contain a minimum square footage in accordance with the following schedule: all residences shall contain a minimum of 2,500 square feet of heated and cooled floor area (exclusive of decks, porches and garages).

Section 4. Fences. All fences constructed on any lot or building site must be approved by the Architectural Control Committee prior to construction in accordance with Section 1 of Article II of these covenants, conditions and restrictions. The Homeowner's Association will be responsible for the maintenance of the fence along East Taylor Road.

Section 5. Temporary Structures. No structure of a temporary nature (trailer, shack, tent or other building), shall be moved to, placed upon or used on any Lot at any time, either temporarily, permanently, excepting, however, that during periods of construction, contractors shall be permitted a single storage shed on each separate construction site.

Section 6. Building Condition, General Appearance, Nuisance, and Health Regulations. All Lots shall be maintained in good repair, shall be clean and sanitary at all times, and no nuisance and no violation of the rules and regulations of the State Board of Health or any governmental agency shall be permitted.

Section 7. Noxious and Offensive Trade. No noxious or offensive trade or activity shall be carried out upon a Lot nor shall anything be done thereon which may be or become an annoyance to the other Lot Owners. Floodlights, bells, telephones, music, number or noise level of pets, air pollutants, etc. shall not be such as to constitute a nuisance to or impair the enjoyment of neighboring Lots.

Section 8. Signs. No professional, commercial or other signs of any kind shall be erected or maintained on any Lot or building by any Owner except with the written permission and direction of the Homeowner's Association, or except as may be required by legal proceedings. It being understood that the Association will not grant permission unless reasonably necessary to avert serious hardship to an Owner. However, an Owner may place a professionally made "For Rent" or "For Sale" sign no larger than three (3) square feet in size on the Lot. This restriction is not applicable to the Declarant during any such period of time that Declarant owns any Lot and is offering any Lot for sale.

Section 9. No Clothes Lines. No outside clothes lines or other items detrimental to the appearance of the Lots shall be permitted on any Lot. All personal garbage and trash receptacles, which are to be furnished by the Owner, must be hidden from view.

Section 10. Animals. No livestock, animals, chickens or fowl of any kind or nature shall be

permitted on a Lot except for dogs and cats owned as personal pets which shall not be kept in such number as to be an annoyance to other Owners of Lots. In addition, no dogs or cats shall be permitted on a Lot except inside a Home or fenced-in area, without being on a leash and under the immediate control of a responsible Lot Owner. All such pets must be walked in appropriate areas, and owners of such pets must clean up after their pets. If any such pet owner fails to properly clean up after his pet, the Homeowner's Association shall perform such service and shall bill the pet owner accordingly. The Homeowner's Association shall have the right to adopt and enforce such additional pet regulations as are reasonably necessary to ensure that such pets are not and do not become a nuisance.

Section 11. Nuisances. No nuisance shall be allowed upon a Lot, nor any use or practice that is the source of annoyance to Lot Owners or which interferes with the peaceful possession and proper use of a Lot by its owners. All parts of a Lot shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate nor any fire hazard allowed to exist. No Owner shall permit clothes, towels, or other items of personal property to be hung, draped, or otherwise displayed on the patio for the purpose of drying or for any other purpose in a manner which would allow said clothing, towel or other personal property to be viewed by any other person occupying or using the Lot. No Owner shall permit any noise to originate from his Lot that would be an annoyance or nuisance to owners of adjoining Lots, including, but not limited to, radios, record players, stereos, musical instruments, singing, barking of dogs, and meowing of cats.

Section 12. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of a Lot nor any part thereof; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies for maintenance, modification or repair of a Lot shall be the same as the responsibility for the maintenance and repair of the Lot concerned.

Section 13. Leasing. Entire single-family dwellings may be rented provided that the single-family dwelling is used only as a single-family residence; that the lease or rental period is for not less than one hundred eighty (180) consecutive days; that the single-family dwelling is occupied by only one family having no more members than the single-family dwelling is designed to accommodate; and provided that such use by the tenant or tenants does not create a nuisance. A Lot Owner may lease or rent his own single-family dwelling to any lessee provided that the Lot Owner furnishes the Association with the names of all the tenants. All lessees are subject to the provisions of the Declaration and the By-Laws and failure to comply with said provisions shall be a default under any lease of any single-family dwelling whether so stated in said lease. All of the foregoing may be enforced by the Association.

Section 14. Parking. No boat trailer, house trailer, commercial truck, tractor or commercial vehicle of any kind, or any other vehicle, machine, equipment or apparatus other than operating passenger automobiles, pickups and operating passenger vans: (vans are limited to those that are no wider than American made family automobiles) shall be parked or stored in any driveway or on any Lot in the subdivision or on the street or road rights-of-way in front of any such Lot so as to be visible from the street or be visible to the other residences in the subdivision. All vehicles

belonging to Owners or tenants occupying any single-family dwelling, building site or Lot in the subdivision must be operable and not in storage and/or being repaired. No trailer/tractor, bus, or other commercial vehicle shall be parked on any Lot, building site, or adjoining street right-of-way overnight. No automobiles or other vehicles shall be parked on the street or rights-of-way overnight or parking in yards at any time.

Section 15. Maintenance of Vacant Lots or Building Sites. If construction of a single-family dwelling is not commenced within two (2) years after the purchase of a Lot, then the Owner shall remove all unsightly debris which is visible from the street. Clearing of the Lot shall not be required except that no underbrush or grass shall be allowed to cover the curbing or sidewalks, if installed. If construction of a single-family dwelling is not started within five (5) years after the purchase of a Lot, it shall be cleared of underbrush up to the building setback lines abutting streets and maintained on a monthly basis during the growing season.

Section 16. Antennas, Satellite Dishes, and Basketball Goals. No ham radio antennas, citizen band radio antennas, television antennas, or any other type of antenna shall be allowed or permitted to be erected or located or to remain on any Lot at any time. Any television satellite dishes erected and properly located on a Lot or building site in the subdivision shall be the RCA type and shall not exceed eighteen (18) inches in diameter. Basketball goals, posts or backboards shall not be erected on any street or right-of-way.

Section 17. Maintenance of Landscaping. Each Owner shall maintain the appearance of his or her Lot or building site in high quality condition and will provide and maintain landscaping on the Lot or building site. Grass, flowers and shrubbery must be kept in an orderly fashion. No bamboo hedges shall be allowed within the required thirteen (13) feet or twenty-five (25) foot front setback area.

Section 18. Sewage and Drainage Control. No activities shall be permitted that discharge pollutants into the surface drainage system or sewage collection system.

Section 19. Adjoining Lots. If one or more Lots, or one Lot and all or a portion of an adjacent Lot, within the subdivision, are utilized for one single family residential purpose, the setback requirements herein shall be measured from the boundary line of the entire building site or plot being then and there utilized and devoted to the single-family residence. Should a property owner in an adjoining subdivision purchase a Lot abutting their existing residence, said Lot in BROOKESTONE SUBDIVISION shall be maintained as required in Section 13, Article I of these Covenants. No fences shall be erected within 50 feet of the front property line nor to a height greater than four feet in the front yard. No accessory structures will be allowed to be constructed which could appear to be servicing the adjacent residence. No automobiles, boats, motor homes, campers or other type vehicles may be stored on the Lots.

Section 20. Subdivision of Lots. No Lot over which these covenants govern may be subdivided so as to reduce the originally platted size or square footage unless the fractional portion of the Lot is added to an adjacent Lot within BROOKESTONE SUBDIVISION. The

remaining fractional portion of the affected Lot shall meet the minimum Lot size (dimensional and area) requirements, unless it is to be added to the adjoining Lot on the opposite side Lot line.

Section 21. Reservation of Easement. Easements are reserved over and across each Lot in the subdivision as shown on the recorded plat for the purpose of installing, repairing and maintaining or conveying to proper parties for the installation, repair or maintenance of utilities for the Lots or building sites in the subdivision, and said easements shown or reserved on the recorded plat of the subdivision, if any, are hereby adopted as part of these restrictions.

Section 22. Sidewalks. Sidewalks must be installed across every Lot prior to occupancy of any single-family dwelling. If construction of a single-family dwelling is not commenced within three (3) years after the purchase of a Lot, then the Owner shall cause to have installed a sidewalk across said Lot. In the event sidewalks are not installed as herein prescribed, the Homeowners Association shall be authorized to cause to have installed said sidewalks, the cost of which shall become a special assessment against the affected Lot. Location of sidewalks shall be consistent with existing sidewalks, if any, on the adjoining Lot. The location of said sidewalk shall be approved by the Architectural Control Committee

Section 23. Storage or Outbuildings. Only one storage or outbuilding, shall be placed, permitted, or allowed on each Lot. The size and design of any such outbuilding must be approved in writing by the Architectural Control Committee and must conform to all set back requirements contained in Section 2 of Article I of these covenants and those set back requirements of the City of Gulfport and any other applicable government entity.

Section 24. Regulations. Reasonable regulations concerning the use of a Lot may be made and amended from time to time by the Homeowner's Association in the manner provided by its Articles of Incorporation and By-Laws. Copies of such regulations and amendments shall be furnished by the Homeowner's Association to all Owners and residents of Lots upon request.

Section 25. Proviso. Provided, however, that until Declarant has completed all of the contemplated improvements and closed the sale of Sixty (60) Lots in BROOKESTONE SUBDIVISION, neither the Owners nor the Homeowner's Association nor the use of the Lots shall interfere with the completion of the contemplated improvements and the sale of Lots by Declarant. Declarant may make such use of the unsold Lots and common areas, if any, as may facilitate such completion and sale, including but not limited to maintenance of a sales office, the showing of Lots and the display of signs.

ARTICLE II

ARCHITECTURAL CONTROL

Section 1. Architectural Approval. Owners of single-family dwellings constructed in this subdivision shall be responsible for making needed repairs in a timely manner and maintaining the landscaping of each individual Lot at least to the standard initially established by the developer. The final building plans and specifications for the construction of any residence, garage, outbuilding, fence, wall and pool (or alteration or repainting of any such structure) shall be submitted for approval in writing by a three (3) member Architectural Control Committee. All plans for residences, garages, outbuildings, pools, and landscaping must be stamped and signed by the Architectural Committee before any construction shall begin. Anyone not abiding by this will subject themselves to penalties, fines, halting construction, and removing any construction that does not meet the Architectural Committee approval. Any owner who wishes to modify or change the color scheme of his home shall be required to submit the change to the Architectural Control Committee for approval. The Committee shall act with all reasonable promptness upon receipt of plans and specifications submitted in accordance with this paragraph to approve or disapprove such plans and specifications. If the committee shall fail to approve or disapprove such plans and specifications within twenty (20) days of receipt of written demand for the approval of such plans and specifications, the Committee shall be deemed to have approved such plans and specifications. The initial Architectural Control Committee shall consist of the Declarant and four (4) other persons appointed by the Declarant.

Section 2. Architectural Control Committee. Upon the death or resignation of a member or members of the committee, the remaining member or members shall have full authority to designate successor members. The Declarant shall have the authority to appoint committee members in addition to the four (4) original members. Neither the members of the committee nor its designated representatives shall be entitled to any type of compensation for services performed pursuant to this covenant. Upon the sale of Sixty (60) Lots in said subdivision, a four (4) member Architectural Control Committee shall be elected by the Homeowner's Association. The Architectural Control Committee shall establish its rules of procedure, including the method of filling vacancies.

Section 3. Granting of Variances. When a single family dwelling or other structure has been erected or its construction substantially advanced and the structure is located on any Lot in a manner that constitutes a violation of these covenants, conditions and restrictions or the building setback lines shown on the recorded plat or if the Architectural Control Committee, in its sole discretion, determines that a variance is desirable in order to best accommodate the location of a planned building on a particular Lot, the Architectural Control Committee may release the Lot, or parts of it, from any part of the covenants, conditions and restrictions, or setback lines that are violated. The Architectural Control Committee shall not give such a release except for a violation that it determines to be a minor or insubstantial violation in its sole discretion. Provided, however, that the Architectural Control Committee shall have no authority to grant a variance of the City of Gulfport Subdivision regulations, including, but not limited to, those that may be contained in these covenants, conditions and restrictions. Neither the Board of Directors of the Homeowner's Association, nor the Architectural Control Committee, nor any of the respective members, shall in any way be liable or be held liable to any Owner, the Homeowner's Association, or any other person or entity resulting from its good faith exercise of the discretionary authority conferred by this Section.

ARTICLE III

GENERAL PROVISIONS

Section 1. Enforcement. The Homeowner's Association, the Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Homeowner's Association, the Declarant, or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In the event that a Court of competent jurisdiction shall determine that any Lot owner shall have violated or have attempted to violate any of the covenants herein, the owner of the Lot or Lots causing the violation upon which the violation occurs shall pay all attorney's fees, court costs, and other necessary expenses incurred by the person instituting such legal proceedings to maintain and enforce the aforesaid covenants. Said attorney's fees, court costs and other expenses allowed and assigned by the Court shall become a lien upon the lot and improvements.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment.

(a) The covenants, conditions and restrictions of this Declaration shall run with and bind the land, for a term of 25 years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of five (5) years.

(b) This Declaration may be amended anytime during the initial 25-year period or any extensions thereof by Declarant or its nominees, provided they own at least fifty-one percent (51%) of the numbered lots in the subdivision. Beginning five (5) years from the date of recordation of the Declaration and for the remainder of the initial 25-year period or any extensions, the Covenants may also be amended by the written consent of at least seventy-five percent (75%) of the Lot Owners, exclusive of their mortgagees. Any amendment must be recorded.

(c) Notwithstanding anything herein contained to the contrary, the developer reserves and shall have the right for a period of three (3) years from the date of the recording of these Covenants,

Conditions and Restrictions to unilaterally amend this Declaration in whole or in part in order to (1) conform this Declaration to the requirements of any governmental agency, federal, state or local, (2) to conform to the requirements of any mortgage lender, or (3) to insure the reasonable development of the property. The developer shall retain total control of the property, the development thereof, and the improvements thereon including, without limitation, plan approval, until the development is complete and sixteen (16) of the lots have been sold.

Brookestone Subdivision

Architectural Review Guidelines

I. Preface

Brookestone's Architectural Guidelines have been established to provide property owners, architects, and contractors with a set of parameters for the preparation of their drawings and specifications. Also for the property owner and the home owner, the Architectural Guidelines provide a definitive set of rules governing the short- and long-term development and maintenance of their property and other properties in the subdivision. The Guidelines will help assure architectural compatibility and continuity while allowing for personal diversity within the framework of the guidelines.

To insure aesthetic harmony within Brookestone, great care has been taken in the planning, design, and construction of Brookestone. To this end it is of the utmost importance that this special character not be compromised by housing designs which are improperly conceived, unresolved, or poorly executed. By encouraging quality and attention to detail for the appropriate style, the aesthetic harmony and overall property values at Brookestone will be enhanced and preserved through these design guidelines.

This document is primarily a reference tool and decision-making guide for the Architectural Review committee. It is the resource by which decisions will be made regarding residential design in general.

A. The Plan Review Process

Prior to the commencement of any construction activity of any type on any residential lot, an application for approval of such work must be submitted by the property owner or their respective agent to the Architectural Review Committee. Plan approval by the committee must be received prior to the start of grading or construction.

The plan review process for Brookestone requires that plans be submitted for review by the Committee, whose guidelines are covered in the following pages. It is the property owner's responsibility to submit required plans in a timely fashion and to indicate conformity to the guidelines.

Architectural Review Committee

The Architectural Review Committee is established in accordance with the Declaration of Covenants, Conditions, and Restrictions for Brookestone, and is made up of a minimum of three people, to be appointed by the developer. This committee is charged with the regulation and ultimate approval of all external damage decisions and considerations for all properties.

As such, the Architectural Review Committee will interpret and enforce the Design Guidelines and Resolutions. Additionally, the Architectural Review Committee will make value judgements and recommendations regarding both the specifics and the intent of the Guidelines.

The Architectural Review Committee meets on an as needed basis within two (2) weeks after design submittals are made, acting on the concurrence of two (2) of the three (3) members.

All members of the Architectural Review Committee shall be appointed by the Declarant until 12/31/2025.

While the Architectural Review Committee may draw information and input from various sources all decisions of the Architectural Review Committee are final and not subject to review.

B. Procedure

Prior to the complete design of improvements requiring approval of the committee, a preliminary review of the owner's plan will be conducted to provide further design guidelines and indication of the designer's conformance with specific requirements of the Committee. **At the time of submittal, a \$300.00 fee will be included to cover cost of professional services relating to the review process. If the cost of review is less than the \$300.00 fee, then any balance will be reimbursed.**

This first submittal is the Preliminary submittal and will consist of two sets of plans, which (at a minimum) will include the following:

1. Preliminary Plot Plan drawn to scale. The plot plan will indicate grading intentions (water flow) with spot elevations at streets and property corners, and finish floors elevations.
2. Preliminary Floor Plans and Elevations at 1/4" scale showing overall dimensions, area of structure, and overall height dimensions. Also, include descriptions and samples of all exterior materials, roof materials, and colors.
3. A statement of definition as to the style of architecture the owner or builder wishes to achieve.

The second submittal is the Final Design Submittal and will consist of two sets of plans, which (at a minimum) will include the following:

1. Final Plot Plan with all proposed structures indicated, and including all information described above for the Preliminary Plot Plan. This final plan must include all horizontal layout information as well as critical dimensions and materials with finishes of all landscape elements so that the builder will be able to implement the designer's intent. Dimensions needed to site the house on the lot should be illustrated on the plan. The plot plan, the grading plan, and the planting plan must all reflect the same layout of the site improvements.
2. Final Floor Plans and Elevations including all ancillary structures and information described above in item two.
3. Final construction Specifications to include external material color, and paint or stain color, as listed by manufacturer's number for all exterior finishes including roofing.
4. Tree Survey showing all Hardwood trees six (6") inches in diameter, trees within 25 feet of any construction activity and any tree that is to be removed.
5. Final Landscape Plan at same scale as the Plot Plan described above (of larger) and indication of plant quantities, sizes, spacing, with both common and botanical names.
6. Grading Plan on one (1) foot contours, finish floor elevation, existing and proposed subsurface drainage, and trees to be removed and trees to remain. Spot elevations at the corners of the house should be shown to reflect the amount of drop brick ledge.

7. Any steps shown should accurately depict the changes in grades and the needed number of treads and risers.

Approved plans will be so noted on the front sheet of each face. Approval by the Architectural Review Committee is contingent upon approval of appropriate governing agencies. No changes shall be made to the plans without the express written consent of the Architectural Review Committee. All decisions of the Architectural Review Committee are final.

II. Site Development Guidelines

The Site Development Guidelines Provide site planning suggestions and community element guidelines to set common standards for the development of exterior spaces throughout Brookestone.

A. Site Planning

The siting of a house is a critical and important design decision. The site plan concept developed for each homeowner should reflect functional needs but should also be sensitive to the site's unique characteristics and inherent design opportunities.

1. Siting

The Architectural Review Committee will consider each site independently but will give extensive consideration to each individual's plan's impact upon adjacent home sites and view corridors. Care must be taken to locate each structure, whenever possible, so as not to infringe upon view corridors, adjacent structures and home sites, and natural amenities of the area. Considerations in this regard include:

- a. Physical terrain of the site
- b. Views from project site and street
- c. Natural amenities: trees, landscaping, existing bayou and inlets, water and drainage channels/swales
- d. Driveway access
- e. Height of Structures
- f. Fences and opening devices
- g. Service areas and screening methods for garbage cans, utilities and/or outside storage.

2. Drainage

Drainage considerations for individual sites play an important part of the overall ecological balance of the site. Water run off for each individual building site must be handled by adequately sloping all areas so the run-off can be directed to the natural drainage areas or to storm drainage facilities. Silt fences and other appropriate erosion control measure are required during construction. All erosion control devices are to be installed as per Mississippi Department of Environmental Quality's Storm Water Prevention Plan (SWPP). Silt fences and other control

devices will be maintained until all landscaping is in place and the land is stable with natural vegetation.

3. Grading and Landscape

The design and development concepts of the community call for the maintenance of the environment in as much of the original conditions as possible.

The Committee is particularly conscious of site utilization and potential, and desires not to disrupt the existing trees and natural terrain whenever possible. The Architectural Review Committee is keenly aware that whenever possible structures should be designed to the specific lot. It is important to remember that the beauty of our development is the land in its natural features, and the architecture should complement and enhance rather than compete with or destroy this beauty.

All grading reviews will be subject to the jurisdiction of the Committee and will be considered individually for each lot. Recommendations or demands will be based upon individual lot location, terrain, soil conditions, drainage, cuts and fills, and whatever other conditions the Committee feels impacts upon the site and community grading design.

1. Planting plants should also be submitted along with construction documents. All plans should show plant material and bed design as well as type of sod to be used. Sod will be used in all yard areas and for shoreline stabilization on all waterfront lots. The majority of the front yard should be sodded or landscaped. A good guideline would be to sod in area the width of the house from the front planting beds to the street. Sodding is required on both sides of the driveway.
2. The Landscape plan shall include the installation of at least one (1) Live Oak tree in the front yard with a minimum caliper of four inch (4").
3. The installation of any monuments and decorative yard items must be shown on the Landscape Plan.

1. Building Setbacks

These setbacks are for general guidance. All home sites will be subject to the Architectural Review Committee with views and streetscapes being of utmost importance.

Side: See Covenants

Front: See Covenants

Rear: 8'

Side yard abutting an adjoining street: See Covenants

The front setback will be reviewed on a lot by lot basis. If this dimension needs to be modified for whatever reason to better achieve the desired layout, present this request to the Architectural Review Committee for approval. Placement of houses on adjacent lots and natural building sites on vacant lots will be a strong factor in determining the position of the house. If there is any question as to the appropriate siting of the house, please consult with the Architectural Review Committee prior to the development of any plans.

2. Accessory Systems

Accessory buildings are specifically prohibited from any residential lot within the subdivision. Portable buildings or similar structures are permitted only during construction. Gazebos, pool houses, guesthouses, or similar structures may be constructed pending approval from the Architectural Review Committee and approval from the City of Gulfport.

3. Secondary Structures

Garden structures, gazebos, pool houses, guesthouses and similar structures require setbacks from the property lines as that of the residence. The setback can be reduced. The Architectural Review Committee, City of Gulfport, or any other governing agency with jurisdiction over said property must approve any reduced setback.

4. Temporary Structures

No structure of a temporary nature, tent, shack, mobile home, garage, motor home, or other outbuilding will be used on any Residential Lot or Common Parcel in Brookstone subdivision at any time as either a temporary or permanent residence. Trailers or temporary buildings used for construction activities or storage will be allowed during the construction of a residence.

5. Swimming Pools

Locate swimming pools, spas or hot tubs behind the front lines of the house. All setbacks are subject to approval by the Architectural Review Committee and the City of Gulfport.

6. Exterior Lighting

Exterior pool and landscape lighting must not infringe upon adjacent neighborhoods. All accent and security lighting should utilize sharp cutoff designs or low voltage, direct task type fixtures, and they should be as close to grade as possible. All exterior lighting must be approved by the Architectural Review Committee.

B. Community Element Guidelines

The intent of these standards is to insure a continuity of specific elements at the streetscape. This includes both public (developer) and private (property owner) constructed items. These items include:

1. Sidewalks
2. Mailboxes
3. Retaining Walls
4. Walls and Fences
5. Driveways and Motor Courts
6. Trash Containers
7. Landscaping

The individual property owner will be responsible for obtaining the necessary professional assistance to ensure the structural integrity of all exterior construction on their property.

Design criteria for each of the Community Elements follows:

1. Sidewalks. Public sidewalks, 4' in width, are required in Brookestone Subdivision. All sidewalks are subject to the Architectural Review Committee.
2. Mailboxes. Mailboxes to be located in the right-of-way will be purchased and installed by the Owner of each lot upon receiving written approval of final plans and specifications for construction of each residence. The mailbox, as illustrated in the attached Exhibit A and identified as Georgetown Mailbox System as marketed by Addresses of Distinction, will be the standard throughout Brookstone Subdivision.
3. Retaining Walls. If a retaining wall is used, it must be faced with one of the following materials: stone, brick, stucco. Crossties will not be accepted; nor can a concrete block retaining wall be left exposed.
4. Walls and Fences. All walls or fences along rear and side property lines, EXCEPT for lot lines bordering the lake, will have a maximum height of 7' with the columns extending to 7'6". NO chain link fences of any kind are allowed in Brookstone Subdivision. All fences on any lakefront lots are required to be a combination of iron, wrought iron, brick, stone, stucco, or a design being previously approved by the Architectural Review Committee. Several other material options are recommended below:
 - a. stone
 - b. stone and wrought iron
 - c. wrought iron
 - d. brick
 - e. brick and wrought iron
 - f. High quality black anodized aluminum

Rear yard fences along the lake shall be consistent with adjoining lots and shall be constructed of high quality black anodized aluminum or other material approved by the Architectural Review Committee. All wood material should be left natural or coated with the semi-transparent stain. No fencing will be allowed within 15' of water's edge unless otherwise approved by the Architectural Review Committee. All perimeter fences are subject to the approval of the Architectural Review Committee.

5. Driveways and Motor Courts. Vehicular areas will be paved so as to provide dust-free, all weather surfaces. Several material options are recommended:
 1. brick
 2. interlocking pavers
 3. washed concrete
 4. broom-finished concrete
 5. stamped concrete

The design of the driveway should take into account the topography, existing trees and design of the house. Final approval of the design and materials is subject to the Architectural Review Committee. All parking areas will provide, in addition to parking spaces, adequate driveways in space for the movement of vehicles.

6. Trash containers. During the construction of any home in Brookstone, it is the responsibility of the lot owner to provide a trash container at all times.
7. Landscaping. Each house must be landscaped appropriately as determined by the overall budget for the house. The landscaping is often an afterthought or an area that requires severe cuts due to overspending on the house. Proper planning will avoid the circumstance at Brookstone. A foundation planting of a single row of shrubs or ground cover will not be acceptable. The planting across the front and back of the house should be extended into the yard by massing groups of like plants. Single hedge or row planting along the sides will be permitted as long as the front and rear are adequate.

III. Building Construction Guidelines

Construction Guidelines have been established to insure continuity within Brookstone Subdivision. It is not the intent of these criteria to limit flexibility; however, by defining a range of material, and unit choices for the individual dwelling units, a general framework will be established from which individual decisions may be made. The desired result is to encourage a community of individual outstanding architectural statements that when viewed together produce an outstanding community environment.

The following elements are to be encouraged: intelligent selection of details related to a well-designed floor plan; sensitive interpretations of styles within constraints of budget and site, consistency of site planning, landscaping and architecture, and logical use of materials.

A property owner will not substantially duplicate the exterior elevation, in design or architecture, of any dwelling existing in the subdivision. For the purpose of defining this paragraph, a dwelling will be considered in existence from the time it is submitted to the Architectural Review Committee for preliminary approval. The Architectural Review Committee may vary the intent of these regulations from time to time governing its activities not inconsistent herewith. In no instance is construction to commence without written approval of the Architectural Review Committee.

Any changes to an approved structure (complete or incomplete to include additions, alterations, etc.) must be approved in writing by the Architectural Review Committee prior to the commencement of construction.

A. Exterior Walls

No two homes in the subdivision shall have the same exterior or interior plans.

Exterior walls surfaces may be one of the following materials:

1. Brick
2. Natural Stone
3. Authentic Stucco
4. Hardi Plank, Cypress or Cedar

No vinyl of any kind is permitted in Brookestone Subdivision.

B. Windows

All windows will be constructed of wood, vinyl, vinyl clad composite, metal clad, or alternate materials approved by the Architectural Review Committee. No metal windows allowed. All windows where applicable will be true divided light or simulated divided light. All window types (double-hung, casement or awning) may be incorporated into the design as long as the proportion of each individual window type is vertical. The intent of this requirement is to create a more traditional or classical design direction that fits the architectural style of the structure. All window types must be clearly shown on all submitted plans.

C. Chimneys

All Chimneys will be of masonry construction (brick and clay flue liner) or approved prefab units. The exterior portion of the stack may be treated in any of the following ways:

1. Natural brick
2. Authentic Stucco Clad
3. Stone Veneer

D. Shutters

If Shutters are used, the horizontal dimension will be exactly one-half (1/2) the window width. All shutters will be operable (hinged) wood or the following types:

1. Louvered (fixed or operable blades)
2. Paneled (raised or flat recessed)
3. V-grove or beaded boards (tongue and groove construction)

E. Roof Shingles

Roof Shingles will be at least an "Architect's Series" fiberglass within a minimum 25-year warranty. Metal roofs will be considered on a case by case basis.

F. Garages and Carports

Each single-family dwelling will have an attached garage accommodating not less than two automobiles. Garages for motor homes and boats are not allowed unless otherwise approved by the Architectural Review Committee. All garages will be finished inside and will be equipped with automatic overhead doors.

Carports will be allowed if they are constructed behind the home and not exposed to any street.

G. Gutters and Flashing

All flashing (valleys, drips, etc.) visible from the street will be copper or baked enamel pre-painted to match the home's exterior trim. Gutters are not required but if installed must be approved by the Architectural Review Committee.

H. Changes and Amendments

These rules and regulations may be changed or amended without notice as deemed by the Brookestone Architectural Review Committee.

NOTICE TO PURCHASERS

CONGRATULATIONS!!! YOUR DEED HAS BEEN REGISTERED IN HARRISON COUNTY, MISSISSIPPI.

You should do the following things immediately to protect your property:

1. Be sure to pay your taxes each year, even if it is assessed in another name. The first year after acquiring your property, it may still be assessed in someone else's name. **Property taxes are due every January.** Remember, the first year you own your property, the tax bill will still be in the name of the former owner, as of January 1 of the previous year. If your mortgage is not paying your taxes through an escrow account and you do not get a tax bill, contact the **Harrison County Tax Collector's office** about possible taxes owed.
2. You may qualify for Homestead Exemption if you are living on the property. This would give you a substantial reduction on your taxes. You must apply for this between January 1 and April 1 of the upcoming year in the **Harrison County Tax Assessor's office**. Contact the Harrison County Tax Assessor's office to obtain information on what is required for applying for Homestead Exemption.

The following offices will be happy to assist you with questions that you may have concerning your property.

LAND DEED OF TRUST

THIS INDENTURE, made and entered into this day by and between **BROOKSTONE GULF COAST, LLC**, a Mississippi limited liability company whose address is **111 LUNDGREN LANE , GULFPORT, MS 39503, 228-669-9102**, as Grantor (herein designated as "Debtor"), and as Mark C. Orgler, 12206 Highway 49, Gulfport, Ms., 39503, 228-832-8550, Trustee, and **BARBARA C. ALLEN** of **767 DESTINY PLANTATION, BILOXI, MS 39532, 228-669-9102**, as Beneficiary (herein designated as "Secured Party"), WITNESSETH:

WHEREAS, Debtor is indebted to Secured Party in the full sum of **Four Million One Hundred Seven Thousand Two Hundred Twenty-One and 00/100 Dollars (\$4,107,221.00)**, evidenced by a promissory note of even date herewith in favor of Secured Party, bearing interest from **March 26, 2020** at the rate specified in the note **5%**, providing for payment of attorney's fees for collection if not paid according to the terms thereof and being due and payable as set forth below:

I will pay the entire net amount of all proceeds of all sales in "Brookstone Subdivision" until I have paid all of the Principal and interest and any other charges described below that I may owe under this Note. Each payment will be applied to interest before Principal. If, on **March 26th, 2023**, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

WHEREAS, Debtor desires to secure prompt payment of (a) the indebtedness described above according to its terms and any extensions thereof, (b) any additional and future advances with interest thereon which Secured Party may make to Debtor as provided in Paragraph 1, (c) any other indebtedness which Debtor may now or hereafter owe to Secured Party as provided in Paragraph 2 and (d) any advances with interest which Secured Party may make to protect the property herein conveyed as provided in Paragraphs 3, 4, 5 and 6 (all being herein referred to as the "Indebtedness").

NOW THEREFORE, In consideration of the existing and future Indebtedness herein recited, Debtor hereby conveys and warrants unto Trustee the land described below situated in the

City of **GULFPORT,**

County of **Harrison**

State of Mississippi:

Parcel 1:

That certain parcel of land located North of East Taylor Road and being located in and a part of Section 19 and 20, Township 7 South, Range 10 West, City of Gulfport, Mississippi, and being more particularly described as follows, to-wit: Commencing at the corner common of Section 19, 20, 29 and 30, Township 7 South, Range 10 West; thence run North 00 degrees 31 minute 26 seconds West a distance of 176.7 feet, more or less, along the Section line common to Sections 19 and 20 to a point on the North margin of Taylor Road for the POINT OF BEGINNING of the parcel herein described; thence continue from said Point of Beginning, North 00 degrees 31 minutes 26 seconds West along the Section line common to Sections 19 and 20 a distance of 1,117.21 feet; thence North 89 degrees 28 minutes 33 seconds West a distance of 105.72 feet; thence run North 00 degrees 31 minutes 26 seconds West a distance of 1,065.31 feet, more or less, to the South Right-of-way of the property now or formerly of Harrison County Development Commission; thence run North 72 degrees 57 minutes 06 seconds West along the said South Right-of-way of the Harrison County Development Commission property a distance of 933.65 feet; Thence run South 89 degrees 47 minutes 50 seconds West a distance of 355.56 feet to the East line of property now or formerly of Dr. J. T. Taylor; thence run South 00 degrees 21 minutes 44 seconds East along the East line of the Taylor property a distance of 2,481.50 feet, more or less, to the North margin of Taylor Road; thence run North 88 degrees 55 minutes 15 seconds East along the North margin of Taylor Road a distance of 1,358.41 feet, more or less to the Point of Beginning. Said parcel containing 70.77 acres, more or less.

And also:

Parcel II: A parcel of land situated and being located in Section 19, Township 7 South, Range 10 West, City of Gulfport, First Judicial District of Harrison County, Mississippi and being more particularly described as follows, to-wit: COMMENCING at the corner common to Sections 19, 20, 29, and 30, Township 7 South, Range 10 West; thence run North 00 degrees 51 minutes 26 seconds West along the line between Sections 19 and 20, a distance of 176.7 feet, more or less, to a point on the North margin of Taylor Road; thence run North 00 degrees 31 minutes 26 seconds West a distance of 1,117.21 feet along the line common to Section 19 and 20, to the POINT OF BEGINNING; from said Point of Beginning, thence run North 89 degrees 28 minutes 33 seconds West a distance of 105.72 feet; thence run North 00 degrees 31 minutes 26 seconds West a distance of 1,065.31 feet, more or less, to the South Right of Way of the property now or formerly of the Harrison County Development Commission; thence run South 72 degrees 57 minutes 06 seconds East along the South Right of Way of said Harrison County Development Commission property a distance of 116.42 feet, more or less, to the common line between Sections 19 and 20; thence run South 00 degrees 31 minutes 26 seconds East, along the line between Section 19 and 20, a distance of 1,032.49 feet, more or less, back to the Point of Beginning.

together with all improvements and appurtenances now or hereafter erected on, and all fixtures of any and every description now or hereafter attached to, said land (all being herein referred to as the "Property"). Notwithstanding any provision in this agreement or in any other agreement with Secured Party, the Secured Party shall not have a nonpossessory security interest in and its Collateral or Property shall not include any household goods (as defined in Federal Reserve Board Regulation AA, Subpart B), unless the household goods are identified in a security agreement and are acquired as a result of a purchase money obligation. Such household goods shall only secure said purchase money obligation (including any refinancing thereof).

THIS CONVEYANCE, HOWEVER, IS IN TRUST to secure prompt payment of all existing and future Indebtedness due by Debtor to Secured Party under the provisions of this Deed of Trust. If Debtor shall pay said Indebtedness promptly when due and shall perform all covenants made by Debtor, then this conveyance shall be void and of no effect. If Debtor shall be in default as provided in Paragraph 9, then, in that event, the entire Indebtedness, together with all interest accrued thereon, shall, at the option of Secured Party, be and become at once due and payable without notice to Debtor, and Trustee shall, at the request of Secured Party, sell the Property conveyed, or a sufficiency thereof, to satisfy the Indebtedness

at public outcry to the highest bidder for cash. Sale of the Property shall be advertised for three consecutive weeks preceding the sale in a newspaper published in the county where the Property is situated, or if none is so published, then in some newspaper having a general circulation therein, and by posting a notice for the same time at the courthouse of the same county. The notice and advertisement shall disclose the names of the original debtors in this Deed of Trust. Debtors waive the provisions of Section 89-1-55 of the Mississippi Code of 1972 as amended, if any, as far as this section restricts the right of Trustee to offer at sale more than 160 acres at a time, and Trustee may offer the property herein conveyed as a whole, regardless of how it is described.

If the Property is situated in two or more counties, or in two judicial districts of the same county, Trustee shall have full power to select in which county, or judicial district, the sale of the property is to be made, newspaper advertisement published and notice of sale posted, and Trustee's selection shall be binding upon Debtor and Secured Party. Should Secured Party be a corporation or an unincorporated association, then any officer thereof may declare Debtor to be in default as provided in Paragraph 9 and request Trustee to sell the Property. Secured Party shall have the same right to purchase the property at the foreclosure sale as would a purchaser who is not a party to this Deed of Trust.

From the proceeds of the sale Trustee shall first pay all costs of the sale including reasonable compensation to Trustee; then the Indebtedness due Secured Party by Debtor, including accrued interest and attorney's fees due for collection of the debt; and then, lastly, any balance remaining to Debtor.

IT IS AGREED that this conveyance is made subject to the covenants, stipulations and conditions set forth below which shall be binding upon all parties hereto.

1. This Deed of Trust shall also secure all future and additional advances which Secured Party may make to Debtor from time to time upon the security herein conveyed. Such advances shall be optional with Secured Party and shall be on such terms as to amount, maturity and rate of interest as may be mutually agreeable to both Debtor and Secured Party. Any such advance may be made to any one of the Debtors should there be more than one, and if so made, shall be secured by this Deed of Trust to the same extent as if made to all Debtors.

2. This Deed of Trust shall also secure any and all other Indebtedness of Debtor due to Secured Party with interest thereon as specified, or of any one of the Debtors should there be more than one, whether direct or contingent, primary or secondary, sole, joint or several, now existing or hereafter arising at any time before cancellation of this Deed of Trust. Such Indebtedness may be evidenced by note, open account, overdraft, endorsement, guaranty or otherwise.

3. Debtor shall keep all improvements on the land herein conveyed insured against fire, all hazards included within the term "extended coverage", flood in areas designated by the U. S. Department of Housing and Urban Development as being subject to overflow and such other hazards as Secured Party may reasonably require in such amounts as Debtor may determine but for not less than the Indebtedness secured by this Deed of Trust. All policies shall be written by reliable insurance companies acceptable to Secured Party, shall include standard loss payable clauses in favor of Secured Party and shall be delivered to Secured Party. Debtor shall promptly pay when due all premiums charged for such insurance, and shall furnish Secured Party the premium receipts for inspection. Upon Debtor's failure to pay the premiums, Secured Party shall have the right, but not the obligation, to pay such premiums. In the event of a loss covered by the insurance in force, Debtor shall promptly notify Secured Party who may make proof of loss if timely proof is not made by Debtor. All loss payments shall be made directly to Secured

Party as loss payee who may either apply the proceeds to the repair or restoration of the damaged improvements or to the indebtedness of Debtor, or release such proceeds in whole or in part to Debtor.

4. Debtor shall pay all taxes and assessments, general or special, levied against the Property or upon the interest of Trustee or Secured Party therein, during the term of this Deed of Trust before such taxes or assessments become delinquent, and shall furnish Secured Party the tax receipts for inspection. Should Debtor fail to pay all taxes and assessments when due, Secured Party shall have the right, but not the obligation, to make these payments.

5. Debtor shall keep the Property in good repair and shall not permit or commit waste, impairment or deterioration thereof. Debtor shall use the Property for lawful purposes only. Secured Party may make or arrange to be made entries upon and inspections of the Property after first giving Debtor notice prior to any inspection specifying a just cause related to Secured Party's interest in the Property. Secured Party shall have the right, but not the obligation, to cause needed repairs to be made to the Property after first affording Debtor a reasonable opportunity to make the repairs.

Should the purpose of the primary Indebtedness for which this Deed of Trust is given as security be for construction of improvements on the land herein conveyed, Secured Party shall have the right to make or arrange to be made entries upon the Property and inspections of the construction in progress. Should Secured Party determine that Debtor is failing to perform such construction in a timely and satisfactory manner, Secured Party shall have the right, but not the obligation, to take charge of and proceed with the construction at the expense of Debtor after first affording Debtor a reasonable opportunity to continue the construction in a manner agreeable to Secured Party.

6. Any sums advanced by Secured Party for insurance, taxes, repairs or construction as provided in Paragraphs 3, 4 and 5 shall be secured by this Deed of Trust as advances made to protect the Property and shall be payable by Debtor to Secured Party, with interest at the rate specified in the note representing the primary Indebtedness, within thirty days following written demand for payment sent by Secured Party to Debtor by certified mail. Receipts for insurance premiums, taxes and repair or construction costs for which Secured Party has made payment shall serve as conclusive evidence thereof.

7. As additional security Debtor hereby assigns to Secured Party all rents accruing on the Property. Debtor shall have the right to collect and retain the rents as long as Debtor is not in default as provided in Paragraph 9. In the event of default, Secured Party in person, by an agent or by a judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and collect the rents. All rents so collected shall be applied first to the costs of managing the Property and collecting the rents, including fees for a receiver and an attorney, commissions to rental agents, repairs and other necessary related expenses and then to payments on the Indebtedness.

8. If all or any part of the Property, or an interest therein, is sold or transferred by Debtor, excluding (a) the creation of a lien subordinate to this Deed of Trust, (b) a transfer by devise, by descent or by operation of law upon the death of a joint owner or (c) the grant of a leasehold interest of three years or less not containing an option to purchase, Secured Party may declare all the Indebtedness to be immediately due and payable. Secured Party shall be deemed to have waived such option to accelerate if, prior or subsequent to the sale or transfer, Secured Party and Debtor's successor in interest reach agreement in writing that the credit of such successor in interest is satisfactory to Secured Party and that the successor in interest will assume the Indebtedness so as to become personally liable for the payment thereof. Upon Debtor's successor in interest executing a written assumption agreement accepted in writing

by Secured Party, Secured Party shall release Debtor from all obligations under the Deed of Trust and the Indebtedness.

If the conditions resulting in a waiver of the option to accelerate are not satisfied, and if Secured Party elects not to exercise such option, then any extension or modification of the terms of repayment from time to time by Secured Party shall not operate to release Debtor or Debtor's successor in interest from any liability imposed by this Deed of Trust or by the Indebtedness.

If Secured Party elects to exercise the option to accelerate, Secured Party shall send Debtor notice of acceleration by certified mail. Such notice shall provide a period of thirty days from the date of mailing within which Debtor may pay the Indebtedness in full. If Debtor fails to pay such Indebtedness prior to the expiration of thirty days, Secured party may, without further notice to Debtor, invoke any remedies set forth in this Deed of Trust.

9. Debtor shall be in default under the provisions of this Deed of Trust if Debtor (a) shall fail to comply with any of Debtor's covenants or obligations contained herein, (b) shall fail to pay any of the Indebtedness secured hereby, or any Installment thereof or interest thereon, as such Indebtedness, installment or interest shall be due by contractual agreement or by acceleration, (c) shall become bankrupt or insolvent or be placed in receivership, (d) shall, if a corporation, a partnership or an unincorporated association, be dissolved voluntarily or involuntarily, or (e) if Secured Party in good faith deems itself insecure and its prospect of repayment seriously impaired.

10. Secured Party may at any time, without giving formal notice to the original or any successor Trustee, or to Debtor, and without regard to the willingness or inability of any such Trustee to execute this trust, appoint another person or succession of persons to act as Trustee, and such appointee in the execution of this trust shall have all the powers vested in and obligations imposed upon Trustee. Should Secured Party be a corporation or an unincorporated association, then any officer thereof may make such appointment.

11. Each privilege, option or remedy provided in this Deed of Trust to Secured Party is distinct from every other privilege, option or remedy contained herein or afforded by law or equity, and may be exercised independently, concurrently, cumulatively or successively by Secured Party or by any other owner or holder of the Indebtedness. Forbearance by Secured Party in exercising any privilege, option or remedy after the right to do so has accrued shall not constitute a waiver of Secured Party's right to exercise such privilege, option or remedy in event of any subsequent accrual.

12. The words "Debtor" or "Secured Party" shall each embrace one individual, two or more individuals, a corporation, a partnership or an unincorporated association, depending on the recital herein of the parties to this Deed of Trust. The covenants herein contained shall bind, and the benefits herein provided shall inure to, the respective legal or personal representatives, successors or assigns of the parties hereto subject to the provisions of Paragraph 8. If there be more than one Debtor, then Debtor's obligations shall be joint and several. Whenever in this Deed of Trust the context so requires, the singular shall include the plural and the plural the singular. Notices required herein from Secured Party to Debtor shall be sent to the address of Debtor shown in this Deed of Trust.

IN WITNESS WHEREOF, Debtor has executed this Deed of Trust on the **26th** day of **March, 2020**.

OWNER'S POLICY OF TITLE INSURANCE

Issued by

Chicago Title Insurance Company

Any notice of claim and any other notice or statement in writing required to be given the Company under this Policy must be given to the Company at the address shown in Section 18 of the Conditions.

COVERED RISKS

SUBJECT TO THE EXCLUSIONS FROM COVERAGE, THE EXCEPTIONS FROM COVERAGE CONTAINED IN SCHEDULE B, AND THE CONDITIONS, CHICAGO TITLE INSURANCE COMPANY, a Nebraska corporation (the "Company") insures, as of Date of Policy and, to the extent stated in Covered Risks 9 and 10, after Date of Policy, against loss or damage, not exceeding the Amount of Insurance, sustained or incurred by the Insured by reason of:

1. Title being vested other than as stated in Schedule A.
2. Any defect in or lien or encumbrance on the Title. This Covered Risk includes but is not limited to insurance against loss from
 - (a) A defect in the Title caused by
 - (i) forgery, fraud, undue influence, duress, incompetency, incapacity, or impersonation;
 - (ii) failure of any person or Entity to have authorized a transfer or conveyance;
 - (iii) a document affecting Title not properly created, executed, witnessed, sealed, acknowledged, notarized, or delivered;
 - (iv) failure to perform those acts necessary to create a document by electronic means authorized by law;
 - (v) a document executed under a falsified, expired, or otherwise invalid power of attorney;
 - (vi) a document not properly filed, recorded, or indexed in the Public Records including failure to perform those acts by electronic means authorized by law; or
 - (vii) a defective judicial or administrative proceeding.
 - (b) The lien of real estate taxes or assessments imposed on the Title by a governmental authority due or payable, but unpaid.
 - (c) Any encroachment, encumbrance, violation, variation, or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the Land. The term "encroachment" includes encroachments of existing improvements located on the Land onto adjoining land, and encroachments onto the Land of existing improvements located on adjoining land.
3. Unmarketable Title.
4. No right of access to and from the Land.
5. The violation or enforcement of any law, ordinance, permit, or governmental regulation (including those relating to building and zoning) restricting, regulating, prohibiting, or relating to
 - (a) the occupancy, use, or enjoyment of the Land;
 - (b) the character, dimensions, or location of any improvement erected on the Land;
 - (c) the subdivision of land; or
 - (d) environmental protection
 if a notice, describing any part of the Land, is recorded in the Public Records setting forth the violation or intention to enforce, but only to the extent of the violation or enforcement referred to in that notice.
6. An enforcement action based on the exercise of a governmental police power not covered by Covered Risk 5 if a notice of the enforcement action, describing any part of the Land, is recorded in the Public Records, but only to the extent of the enforcement referred to in that notice.
7. The exercise of the rights of eminent domain if a notice of the exercise, describing any part of the Land, is recorded in the Public Records.
8. Any taking by a governmental body that has occurred and is binding on the rights of a purchaser for value without knowledge.
9. Title being vested other than as stated Schedule A or being defective
 - (a) as a result of the avoidance in whole or in part, or from a court order providing an alternative remedy, of a transfer of all or any part of the title to or any interest in the Land occurring prior to the transaction vesting Title as shown in Schedule A because that prior transfer constituted a fraudulent or preferential transfer under federal bankruptcy, state insolvency, or similar creditors' rights laws; or
 - (b) because the instrument of transfer vesting Title as shown in Schedule A constitutes a preferential transfer under federal bankruptcy, state insolvency, or similar creditors' rights laws by reason of the failure of its recording in the Public Records
 - (i) to be timely, or
 - (ii) to impart notice of its existence to a purchaser for value or to a judgment or lien creditor.

10. Any defect in or lien or encumbrance on the Title or other matter included in Covered R's 1 through 9 that has been created or attached or has been filed or recorded in the Public Records subsequent to Date of Policy and prior to the recording of the deed or other instrument of transfer in the Public Records that vests Title as shown in Schedule A.

The Company will also pay the costs, attorneys' fees, and expenses incurred in defense of any matter insured against by this Policy, but only to the extent provided in the Conditions.

IN WITNESS WHEREOF, CHICAGO TITLE INSURANCE COMPANY has caused this policy to be signed and sealed by its duly authorized officers.

EXCLUSIONS FROM COVERAGE

The following matters are expressly excluded from the coverage of this policy, and the Company will not pay loss or damage, costs, attorneys' fees, or expenses that arise by reason of:

1. (a) Any law, ordinance, permit, or governmental regulation (including those relating to building and zoning) restricting, regulating, prohibiting, or relating to
 - (i) the occupancy, use, or enjoyment of the Land;
 - (ii) the character, dimensions or location of any improvement erected on the Land;
 - (iii) the subdivision of land; or
 - (iv) environmental protection;
 or the effect of any violation of these laws, ordinances, or governmental regulations. This Exclusion 1(a) does not modify or limit the coverage provided under Covered Risk 5.
- (b) Any governmental police power. This Exclusion 1(b) does not modify or limit the coverage provided under Covered Risk 6.
2. Rights of eminent domain. This Exclusion does not modify or limit the coverage provided under Covered Risk 7 or 8.
3. Defects, liens, encumbrances, adverse claims, or other matters:
 - (a) created, suffered, assumed, or agreed to by the Insured Claimant;
 - (b) not Known to the Company, not recorded in the Public Records at Date of Policy, but Known to the Insured Claimant and not disclosed in writing to the Company by the Insured Claimant prior to the date the Insured Claimant became an Insured under this policy;
 - (c) resulting in no loss or damage to the Insured Claimant;
 - (d) attaching or created subsequent to Date of Policy (however, this does not modify or limit the coverage provided under Covered Risk 9 and 10); or
 - (e) resulting in loss or damage that would not have been sustained if the Insured Claimant had paid value for the Title.
4. Any claim, by reason of the operation of federal bankruptcy, state insolvency, or similar creditors' rights laws, that the transaction vesting the Title as shown in Schedule A, is
 - (a) a fraudulent conveyance or fraudulent transfer; or
 - (b) a preferential transfer for any reason not stated in Covered Risk 9 of this policy.
5. Any lien on the Title for real estate taxes or assessments imposed by governmental authority and created or attaching between Date of Policy and the date of recording of the deed or other instrument of transfer in the Public Records that vests Title as shown in Schedule A.

CONDITIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

- (a) "Amount of Insurance": The amount stated in Schedule A, as may be increased or decreased by endorsement to this policy, increased by Section 8(b), or decreased by Sections 10 and 11 of these Conditions.
- (b) "Date of Policy": The date designated as "Date of Policy" in Schedule A.
- (c) "Entity": A corporation, partnership, trust, limited liability company, or other similar legal entity.
- (d) "Insured": The Insured named in Schedule A.
 - (i) The term "Insured" also includes
 - (A) successors to the Title of the Insured by operation of law as distinguished from purchase, including heirs, devisees, survivors, personal representatives, or next of kin;
 - (B) successors to an Insured by dissolution, merger, consolidation, distribution, or reorganization;
 - (C) successors to an Insured by its conversion to another kind of Entity;
 - (D) a grantee of an Insured under a deed delivered without payment of actual valuable consideration conveying the Title
 - (1) if the stock, shares, memberships, or other equity interests of the grantee are wholly-owned by the named Insured,
 - (2) if the grantee wholly owns the named Insured,
 - (3) if the grantee is wholly-owned by an affiliated Entity of the named Insured, provided the affiliated Entity and the named Insured are both wholly-owned by the same person or Entity, or
 - (4) if the grantee is a trustee or beneficiary of a trust created by a written instrument established by the Insured named in Schedule A for estate planning purposes.

(ii) With regard to (A), (B), (C), and (D) reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor Insured.

(e) "Insured Claimant": An Insured claiming loss or damage.

(f) "Knowledge" or "Known": Actual knowledge, not constructive knowledge or notice that may be imputed to an Insured by reason of the Public Records or any other records that impart constructive notice of matters affecting the Title.

(g) "Land": The land described in Schedule A, and affixed improvements that by law constitute real property. The term "Land" does not include any property beyond the lines of the area described in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

(h) "Mortgage": Mortgage, deed of trust, trust deed, or other security instrument, including one evidenced by electronic means authorized by law.

(i) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. With respect to Covered Risk 5(d), "Public Records" shall also include environmental protection liens filed in the records of the clerk of the United States District Court for the district where the Land is located.

(j) "Title": The estate or interest described in Schedule A.

(k) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or lender on the Title to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE

The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.

(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and

any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance.

To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay.

Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to make the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.

(i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or

(ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were

IN CASES OF MULTIPLE APPLICANTS, PLEASE IDENTIFY THE PERSON WHO WILL BE ACTING AS YOUR SPOKES

PERSON/AGENT FOR YOU:

1. Demonstrate that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district. (i.e., What is special about your property that you need to request a variance?)

When our property was constructed, the home was built at a higher elevation than the surrounding ground, which creates the lack of privacy afforded by a 6' privacy fence due to the 2' difference in elevation from the structure to the property line. When we purchased our home, the existing 6' fence allowed a clear view into our rear neighbors' two windows, as well as their unobstructed view into our living room and bedroom windows. In addition to that, due to the location in respect to the corner of Barbara Drive and Warren Drive, we also experienced headlights shining into our bedroom window at night even with the pre-existing 6' privacy fence any time someone turned onto Warren Drive from Barbara Drive. Also, an unobstructed view of our bedroom window could be seen from the corner of Barbara Drive and Warren Drive. Since Hurricane Zeta destroyed the majority of our pre-existing 6' privacy fence, we desire to construct a privacy fence that actually affords our home privacy. Also, due to the large water oak in our backyard, observing the required setbacks for a shed would be highly problematic. There are only fifty-one (51) feet from the property line to the tree, so with the required 25' setback, that would only allow 6' of space to maneuver lawn equipment and other items into the shed via a ramp at the left-hand side of the garage. On the other side of the tree, there are only thirty (30) feet of space between the property line and the tree, which would only allow two (2) feet of space to access the garage, given the 8' setback from the rear and side. Since the water oak provides shade to our home and is a healthy tree, we would prefer to not remove the tree just to accommodate a shed.

2. Demonstrate that the special conditions and circumstances do not result from the actions of the applicant. (i.e., Show that you did not cause the need for the variance.)

The structure was built in 2005 or thereabouts. We purchased the home in 2019 as it exists. No changes have been made by us to alter the surrounding ground or elevation of the home. The difference in elevation was determined by the lot location, run-off, and other factors determined by the contractor at the time of construction. The water oak that is in the middle of our yard has been growing for a number of years, long before we purchased the home a 18 months ago.

3. Demonstrate that an unnecessary hardship is created by the physical character of the property and is peculiar and unusual to such an extent that it is evidence that amendment of the zoning ordinance does not offer a reasonable solution. (i.e., Explain what your hardship is and why the property cannot comply with the zoning ordinance. Further, explain why this hardship is not commonly found on other properties?)

The reasons for our request for the fence variance are the desire for privacy and to buffer the traffic sounds and lights from vehicles turning onto Warren Drive. Most homes are afforded full privacy by a 6' privacy fence; however, this is not the case with our home. As previously described, even with a 6' privacy fence, the difference in elevation from the structure to the property line allows for an unobstructed view of our bedroom window from the street corner, allows an unobstructed view of our bedroom and living room windows from our rear neighbors' home, and allows headlights to shine into our bedroom window at night as vehicles turn onto the adjacent street. Although the ordinance does allow for a fence higher than 6', the additional 2' are required to be 50% transparent; this requirement would only afford us 50% privacy. As for the shed, I have previously described that there is a large water oak growing in the middle of the yard which is directly at odds with the functionality of the shed if we observed the required twenty-five (25) foot frontage setback from the property line or if we observed the eight (8) foot rear and side setbacks. Either way, the functionality of the shed would be limited at best.

4. Demonstrate how the literal interpretation of the provisions of the zoning ordinance would deprive the applicant of rights commonly enjoyed by properties in the same district under the terms of the zoning ordinance. (i.e., Explain how the request meets the right of reasonable economic return and/or the right to reasonable development of your property which might generally be expected in your district.)

Our fence request meets the right to reasonable development of our property, as we are not requesting anything more than the expectation of privacy given to every homeowner. Per the ordinance, a residential fence must not be higher than six (6) feet above grade except where required to be higher by city ordinance. However, a decorative topping of no less than fifty (50) percent transparency may be allowed but must not exceed eight (8) feet above grade. As previously explained, this requirement would afford us only 50% privacy. Thus, we request this variance. As for the shed, our request is only that we be allowed to place the shed on a portion of our property that would grant us full access and enjoyment of use of the shed, while also making sure that it is not obstructive or obtrusive to anyone else in our subdivision.

5. Demonstrate that the granting of the variance will not confer on the applicant any special privilege that is denied by this ordinance to other lands, structures, or buildings in the same district, other than to permit the applicant to use their property in a manner as nearly equivalent to uses generally permitted in the district considering the conditions and circumstances involved and hardship. (i.e., Will you receive any special benefit that others who follow the Zoning Ordinance cannot receive?)

When any homeowner constructs a privacy fence, they do so to afford their property privacy. In our specific case, a 6' privacy fence does not confer the same amount of privacy afforded by the same fence on a level piece of property. We are only requesting that we be given the same expectation of privacy that most homeowners enjoy from a privacy-fenced yard. Many homeowners choose to purchase a shed for additional storage; in fact, there are two that can be seen from our backyard alone. So in this instance, we are not requesting anything beyond the reasonable consideration of our property's limitations in placement.

6. State whether the use proposed is permissible by right, with planning approval or by special exception with respect to uses of land or structures.

The construction of a privacy fence or placement of a shed is typically a right granted to anyone who goes through the proper permit application process and who has rights to the property said fence or shed would be constructed on. With planning approval of the variance request, we are only requesting this same right be granted to us. This is not a special exception to the use of our land; it is only a request for consideration of the nature of the land and the challenges those features create.

1. Safety in regard to the subject property, adjacent properties, ingress and egress, streets, alleyways, and water bodies

The fence should have no negative impacts on safety. The fence would be well out of the line of sight when navigating traffic or backing out of the adjacent driveway. The fence will not impede any vision of oncoming traffic from the stop sign at the corner of Dawn Cove and Warren Drive. There are no alleyways or water bodies that would be impacted.

2. Visual impact on adjacent properties, streets, alleyways, and water bodies

The visual impact of our fence would be very little different than a regular 6' privacy fence, except that ours would be 2' taller between our neighbors at the highest point and only 1'-1 ½' taller facing the side road of Warren Drive. The impact to our neighbors is greater privacy, so that we cannot see into their yards and they cannot see into ours. The impact to the street view is hardly noticeable from the road. Please see attached photos. There are no alleyways or water bodies that would be impacted.

3. Design in relation to other structures on the same lot, adjacent properties, and the neighborhood

The design of the privacy fence is similar in style to all other fences in our neighborhood, except that ours does not follow the rise and fall of the ground below. We believe that our fence design will look better because of this, and many of our neighbors have complimented the appearance of the fence on the sections we had completed before we were made aware of the violation of the ordinance.

4. Impact on ingress and egress, if applicable

There is no impact on ingress or egress. Our fence would end more than fourteen (14) feet from the back of the curb, giving plenty of space for drivers in the adjacent driveway to look for oncoming traffic and back out safely. Also, there will be an eleven (11) foot gate giving access to the side yard off of Warren Drive, as well as a five (5) foot gate at the right side of the home facing Dawn Cove and a three (3) foot gate at the left side of the home facing Dawn Cove.

5. Screening, buffering or separation of any nuisance or hazardous feature

The privacy fence that we desire to construct would better screen our home from surrounding homes, offer greater privacy, and also buffer our home from traffic noise and headlights at night from vehicles turning onto Warren Drive from Barbara Drive.

6. Compatibility with adjacent properties

We did speak with both of our adjacent neighbors whose properties abut ours before considering the design of our fence, since it would also impact their homes. Neither neighbor was opposed to the fence design or proposed height. From our back yard, you can see privacy fences surrounding every home except one who has not yet re-built his fence after Hurricane Zeta. Therefore, we are keeping in line with other homes in our subdivision.

The site plan shows a property divided into several lots and a central building complex. The lots are numbered 17, 18, 19, 20, 21, and 22. The central building complex is shaded and contains several smaller rectangular areas, some of which are labeled with dimensions. The plan also includes street names: Dawn Cv and Warren Dr. Dimensions for lot areas and building footprints are provided in feet and inches.

Lot Dimensions and Areas:

- Lot 17:** 38.5 (area), 7' 8" height, 81' 7" length, 7' 6" height, 68' 5" length, 7' height, 105.7 (area).

Utility

GARAGE

The Garage is the most adaptable of our Cook building designs. The adaptability of this shed satisfies a variety of unique storage needs. The heavy duty floor ensures the building can hold anything from large vehicles to boxes of stuff.

Available Sizes: 12x20 • 12x24 • 12x28 • 12x32

Standard Dimensions / Specifications

- The peak of the building is approximately 11' 6".
- The interior sidewall height is 7' 8".
- Includes a heavy duty floor system. (12" on center joists, 3/4" plywood decking)
- Includes a single 48" door with a 46" opening.
- Includes a 8' x 6' 6" metal garage door.
- Includes one 24" x 36" insulated vinyl window.
- Only available in a 12' wide building (measured eave to eave).

HANDYMAN

The Handyman provides enough room for anyone to convert this building into a work space. With two separate doors and a partition wall, you can use this adaptable shed for two different purposes. It also comes with two workbenches, so this serious building is the place to get work done.

Available Sizes: 12x24 • 12x28 • 12x32

Standard Dimensions / Specifications

- Includes 68" double doors and a 36" single door.
- Includes two 24"x36" insulated vinyl windows with shutters.
- Includes a partition wall and two workbenches.
- The peak of the building is about 11' 6".
- This building is available in two styles: the Lofted Barn style Handyman and the Lofted Utility style Handyman.
- The interior sidewall height of a Lofted Barn style Handyman is 6'3".
- The interior sidewall height of a Lofted Utility style Handyman is 7'8".

GENERAL AFFIDAVIT

STATE OF Mississippi

COUNTY OF Harrison

PERSONALLY came and appeared before me, the undersigned Notary, the within named Jason and Deidre Bunn, who is a resident of Harrison County, State of Mississippi, and makes this his/her statement and General Affidavit upon oath and affirmation of belief and personal knowledge that the following matters, facts and things set forth are true and correct to the best of his/her knowledge:

We, Jason and Deidre Bunn, do hereby declare that our request for approval of a fence variance is not in violation of any restrictive or protective covenants. We make this claim due to the fact that we did not receive a copy and were never made aware of any covenants while purchasing our home. We also make this claim due to the fact that there are several other homes in our subdivision who also have eight (8) foot fences. Therefore, we have no knowledge or any reason to believe that there are any covenants concerning the construction of a fence on our property.

Re: Appeal of Resubdivision Hearing of May 14, 2021 for 601 Allendale Avenue-
Gulfport, MS. 39501

To Whom It May Concern:

As of the denial and hearing on the above division of above referenced property in West Gulfport, this is information for my appeal of that decision:

1. Secretary of State Mississippi- Michael Watson- Hidden Treasures of MS LLC document show Brenda Robertson, 100% Manager-Owner.
2. Elevation Certificate of 601 Allendale Avenue, Gulfport, Ms. 39501.
3. Plat from 1926 showing all lots on East and West side of Allendale Avenue (being 50 foot widths along Allendale and various depths and shapes especially along Railroad.) As is shown on Plat 601 Allendale was originally Lot 3 and Lot 4 of the Allendale Addition.
4. Current aerial view of Allendale Avenue with vacant lots and houses previously built before Hurricane Katrina and houses built in the last 3 to 4 years. As is evident by aerial view 610 and 612 Allendale Avenue are built on 50 foot wide lots. The width of the two lots totaling a width of 100 feet and are directly across the 100 foot lot I am requesting to divide into 2 (50 foot) lots.
5. The houses located at 610 Allendale Avenue, carport/camper building and the small short term rental were permitted by the City for 610 Allendale Avenue. As is evident the newly built houses at both 612 and 614 Allendale do not have a carport or garage.

6. The Area Map for Allendale Avenue show all lots in the area that are true 50 foot lots and those that are not but have homes or the potential to have homes that can be built on and not be 60 foot width on given street. They also would be in the West Gulfport area and ruled by the Smart Code. An example of this is the lots at 610 and 612 Rich Avenue. They have a 37.5 foot width and 118.15 foot depth. A house plan could be submitted that would meet all Smart Code rules for setbacks and parking.
7. Included in this package is a Plat Showing Survey for 601 Allendale, Lots 3 and 4, Block 1. There is a separate Plat Showing Plot Plan and Survey with Site Plan and Drainage for each of Lots (3 and 4), Block 1 Allendale Addition. The site plans do show a garage.
8. Based on the attached information from the Harrison County Tax Accessor's office the City has a potential of losing approximately anywhere from \$2700.00 to \$5600.00 a year in taxes. Not only taxes but also a potential lose of sales tax for food, businesses, and insurance to local companies, entertainment, or just cost of living on Mississippi Gulf Coast.
9. Warranty Deed for 601 Allendale Ave, Gulfport, Ms. 39501.
10. A question was asked in the May 14th meeting, "I believe you own 615 Allendale?" What difference does that make? What if I didn't own it? The City would still be losing as stated in Item 8, revenue from \$2 700.00 to \$5600.00 a year. Each lot should stand on its own. As a builder, I purchased said lot with the prospect of dividing 601 Allendale back to the original lot size as was platted in 1926. This is also in conformity with all the lots on Allendale and especially the new homes built directly across the street.
11. A copy of the house plans for building on Lots 3 and 4. One house will have the look of "A" and the other "C" on the front. Front "B"

Subject: [BULK] Appeal Warrant 2106SC089 Brenda Robertson

Caution! This message was sent from outside of the City of Gulfport email system. Be careful where you click.

Regarding the appeal submitted by Brenda Robertson to divide her 100' wide lot on Allendale, I have no issue with the City of Gulfport allowing her this request and building homes on those newly divided parcels. As she states in her appeal, all of the other lots on that block of Allendale Ave. are the same width as she is requesting and have homes on them. I always expected that there would be homes on those lots anyway. My address in Gulfport is 5102 Finley St. with the additional 30' drive to Allendale. I am the sole property owner along the southern 150' boundary of the lot in question and would fully support your decision allowing her to divide the existing double lot as requested and build homes on them that meet all of the additional building ordinances that are in place for Gulfport.

I am willing to speak with you at any time regarding this subject. I reside in Birmingham, AL so please contact me by phone or e-mail if necessary.

Thank you,

Jason Garcia
