2nd Floor**

Agenda Order – Confirmation or adjustment of the agenda order.

- 1.** Resolution of the City of Gulfport, Mississippi requesting the Department of Finance and Administration to adopt a resolution to declare the necessity for the issuance of state general obligation bonds.
- 2.** Legal Notice - Advertisement for Statement of Qualifications from qualified individuals and firms for Health Insurance Broker Services for the City of Gulfport.
- 3.** Resolution - adopting the budget for fiscal year 2015-2016.

Setting of Next Meeting and Adjournment

Memorandum

To: Mayor Billy Hewes and
Gulfport City Council

From: Margaret Murdock, Assistant Attorney
Administration

Date: 09/10/2015

Subject: Resolution of the City of Gulfport, Mississippi requesting the Department of Finance and Administration to adopt a resolution to declare the necessity for the issuance of state general obligation bonds.

Recommendation:

There came on for consideration at a duly constituted meeting of the Mayor and Members of the City Council of the City of Gulfport, Mississippi, held on the _____ day of _____, 2015, the following Resolution:

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GULFPORT,
MISSISSIPPI REQUESTING THE DEPARTMENT OF FINANCE AND
ADMINISTRATION TO ADOPT A RESOLUTION TO DECLARE THE NECESSITY
FOR THE
ISSUANCE OF STATE GENERAL OBLIGATION BONDS**

WHEREAS, the City of Gulfport has undertaken a project to construct, furnish and equip an aquarium facility in the City of Gulfport. Included in this project is the acquisition of land for the facility and infrastructure related to the facility in the City of Gulfport; and,

WHEREAS, with an anticipated completion date in December, 2018, the City of Gulfport is in need of funds to assist the City of Gulfport, Mississippi, with the construction, furnishing and equipping of an aquarium facility in the City of Gulfport, Mississippi, land acquisition for such facility, and infrastructure related to such facility; and,

WHEREAS, during the regular session of the 2015 Legislature, Senate Bill 2906 was approved and sent to the Governor; and,

WHEREAS, within Senate Bill 2906, which authorizes the issuance of State General Obligation Funds, there is a provision to authorize the issuance of Twelve Million, Five Hundred Thousand Dollars (\$12,500,000.00) in State General Obligation Bonds to provide funds to assist the City of Gulfport, Mississippi in paying costs associated with the construction, furnishing and equipping of an aquarium facility in the City of Gulfport, Mississippi, land acquisition for such facility, and infrastructure related to such facility; and,

WHEREAS, the City of Gulfport, Mississippi, by and thru its governing authority, has determined that it is now necessary to request that these bonds be issued and the proceeds thereof be distributed to the City of Gulfport, Mississippi.

NOW THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF GULFPORT, MISSISSIPPI, AS FOLLOWS, TO WIT:

Section 1. That the matters, facts and things recited in the Preamble hereto are hereby adopted as the official findings of the Governing Authority.

Section 2. That pursuant to Senate Bill 2906 of the 2015 Mississippi Regular Legislative Session, the Department of Finance and Administration adopt a resolution to be presented to the State Bond Commission declaring the necessity for the issuance of Twelve Million, Five Hundred Thousand Dollars (\$12,500,000.00) in General Obligation Bonds for the City of Gulfport to assist in paying the costs of the construction, furnishing and equipping of an aquarium facility in the City of Gulfport, Mississippi, land acquisition for such facility, and infrastructure related to such facility during the fall issue of bonds.

Section 3. That the purpose of these bonds is to assist the City of Gulfport in the payment for the costs incurred for the construction, furnishing and equipping of an aquarium facility in the City of Gulfport, Mississippi, land acquisition for such facility, and infrastructure related to such facility.

Section 4. That the Mayor of the City of Gulfport, Mississippi is hereby authorized to represent the City in all dealings with the Department of Finance and Administration and/or the State Bond Commission and to assist in the issuance of these bonds in any manner which is required.

Section 4. That this Resolution be, and it is hereby, ordered to be spread on the minutes of the governing Authority, and to be in full force and effect immediately upon its passage and enactment according to law.

The above and foregoing Resolution, after having been first reduced to writing and read by the Clerk, was introduced by _____, seconded by _____, and was adopted by the following roll call vote:

MAYOR

**Request for Qualifications
Health Insurance Broker
City of Gulfport, MS**

The City of Gulfport is requesting Statement of Qualifications from qualified individuals and firms for Health Insurance Broker Services. All interested individuals and firms should obtain a "Request for Qualification" from the Purchasing Department, 1410 24th Avenue, Hardy Bldg. 2nd Floor, Gulfport, MS 39501, between the hours of 8:00 am and 5:00 pm local time.

Delivery of RFQ – One (1) original, three (3) copies and one (1) digitally converted file (disc) copy shall be submitted in a sealed envelope, clearly identified as "RFP for City of Gulfport Health Insurance Broker Services" and delivered to the address listed below no later than 5:00 pm local time on October 15, 2015 after which time they will be delivered to the selection committee. Any proposal received after the time and date stated will be returned unopened.

Inquiries – all inquiries shall be in writing and directed to the following person. No questions or request for clarifications will be addressed within 7 days of the due date of the proposal.

Connie Debenport, CPPB
Procurement Department
Hardy Bldg., 1410 24th Avenue
Gulfport, MS 39501
cdebenport@gulfport-ms.gov

A selection committee will review each proposal based on grading criteria to be published in the RFP document and will assist the City's governing authority in evaluating the proposals and assessing the most qualified proposal. The governing authority retains the ultimate authority in making these determinations. The committee may develop a short list from which interviews will be scheduled and evaluations will be based in part on review of ONLY the data submitted in response to this request for proposal. Upon final selection and determination made by the City's governing authority, a written contract may be awarded to the individual/firm whose bid/proposal is determined by the governing authority to be the most qualified and/or the lowest and best.

The governing authority will consider terms and conditions and factors relating to price, financial responsibility, technology, legal responsibilities as well as a bidder's or proposer's "responsibility" concerning matters that relate to the prompt and efficient performance of the contract, including the bidder's or proposer's honesty and integrity, skill and business judgment, experience and capability of performing the contract, conduct under previous contracts, and the quality of previous work, and a bidder's or proposer's customer satisfaction in prior or other contracts or projects, stability and solvency, and management experience in similar contracts, and any oral interviews with the review committee. The governing authority may consider any of the factors referenced herein in awarding the contract.

Proposals may be held by the City of Gulfport, Mississippi, for a period not to exceed sixty (60) days from the date of receipt of proposal.

The City reserves the right to reject any and all proposals or to waive any informality. The City of Gulfport is an equal opportunity employer.

Publish in the Legal Section on: 09-16-15 & 09-23-15

There came on for consideration at a duly constituted meeting of the Mayor and Members of the City Council of the City of Gulfport, Mississippi, held on the ____ day of September, 2015, the following Resolution:

**A RESOLUTION BY THE GULFPORT CITY COUNCIL APPROVING AND
ADOPTING THE BUDGET AS FINALLY DETERMINED BY
THE CITY GOVERNING AUTHORITY**

WHEREAS, the City of Gulfport, as a municipal corporation in the State of Mississippi, is required to operate on a fiscal year basis beginning October first and ending September thirtieth each year; and

WHEREAS, the Governing Authority of the City is also required by no later than September 15 of each year to prepare a complete budget of the municipal revenues, expenses, and working cash balances estimated for the next fiscal year for municipal purposes; and

WHEREAS, the Governing Authority, having first held at least one public hearing to provide the general public with an opportunity to comment on the taxing and spending plan incorporated in the proposed budget at least one (1) week prior hereto, does hereby find that the proposed budget as amended and attached hereto should be adopted, as finally determined hereby, as the budget for the City of Gulfport for the fiscal year of October 1, 2015, to September 30, 2016, and entered at length and in detail in the official minutes.

**NOW THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY
COUNCIL OF THE CITY OF GULFPORT, MISSISSIPPI, AS FOLLOWS, TO
WIT:**

Section 1. That the matters, facts and things recited in the Preamble hereto are hereby adopted as the official findings of the Governing Authority.

Section 2. That the proposed budget as amended and prepared and attached hereto should be, and hereby is, adopted as the budget for the City of Gulfport, as finally determined hereby, for the fiscal year of October 1, 2015, to September 30, 2016, and should further be entered at length and in detail in the official minutes.

Section 3. That this Resolution be, and it is hereby ordered to be spread on the minutes of the Governing Authority, and to be in full force and effect as provided by law.

The above and foregoing Resolution, after having been first reduced to writing and ready by the Clerk, was introduced by Councilmember _____, seconded by Councilmember _____, and was adopted by the following roll call vote:

Introduction

The Comptroller is pleased to submit the proposed budget for fiscal year ending September 30, 2016. An executive summary has been prepared in a manner that will assist the reader in understanding the overall financial issues of the City, identify material changes in the City's resources (revenues and cash), identify how funds will be spent as compared to the prior year (expenses), and communicate currently known facts or conditions that are expected to have a major impact on the financial position and operations of the City during the upcoming and perhaps subsequent years.

Even though it has been ten years since Katrina, the City is still working towards recovering resources expended on not only Hurricanes Katrina, but also Gustav and Isaac. The national, state, and local economies are slowly recovering from one of the worst recessions recorded in many decades along with the impact felt by the worst man-made disaster recorded in history with the British Petroleum oil spill. Employment is one critical component of the economic development of an area. Per the Bureau of Labor Statistics¹, in the last ten years, using April as the benchmark, 2008 was the highest year of employment at 162.6 thousand for nonfarm workers in the Gulfport-Biloxi-Pascagoula area. In comparison, for April, 2015, 153.3 thousand were employed. This represents a 5.7% decrease in employment since 2008 and for the twelve months (April 2014 to April 2015) there was a negative 1.5% decrease in employment. The City will continue to be faced with the challenge to meet the needs of its citizens for some time.

The overall financial condition of the City can be best described as "Steady Growth." The cost of insurance and insurability issues continue to create challenges for homeowners, local businesses, and investors. Unemployment continues to remain high, but consumer confidence is slowly improving as indicated by increased sales tax revenue starting in 2012 and continuing through current times.

Please note revised amounts for the General Fund and Utility Fund are reflected on their respective fund reports including notes to changes made.

Proposed Budget Calendar for 2016 Budget Adoption

- ✓ August 18th and August 25nd - Advertisement for notice of tax levy and public hearing.
- ✓ September 1nd – Public Hearing and Tax Levy Adoption
- ✓ September 15th – Final Adoption of Budget, September 8th Tax Levy Adoption

Note: The Administration does not support a tax increase. However, if the City Council chooses to consider this, a final determination must be made as to a tax increase no later than August 16th in order to meet legal advertisement requirements and deadlines.

Major Issues, Challenges, and Considerations for the 2016 budget

The purpose of this section is to identify issues and challenges which were considered in the formulation of this budget. Solutions to these issues will be presented in a subsequent section of this report.

1. General Fund Operating Surplus –

The most recent completed audit for the City's 2014 fiscal year revealed that the City's General Fund operated in the "black" with revenues at \$54.8 million and expenditures at \$54.6 million. It is expected for the current 2015 fiscal year, the City will operate at a very slight surplus. Carrying the surplus over into the 2016 year, the Administration feels the City's outlook is beginning to reflect a more positive outcome. The Administration is of the opinion that additional budget reductions over what is being proposed would negatively impact essential services being provided to our citizens; therefore, much effort needs to be channeled towards increasing the City's revenue stream through economic development activities while creating and maintaining efficiencies within the City's operations to further reduce expenditures.

2. Declining Grant Revenue –

The City is looking to outsource grant writing to increase exposure to various types of grants. This outsourcing may be a revenue share with the outsourced company and no cost to the City if grants are not obtained.

3. Economic Development –

Continued effort in the area of economic development will be a must as businesses compete between local jurisdictions for competitive incentive packages before choosing their location for doing business. The City must continue to review and revise its zoning, architectural and construction standards, and business incentive packages in order to attract new businesses. Steps already taken by the City to address this include: Tax incentive programs in designated areas, city beautification (landscaping, facade grants, streetscapes), and a more developer friendly code department. The City hired an Economic Development Director in FYE 2014 which will greatly improve the City's opportunities for development.

4. Asset / Infrastructure Deterioration –

The City's book value of its capital assets totaled \$555.0 million for the most recent audited year with infrastructure totaling \$366.6 million or 66% of this amount. Capital assets include the following: Land, Buildings, Machinery, Equipment, Vehicles, and infrastructure, (i.e. roads, drainage systems, and water and sewer systems). Relating to this, the City's annual depreciation expense was \$13.5 million. These amounts are significant. In December, 2014 a bond was issued to assist in alleviating this replacement deficit. Fourteen million has been earmarked for water and sewer improvements, \$10 million for infrastructure and \$6 million for drainage and equipment. In addition, the City recently adopted a twelve year capital Water and Sewer Master Plan which will address some of the infrastructure needs. For FYE 2016, \$898,573 is budgeted for infrastructure improvements/replacements. However, the City does not have a policy in place regarding a perpetual asset lifecycle replacement program for all of its assets. Depreciation is an important and often underutilized tool in the financial planning process and should become a recurring expense item in future years' budgets to replace assets as their useful lives become expired.

The City's Engineer has identified \$270 million in needed infrastructure renovations and upgrades. Of this amount, \$100 million relates to streets and drainage improvements while the remaining \$170 million relates to water and sewer infrastructure improvements.

City needs for asset replacement/updates

- Technology Replacements and Upgrades –Technology has identified an immediate (FYE 2016) need to upgrade or replace approximately \$320,000 of hardware and software. All of this need cannot be met in this budget cycle.
- Machinery and Equipment Replacements -The Leisure Services Department is in need of approximately \$850,000 in funding for equipment replacements.
- Gulfport South Sewer Treatment Facility – It has been communicated to the City by the Harrison County Utility Authority that the Gulfport South Treatment Plant no longer meets EPA standards regarding sewer treatment and disposal. The cost of addressing this issue is expected to exceed \$20 million. Although this will not affect the current proposed budget, subsequent years' budgets will be impacted.

5. Court Fine Revenue –

Court fine revenue has been declining for several years. An outside collection agency was hired to collect the older more difficult fines and this has helped, but overall collection of fines has continued to decrease. Part of this issue may relate to the declining economy. Another effort to collect court fines may be to institute some fines to be "worked off" through the City's programs.

6. Extremely Low Cash Reserves –

Given the slight projected surplus, the City is projecting reserves for its General Fund for the current year ending September 30, 2015 to be at \$2 million. This is “extremely” low as compared to industry standards. It is recommended by the Government Finance Officers’ Association (GFOA) that Cities maintain in cash reserves at an amount that is equal to 15% of its operating budget. Given the City’s General Fund revenue budget of \$55.8 million, Gulfport’s cash reserves should be approximately \$8.4 million. The purpose of unobligated cash reserves is to: stabilize tax rates in the event of an economic downturn, cover short term funding gaps created from federal grants, and cover unforeseen emergencies. Without a doubt, all of these events have been experienced by Gulfport over the past several years; so, it would make perfect sense that cash reserves would be at low levels; however, the City has been able to increase the cash reserves the past three fiscal years and is proposing a budget that would again increase the cash reserves in FYE 2016.

7. Recovering Economy –

The current FYE 2015 General Fund’s revenue budget is \$55.1 million while the proposed FYE 2016 revenue budget is \$55.2 million; representing an increase of \$0.1 million. This flat growth in revenue is the result of a slowly recovering economy. A sustained economy with increasing revenues to the City could provide the City the ability to rebuild cash reserves and provide a greater level of services to citizens.

8. Employee Health Care Fund –

The City is mostly self-funded with regards to providing health care to its employees. In FYE 2015, employee claims appear to have leveled out compared to the previous year’s higher claims amount. The City also has implemented an employee wellness program which is expected to reduce future claims. However, premiums paid by retirees are not covering the claims made by those retirees in an amount in excess of \$935,000. Given the fact that the retiree base is getting older and more staff retire, it appears the City will be unable to cover the cost of retiree claims without some adjustment.

9. Claims Contingency Fund –

The City is partially self funded in the area of General Liability and Worker’s compensation claims. Typically, the City’s historical annual claims are near \$1.1 million. For the current 2015 year, the City expects to pay out claims and judgments consistent with prior years.

10. Water and Sewer Fund –

For the current 2015 year, expected revenues will be \$45.5 million with expenses at \$45.3 million based on a cash basis. For the upcoming 2016 year, revenues are budgeted at \$32.8 million with expenses at \$32.8 million while cash reserves are projected to be approximately \$800,000. It should be noted that FYE 2015 revenues included a \$14.0 million bond release.

The Local Economy

Annual Sales Tax History

Sales Tax revenue comprises approximately 37% of the City's total General fund revenue and is considered the most important indicator of how the local economy is performing. As evidenced by the above chart, the City experienced a significant boom in sales tax revenue post Hurricane Katrina with sales tax increasing from \$18.1 million in 2005 to \$26.6 million or 47% in 2006. It was anticipated that this level would not remain as most of this increase was due to our citizens and others replacing Katrina damaged assets such as homes, vehicles, personal belongings, etc. However, the years with dips in sales tax revenues are best explained by the national recession. The good news is that there has been a slight rise in sales tax revenues beginning in 2012 and continues today. Per the Gulf Coast Business Council Research Foundation's Mississippi Gulf Coast Economic Snapshot, February 6, 2015², the three-county Mississippi Gulf Coast has experienced a four month increase of 3.3% in sales tax base in addition to experiencing increases in 29 out of the last 35 months.

Due to Gulfport's sales tax revenue realized growth for the past few years, the projected increase in sales tax revenue budget for 2016 is estimated at a 1% increase over estimated FYE 15 sales tax revenue, to \$2.6 million, increasing sales tax revenue \$200,000.

² Gulf Coast Business Council, Mississippi Gulf Coast Economic Snapshot, February 6, 2015, www.msgcbc.org/docmsgcbc/homepage/GCBC%20EconSnapshot%202015_02.pdf

Staffing Summary Change Effects from the “Managed Attrition Program”

The table below compares the change in departmental employee counts in 2009 to the projected employee counts for 2016. Since 2009, the City has implemented what has been referred to as a “managed attrition program.” Under this program, as some employees left the City, they were not replaced. This resulted in related duties were absorbed within other jobs and or departments.

As a result of this program, the City was able to reduce its payroll budget by more than \$6 million and its FTE (Full Time Employee) count decreased by 112.5 or 15%; from 745.5 to 633 FTE’s. This has been the City’s single best tool in addressing the challenges outlined at the beginning of this report and balancing its ongoing revenues to expenses.

Staffing Comparison Chart 2009 vs. 2016				
Department	Number of Full Time Employees			
	Budgeted FTE 2009	Proposed FTE 2016	Change	% Change
Police ¹	282.5	219	-63.5	-22%
Fire	176	165	-11	-6%
Leisure Services	90	78	-12	-13%
Urban/Economic/Community Development	44	30	-14	-32%
General Administration ²	39	35.5	-3.5	-9%
Public Works and Engineering	39	38	-1	-3%
Judicial (Courts)	27	24	-3	-11%
Utility Billing and Collecting ^{2,3}	24	18.5	-5.5	-23%
Legal (City Attorney)	11.5	10	-1.5	-13%
Legislative	9	9	0	0%
Executive (Mayor)	3.5	4	0.5	14%
Total FTE Count	745.5	631	-114.5	-15%
¹ Five grant funded positions were eliminated due to lack of availability to fill positions.				
² A Capital Project Manager is expected to be split between general fund and water and sewer funds.				
³ The utility billing and collecting function was outsourced in 2009 and the City was paying for 24 FTE’s. This number was reduced to 18 when the City brought this back in-house on October 2011.				

Budget in Brief

Proposed Revised Summary of Revenues, Expenses, for Fiscal Year Ending September 30, 2016		
	Estimated FYE 2015 Actual	FYE 16 Revised Proposed Budget
Estimated Revenues:		
Property Taxes	\$ 23,685,200	\$ 24,113,878
Sales Tax	20,435,000	20,639,350
License/Permits/Franchise Fees	5,612,160	5,277,000
Gaming Fees	3,217,360	3,350,000
Grants (Federal, state & local)	30,436,181	24,436,982
Fines and Forfeitures	1,500,000	1,400,000
Intergovernmental	2,102,000	2,340,796
Charges for Services	34,959,400	36,334,432
Miscellaneous - includes Other Financing Sources	35,372,690	1,289,722
Total Estimated Revenues	\$ 157,319,991	\$ 119,182,160
Proposed Expenses:		
Capital Projects	\$ 61,006,684	\$ 15,576,176
Public Works/Water and Sewer	31,476,624	31,564,485

Urban, Community & Economic Dev	10,636,723	12,283,059
Total Proposed Expenses	\$ 163,836,605	\$ 121,284,485
Note: Does not include Self Insured Health Insurance Fund and Self Insurance Claims Fund		

Financial Overview

Debt Management

The City currently has \$100.7 million in “direct” outstanding debt consisting of \$38.5 million relating to debt being supported by property taxes for purposes of maintaining and upgrading streets, bridges, drainage systems, and parks; while, \$62.3 million is related to water and sewer infrastructure expansions and upgrades. Additionally, the City is responsible for approximately \$55 million in debt through the Harrison County Utility Authority bringing the total debt being serviced by the City to around \$147 million. Total direct debt interest and principal payments will cost \$13.4 million for the upcoming year (Water and Sewer \$8.3 million; Tax Supported \$5.0 million).

Legal debt Margin Calculation

- State Law restricts the amount of outstanding debt a Municipality can have which is repaid through property taxes. Debt that is repaid by rates and fees is exempt from this calculation, i.e. water and sewer. Total debt outstanding repaid through property tax shall not exceed 20% of gross assessed value of all assessed value of property within the municipality. Below is a calculation of Gulfport's legal debt margin for FYE 2015 absent of any new debt issuances.

Loan Debt Margin Calculation	
FYE 2015 Gross Assessed Valuation	\$ 728,000,000
Times 20% Allowable	*20%
Allowable Debt Outstanding-20% Rule	\$ 145,600,000
Actual Debt Outstanding	\$ 38,500,000
Debt Margin - Borrowing Capacity	\$ 107,100,000

Gulfport is currently at 26% of capacity which allows for \$107.1 million for further debt issuance(s) under the State's formula. Gulfport currently is in excellent shape with regards to the amount of outstanding debt (subject to being repaid through property taxes) as a percentage of property value. For many governments, utilizing 50% of their debt capacity would be considered standard; however, for Gulfport to continue to enjoy its strong bond rating, this amount should stay below 30%. To reach or exceed this amount would require an ad valorem tax increase, and most probably, place Gulfport's Bond Rating under close scrutiny by the rating agencies.

Notes and Considerations impacting future debt capacity:

1. In December, 2014, the City issued \$30 million in bonds which will fund capital improvement projects. \$16 million of the \$30 million will be allocated to and paid by the Debt Service Fund.
2. In June, 2015, a General Obligation Water and Sewer Refunding Bond was issued resulting in \$1.9 million in debt savings to the City of the life of the bond and refunded bond.

Both of the above items will need to be considered when determining the maximum amount of new debt available to be incurred absent of an ad valorem tax increase or restructure of existing debt.

Capital Projects

For the upcoming 2016 fiscal year, the City intends to carryover a total of \$23.5 million in unspent capital projects which are in the “work in progress” stage and new funding for capital projects from the Water and Sewer Fund of \$898,573 is being proposed for the upcoming year.

Capital Projects Funding	
Funding Source(s)	Amount
FEMA/Disaster Recovery	\$ 7,101,957
CDBG/Katrina Supplemental Relief	\$ 3,034,575
Capital Projects Funds- Bond Issues, General Fund, Transfers, Grants, Etc.	\$ 13,336,311
Water and Sewer	\$ 898,573
Total Capital Projects Funding	<u>\$ 24,371,416</u>

Contributions to Not for Profit Agencies

The below list contains proposed funding amounts for various agencies who are considered not-for-profits and who either perform a service for the Citizens of Gulfport or promote economic development activities throughout Gulfport.

Agency Name	Amount Proposed
Harrison County Library System	
Harrison County USM Bond Payment	
Fishing Tournament/Gulf Coast Tourn	
Gulfport Main Street	
Cruisin the Coast	
Harrison County Soil and Conservation	
Mental Health Association of South MS	
Fairgrounds Horseshow	
Memorial Day Concert (Sounds by the Sea)	
NAACP MLK Parade	
American Red Cross	
Disability Connection	
2016 MS Gulf Resort Classic	
Gulf Coast Legislative Reception	
CASA-Harrison County	
Total	\$ 494,150

General Fund Financial Summary-Revised

2015 Revised Budget versus 2016 Proposed Budget			
	2015 Revised Budget	2015 Estimated Actual	2016 Revised Proposed Budget
Operating Revenues	55,111,768	55,775,110	55,719,456
Operating Expenditures	55,835,113	55,737,115	55,590,899
Excess/(deficiency) of Revenues			
over expenditures	(723,345)	37,995	128,557

FYE 2016 General Fund Budget Plan

As per the Financial Summary above, the FYE 2015 reflects a small surplus with projected revenues exceeding expenditures by \$37,995 which is less than 1%. Gulfport's General Fund budget is approximately the same in terms of overall dollars as compared to six (6) years ago, year ending 2007. It is hopeful the local economy will continue to grow to allow the City to increase cash reserves as the budget surplus increases.

Revenue Enhancements:

1. Sales Taxes

- An increase of \$204,350 over current year estimated sales tax revenue. The current estimated revenue for this category is \$20,435,000. Through the month of June 2015, sales taxes are projected to exceed the current budget by approximately \$235,000 resulting in approximately \$20,435,000 in revenues for the current year. A minimal projection of a 1% increase over actual revenues is projected for FYE 2016 which would result in an estimated sales tax revenue budget of \$20,639,650.

2. Property Taxes

- An increase of \$350,000. Total assessed values of taxable property are within \$75,000 for the last two years. Ninety-two percent of property tax revenues have been collected through June 2015, slightly higher than prior year. However, FYE 15 property tax revenue was decreased by \$350,000 (general fund portion) for the payoff of a one-time Section 42

Housing settlement. Due to these factors, the total estimated FYE 16 property tax revenue budget is estimated at \$18,350,000.

3. Licenses / Permits / Franchise Fees

- Decrease of \$162,160 over current estimate of \$5.6 million.
- The reason for the decrease is due to an anticipated reduction in Mississippi Power Franchise Fees of approximately \$373,000. While we anticipate other license and permit fees to increase, such as gaming privilege tax, the City will project a conservative decrease of \$162,160.

4. Gaming

- An increase of \$132,640. The current anticipated revenue for this category is \$3,217,360. Island View Casino has recently made a \$50-\$60 million expansion. With the addition of 400 hotel rooms, there will be a significant increase in the number of visitors to the casino which should enhance gaming revenues. For the current year, it is expected that gaming revenue will exceed current budget by \$232,030 (a 7.5% increase over budget). Due to this current year increase, the projected gaming revenues were increased over current estimated revenues by a conservative 5% or \$132,640.

5. Court Fines

- A decrease of \$100,000 from current estimated budget. Fines and forfeiture revenues have been decreasing for several years. Current year estimated revenues for fines and forfeitures are expected to show a shortfall of \$397,000 over budget. However, other components of court fines for the current year are showing revenues slightly over budget. The fines and forfeiture component of court fine revenue is reduced by 9.5% of current estimated revenues, representing a \$100,000 reduction.

6. Miscellaneous Revenue

- A decrease of \$583,500 from current estimated budget. Current year estimated miscellaneous revenues included an approved allocation for monies received from the bond of \$500,000.

Expenditure Changes:

There is an overall increase in electricity costs of ~20% for all departments due to anticipated rate increase for FY 2016. In addition, there is a flat \$788 including benefits (\$630 salary increase) across the board, excluding Directors and sworn Police Officers. Sworn Police Officers' raise percentages (patrol officer to Captain level) represents a 5% increase (with benefits).

1. Leisure Service
 - \$ 205,171 increase
 - Addition of a part-time senior center position to increase service to seniors and an additional maintenance foreman position
 - Increase of \$86,400 for baseball lights
 - Increase of \$52,182 for rental of equipment approved in current year but not budgeted
2. General Administration
 - \$73,500 in additions
 - \$73,500 represents one-half of the cost of a new full-time Project Manager. The other one-half of the new project manager position of \$73,500 will be borne by the Water and Sewer Fund
3. Engineering
 - Increase in Director of Engineering Salary to \$110,000 (all inclusive)

Water and Sewer Fund Financial Summary

2015 Revised Budget versus 2016 Proposed Budget			
	2015 Revised Budget	2015 Estimated Actual	2016 Revised Proposed Budget
Operating Revenues	44,763,000	45,493,692	32,814,432
Operating Expenditures	45,318,824	45,318,824	32,814,432
Excess/(deficiency) of Revenues			
over expenditures	(555,824)	174,868	-

Notes:

1. The above amount includes water and sewer capital projects of \$857,777 which are part of the Board approved 2013 Water and Sewer Master Plan.
2. In Addition, a new project manager position has been created in which one-half of the position costs of \$73,500 are included in the Water and Sewer Fund.
3. The City's water and sewer fund is financially stronger than it has been in many years. For the current 2015 year, it is expected to increase the cash reserves by \$174,868 with revenues expected at \$45.5 million and expenses at \$45.3 million. It should be noted, revenue includes \$14 million in bond revenue and expenditures include \$14.2 in water and sewer capital projects. **For the upcoming 2016 year, revenues are increased by 4% to comply with the Board approved 2013 Water and Sewer Master Plan and the projected net increase is allocated to new capital water and sewer projects of \$857,777.**

Self Insurance Funds Financial Summary

2015 Revised Budget versus 2016 Proposed Budget			
	2015 Revised Budget	2015 Estimated Actual	2016 Proposed Budget
Operating Revenues	5,641,000	6,021,657	6,035,438
Operating Expenditures	5,502,500	7,166,576	6,845,500
Excess/(deficiency) of Revenues			
over expenditures	138,500	(1,144,919)	(810,063)

Note:

1. The \$1.1 million deficit in the Employees' Health Care Fund is primarily due to retiree insurance claims exceeding retiree premiums. It is anticipated that again in FYE 2016, retiree claims will exceed premiums by almost \$1.0 million.

Claims and General Liability 2015 Revised Budget versus 2016 Proposed Budget			
	FYE 2015 Revised Budget	FYE 2015 Estimated Actual	FYE 2016 Proposed Budget
Estimated Revenues			
Interest and Misc Revenues	1,000	53,500	1,000
Employer Contributions	3,124,364	3,462,442	3,057,504
Total Projected Revenues	3,125,364	3,515,942	3,058,504
Proposed Expenditures			
Claims and judgments	1,105,000	1,105,000	1,105,000
Insurance premiums	1,750,000	1,627,098	1,627,098
Other services and charges	205,000	144,250	144,250
Total Proposed Expenditures	3,060,000	2,876,348	2,876,348
Excess/(deficiency) of revenues	65,364	639,594	182,156
over expenditures			

Future Economic Development Activities on the Horizon

1. Hotel Development – A new “Boutique” hotel is expected to be completed in the near future and will be located in the Gulfport Downtown area. It is anticipated that this will assist in the revitalization of the downtown area and increase revenues for other businesses located nearby.
2. Island View – The Island View Casino has recently renovated their hotel tower south of Highway 90. The renovations include over 400 additional hotel rooms, several restaurants, and convention space.
3. Downtown Revitalization - Downtown Gulfport recently completed one of the largest façade programs in U.S history. The \$4.4 million program remade nearly 80 building fronts in the downtown district. Another \$7.6 million is being spent on downtown infrastructure such as lighting and boulevard upgrades, new and improved sidewalks, landscaping, paving, utility enhancements and relocations, and etc. This project is almost complete and the payback has been significant. Many new restaurants now operate within the downtown district and many more are slated to come.
4. Gulfport Highlands-Gulfport Highlands has broken ground with the first building that is located on Highway 605 north of I-10. The development plans consist of 120,000 square feet of office space and 200,000 square feet of retail space. The Gulfport Highlands project has not progressed over the past year. The City remains hopeful for the completion of the Gulfport Highlands. Additionally, the Highway 605 corridor continues to develop with a new Walgreens located at the Southeast Corner of Pass Road and Cowan Road along with significant development north of Pass Road.
5. Wal-Mart Neighborhood Stores – Wal-Mart has built a neighborhood store, better known as Wal-Mart Express in Gulfport.

Future Issues, Concerns, and Uncertainties

1. Unfunded Katrina Projects-

In excess of \$250 million in Hurricane Katrina Recovery related work was performed in Gulfport. Ninety eight percent (98%) of this work was performed without any eligibility issues; however, It has been determined that several Katrina related recovery projects which were originally thought to be wholly funded by FEMA may not meet FEMA's eligibility requirements. In total, these items are estimated in excess of \$4-\$5 million which represents about 2% of all City FEMA funded Katrina Recovery projects. The City is currently working with FEMA to acquire a current list of projects whereby funding has been denied.

Again, the City will make a determination upon final notification from FEMA of the denial of funding as to whether the City's course of action will be to appeal or arbitrate FEMA's denial.

2. Infrastructure Deterioration and Obsolescence and Machinery and Equipment Replacements-

As discussed on Page 3 of this report, there is a need for an overall plan for capital asset replacements and upgrades. While progress has been made through the Water and Sewer Master Plan and the issuance of a \$30 million bond in December, 2014, addition funds and planning are needed to meet the future needs of the City and its Citizens through the upcoming years.

3. Gulfport South Sewer Treatment Facility –

It has been communicated to the City by the Harrison County Utility Authority that the Gulfport South Treatment Plant no longer meets EPA standards regarding sewer treatment and disposal. The cost of addressing this issue is expected to exceed \$20 million. Although this will not affect the current proposed budget, subsequent years' budgets will be impacted.

4. Economic Development-

Although Gulfport is the coastal leader in retail sales, much retail growth has occurred in and around our neighboring cities. Gulfport must continue to aggressively market itself to the entire region and nation. Continued effort in the area of economic development will be a must as businesses compete between local jurisdictions for competitive incentive packages before choosing their location for doing business. The City is addressing this issue through tax incentive programs and has hired an economic development director.

5. Future Uncertainty of the National, State, and Local Economies-

As all of us are aware of the challenges facing the national, state, and local economies, Governmental entities are not immune to these same issues which affect the private sector and our own personal finances. Issues such as: 1) high unemployment, 2) tightening of credit with lending institutions, 3) decline in consumer spending, 4) high cost of property insurance, and 5) the overall uncertainty of what the future holds is a recipe for financial and economic challenges such as pending litigation and Section 42 tax reductions.

Sales Tax is vital to the City's well-being with it making up 37% of the City's General Fund Revenues. With such a significant portion of the City's revenue stream being sensitive to economic conditions, Gulfport has been re-tooling the way it is delivering essential services to its citizens by becoming more efficient and cost conscience.

Closing

In closing, I would like to commend all of those City Directors and department heads who worked so hard in streamlining and reducing their respective budgets to help ensure the City's continued financial solvency. This has been an ongoing process over the past several years. None of this has been easy.

Also, I would like to thank the Mayor, Chief Administrative Office, and City Council in supporting the Administration during the budget process. As a result, many positive discussions took place; which in turn, provided an appropriate forum for citizens to learn about the financial and economic challenges facing this City while allowing the City to continue to move in a positive direction.

Sincerely,

Linda K. Elias
Comptroller

Appendix A

State of Mississippi Budgeting Laws and Regulations

- ✓ Budget shall be adopted no later than September 15 for the subsequent year's budget beginning October 1.
- ✓ A public hearing shall be held no later than one week prior to the adoption of the budget. Also, the Tax Levy must be adopted at this same meeting or at a separate meeting at least one week before final adoption of budget.
- ✓ Advertisement for both tax levy and public hearing shall take place two weeks prior to public hearing and adoption of levy and no less than seven (7) days from the first advertisement.

Appendix B

Accounting Structure

State Law requires the City establish individual Funds to separately account for resources and expenses relating to such activities as capital projects, debt service, public utility, etc. Funds are similar in nature to a private sector's division or segment. Listed below is a breakdown of the City's individual funds with a brief explanation of their purpose:

Fund Name	Fund Purpose
General Fund	Established to account for activities that are traditional in nature to governmental entities and which are not required to be reported in another fund. Examples of General Fund activities include: public safety (police and fire), public works (non water and sewer), recreation, planning \ zoning, general administration, legal, courts, etc.
Capital Projects	This fund is used to account for resources relating to the acquisition and construction of major facilities and infrastructure improvements other than those financed by the water and sewer utility fund. Primary funding for this fund comes from Grants, bond issues, funds transferred in from the General Fund.
Debt Service	This fund is used to account for resources relating to the repayment of debt (principal and interest). Note: this does not include water and sewer related debt which is paid by the water and sewer utility fund. This fund's primary source of revenue is property taxes.
Public Employees Retirement Fund	This fund is used to account for resources used in funding the "old" Police and Fire retirement system. This fund's primary revenue source is property taxes.
Community Development Block Grant Fund (CDBG)	This fund is used to account for resources associated with various Federal Grants. These funds must be spent according to strict guidelines. Resources of this fund is being used to fund activities such as the downtown facade program, downtown streetscapes, long term workforce housing, housing rehab, and activities benefiting low to moderate income households.
Disaster Relief Fund	This fund is used to account for resources associated with "major" natural and man-made disasters when Federal and State Grants will be received by the City to help in its recovery. Recent examples of this are Hurricanes Katrina, Gustav, and BP oil spill.
Employee's Health Insurance Fund	This fund is used to account for resources relating to providing health care to City employees.
Claims Contingency Fund	This fund is used to account for resources relating to property, general liability, and worker's compensation claims.
Police Forfeits and Seizure Fund	This fund is used to account for resources relating to assets seized by the City's Police Department.
Joseph T. Jones Fund	This fund is used to account for resources relating to the operations and maintenance of leasing of boat slips and other facilities within the Joseph T. Jones Yacht Basin.
Water and Sewer Fund	This fund is used to account for resources relating to the operations of the City's water and sewer utility system. It is intended that all of the resources associated with this fund are to be derived from user charges.

This Page Left Intentionally Blank

GENERAL FUND

The General Fund is the City's largest fund and is used to account for all activities that are traditional in nature to governmental entities and which are not required to be accounted for in another fund. Examples of General Fund activities include the following:

- General Government – Serves as the administrative arm of the city. Departments which carry out this function include: Executive (Mayor), Legislative (Council), Judicial (Courts), Legal (City Attorney), General Administration, and Public Transportation.
- Public Safety – Serves as protection to the general public with regards to life, health, and property. Departments which carry out this function include Police and Fire.
- Public Works – Serves to manage the City's overall infrastructure. This includes but is not limited to road and bridge maintenance, drainage prevention and control, and traffic signalization.
- Culture and Recreation – Serves to promote cultural activities for all ages. These activities include summer day camps for our youth, senior citizen programs for our elderly, various sports and recreational programs, and maintenance of parks and playgrounds. Divisions which carry out this function include Leisure Services, Building Maintenance, Senior Citizens, and Cemetery.
- Urban and Economic Development – Serves to ensure zoning laws and building codes are enforced. This entails such activities as building plans review, inspections, and the issuance of building permits. The major divisions which carry out this function is Building Code, Planning and Zoning, and Code Enforcement.

85	Excess/(deficiency) of Revenues over Expenditures	<u>239,244</u>	<u>(110,688)</u>	<u>128,557</u>	

Note 1 After original budget was presented, it was shared that the potential decrease in franchise fees estimated for FY 16 would be \$373,000 instead of the original estimate of \$200,000; therefore an adjustment downward of franchise fee revenue of \$173,000 is required.

Note 2 Based on salaries projected for the calculation of administrative fees paid from the Utility Fund to the General Fund, it is estimated that administrative fees should be increased by \$40,796

Note 3 These adjustments are due to a change in salary/position adjustments by department

Note 4 An expense in the amount of \$20,000 of the Economic Development Fund has been removed

CAPITAL PROJECTS FUND

The Capital Projects fund is used to account for the acquisition and construction of major capital facilities and infrastructure improvements other than those financed by the Water and Sewer, Hurricane, Insurance, and Joseph T. Jones Funds. Examples of these types of activities include the following:

- Street Improvements – Paving \ Widening
- Drainage prevention and control
- Right of way acquisitions
- Building Construction and Renovation
- Parks and Recreational Facilities

City of Gulfport Capital Projects Funds Proposed Budget For the Fiscal Year Ending 9/30/2016

Bond Issue - 2014 \$6.0 Million Org 358	6,000,000	2,606,156
Bond Issue - 2014 \$10.0 Million Org 359	10,000,000	9,811,062

Note:

In Fiscal Year 2012, the city issued a MS Dev Promissory Note for \$10.0 million for paving
In Fiscal Year 2014, The City issued bonds in the amount of \$30.0 million with \$14.0
million allocated for Water and Sewer Capital Projects.

See detail on following pages for project balances remaining as of 7-31-15.

Other capital projects are contained in the Water and Sewer Fund, CDBG Fund, FEMA
Fund and Insurance Fund.

COMMUNITY DEVELOPMENT FUND

This fund is used to account for resources associated with various federal grants which addresses such areas as affordable housing, community revitalization, and urban and economic development. The following programs are examples of how these funds are used:

- Housing Rehabilitation loans to persons meeting the low to moderate income criteria
- Construction of Park and Recreational facilities in qualifying areas.
- Social service agencies for activities such as day care services, summer day camps, after school programs, job training, and other related programs
- Funding for street upgrades, drainage prevention and control, sidewalks, and other public improvement projects for blighted areas as defined by HUD.
- Downtown Revitalization
- Long Term Workforce Housing

SELF INSURANCE FUNDS

The City of Gulfport is partially self funded with regards to its Health, Life, Worker's Compensation, and General Liability Insurance. The City has two separate funds established to account for the resources associated with providing the above referenced insurance coverages; Employee Health Care Fund and Claims Contingency Fund. The budget for both of these funds are contained within this section of the report. Significant losses are covered by commercial insurance while smaller losses are absorbed by the City.

Income/(Loss) from Operations

Note:

The amounts contained herein reflect basic operational cost of the harbor and does not include FEMA funds for rebuilding the harbor devastated by Katrina, or funding from General Fund for upgrades, or CIAP funds for 20th Avenue improvements. These resources are contained within the Hurricane and Capital Projects funds respectively.

WATER AND SEWER FUND

This fund is used to account for the activities of the City's water and sewer operations. The City of Gulfport is in a joint venture with the Harrison County Wastewater and Solid Waste Management District. "The District" is made up of a governing board consisting of the mayors from the cities of Gulfport, Biloxi, Long Beach, Pass Christian, D'Iberville, and a representative from the Harrison County Board of Supervisors.

This joint venture was formed as a result of the Clean Water Act. The purpose of this act is to ensure that sewage and solid waste disposal is handled in a manner as to not pose a threat to the environment. The district carries out this function by overseeing the construction and operations of sewage treatment facilities and contracting with private companies for solid waste collection and disposal. The district will in turn charge the various municipalities for the cost associated with providing these services.

City of Gulfport Water and Sewer Proposed Budget For Fiscal Year Ending 9/30/16			
--	--	--	--

	FYE 2016 Original Proposed Budget	Changes from Proposed Budget	FYE 2016 Revised Proposed Budget	
27 City Debt (Water and Sewer)	8,899,045		8,899,045	
28 Harrison County Utility Authority				
29 Sewer Treatment (Debt and O&M)	11,250,000		11,250,000	
30 Solid Waster			-	
31 Total HCUA Cost	11,250,000		11,250,000	
32 Water and Sewer Projects				
33 Other Services	898,573	(40,796)	857,777	Note 1
34 Capital Projects			-	
Total Water and Sewer Projects	898,573	(40,796)	857,777	
35 Total Projected Expenditures	32,814,432	-	32,814,432	
36 Excess/(Deficiency) of Revenues over Expenditures	(0)	-	(0)	

Note 1 Based on salaries projected for the calculation of administrative fees paid from the Utility Fund to the General Fund, it is estimated that administrative fees should be increased \$40,796 and therefore the capital projects need to be decreased by \$40,796

Disaster Relief Fund

The City has the Hurricane Fund established to account for resources associated with covering the cost of damages caused by acts of nature such as Hurricanes, Tropical Storms, and Floods. The resources associated with this fund are comprised mostly of Federal Emergency Management Funds (FEMA), Mississippi Emergency Management Funds (MEMA), and City funds which are required for matching purposes.

The scope of these funds center around restoring and rebuilding city owned assets which were damaged by Hurricanes Katrina and Gustav. Examples include rebuilding city owned buildings, restoring water and sewer services to citizens who live along the coastline, and restoring streets and drainage systems throughout the City.

Police Forfeiture and Seizure Fund

This fund is used to account for resources relating to assets which were seized by various law enforcement agencies. These assets fall into two types of categories: County/Local shared and Federal seizures. The federal process is handled by the U.S. Marshall's Service while the County/Local seized assets are handled by municipal and county law enforcement agencies. Drug forfeited assets including both cash and property are subject to strict federal guidelines that dictate the use of these funds and other requirements such as non-supplanting of local funds.
