Planning Commission Approval 2312PC141, by owner Stevie Bush, seeking approval for a church use, at Tax Parcel 0908M-01-004.002, Stewart Road, Zoned B-2 (General Business), Ward 5

Technical Report

PLANNING COMMISSION APPROVAL

GENERAL INFORMATION

Case File Number: 2312PC141

Hearing Date: December 21, 2023

Current Zoning/Use: B-2 / Vacant lot

Legal: Planning Commission Approval 2312PC141, by owner Stevie Bush, seeking approval for a church use, at Tax Parcel 0908M-01-004.002, Stewart Road, Zoned B-2 (General Business), Ward 5

TECHNICAL DETAILS

The applicant requests a church use on a vacant lot located at Stewart Road. With this being located in a commercial district, there is the potential to interrupt businesses in the surrounding area that are impacted by church uses; especially those that sell liquor. Restaurants are most likely to be affected, though lounges and liquor stores technically could be as well. According to City Ordinance, allowing a church on this property effectively eliminates any new freestanding lounges, liquor stores, microbrewery, or tattoo parlor within 1,000 feet of this parcel, and creates non-conforming use with existing businesses.

EXECUTIVE SUMMARY

The application meets the requirements for a church use that requires Planning Commission Approval. However, the board should keep in mind that allowing the use could hinder future businesses that serve liquor.

Any approval should consider these conditions:

1. Must meet all current building Codes and City of Gulfport Ordinances.
2. Approval allows the use of a church.

SECTIONS A. THROUGH G. MUST BE SUBMITTED FOR A COMPLETE APPLICATION.

Property Address: 4715 Old Pass Road
Gulfport, MS 39501

Lots: 7, 8, 9 & 10, Block 2, Subdivision Ridgewood Addition, Gaston Point

Property Owner: Hilton Gayten, Jr.

Purpose:

This is a request to place an enclosed patio/sitting area on the above referenced property. This area is attached to a shed, which has been approved by the Planning Department.

Reason:

The enclosure of the area became necessary after different persons were found sitting on the concrete slab and would not move when asked to do so without an argument. Even after I asked one of the persons, who constantly walk that area, to move and informed her that I would call the Police, she posed for the picture.

This enclosure will be for me and my family's personal use only. It will not be used as extra sleeping quarters. Nor will it be rented or leased out.

Explain how the site plan is appropriate with regard to:

1. Transportation and access:
 - a. Nothing additional is needed or required. The enclosed patio is on the property behind the house and is within the fenced area.
2. Water Supply:
 - a. No separate water is needed.
3. Waste Disposal:
 - a. The City has provided garbage cans that will be used when needed.
4. Fire and Police Protection:
 - a. No additional services will be required.
5. Other public facilities:
 - a. No additional services will be required.
6. Why the proposal will not cause undue traffic congestion or create a traffic hazard:
 - a. This area will be strictly used by me and my family and not by the community. The area is large enough to accommodate all of my family's vehicles.
7. Why the proposal is in harmony with the orderly and appropriate development of the district in which the use is located:
 - a. Upon completion of the patio, the area will match the house and will be viewed as a part of the house. The beautiful building will add to and enhance/increase value of the area.

Conclusion:

There is a major problem in the area in regards to the pride of the residents when it comes to cleaning and fixing up their properties. It is my hope that I can inspire other property owners in the area with what I am doing so they see the need to update/rehab/fix their properties.

GENERAL INFORMATION

Case File Number: 2312PC147

Hearing Date: December 21, 2023

Current Zoning/Use: R-1-5 / Vacant Lot

Legal: Planning Commission Approval 2312PC147, by agent Deberah Couvillion, seeking approval for a mobile home use in a R-1-5 zoning district, Tax Parcel 0810E-03-048.000, Ohio Ave, Zoned R-1-5 (Single-family), Ward 3

TECHNICAL DETAILS

The applicant is seeking Planning Commission approval for the placement of a 16'x 80' (1280 sq-ft) mobile home at the requested parcel. The lot is large enough such that the mobile home will adequately meet the required setbacks; as is pointed out on the site plan. Mobile homes are allowed with planning commission approval, per the City of Gulfport's Ordinances and the Chart of Permitted Uses.

EXECUTIVE SUMMARY

The applicant appears to meet all of the requirements for a mobile home dwelling in an R-1-5 zone. Per the Ordinance, off street parking for a mobile home requires parking for two (2) parking spaces. Upon review of the site plan submitted by the applicant, parking and all required setbacks have been met. If the request is approved, it would be in harmony with existing housing in the area.

Any approval should consider these conditions:

1. Mobile Homes must meet Wind Zone II requirements
2. Must comply with all rules by Planning and Zoning.
3. Must comply with all fire codes and permitting.
4. Approval allows for a mobile home use.

Arlana, please tell Ms. Watson how much we appreciate her signing this for us. She will sign on page 1 (designation of agent) and have it notarized. If I understood the staff at planning & zoning correctly, Ms. Watson is giving her blessing for Deberah to go and act as spokesperson as the future owner of 8089 Ohio Ave. I will be with her also.

After she signs and gets the first page notarized, she will fill out the portion of the 2nd page under "owner". This is under the OWNERSHIP AND CERTIFICATION" portion of the document. It will ask for her to print her name, give her mailing address, phone numbers and email if she has one. It will also ask that she signs immediately under this info but she doesn't have to have page two notarized. Deberah will fill the portion out under Agent.

Deberah will also be responsible for the site plan and other info required. Deberah will also pay the \$75 for the application fee. All we really need is for Beverly to fill out the 2 small parts and have the one notarized.

Again, we thank you both for your cooperation and we look forward to meeting you both at the closing table!

Technical Report
General Plan
(Florence Gardens Phase 12)

GENERAL INFORMATION

Case File Number: 2312PC150

Hearing Date: December 21, 2023

Current Zoning/Use: R-1-10 and T4+ / Vacant lots

Legal: General Plan 2312PC150, by agent Brown, Mitchell & Alexander, Inc., at Tax Parcel 0908E-01-001.001, Approval of a General Plan for 19 lots with 6 out parcels (Florence Gardens Phase 12), Preservation Drive, Zoned R-1-15 (Single-family) and T4+ (General Urban Zone "Plus"), Ward

TECHNICAL DETAILS

The applicant requests approval of a General Plan to create a new 19-lot 47.9-acre residential subdivision, named Florence Gardens Phase 12, tax parcel 0908E-01-001.001. This new subdivision is a continuation of Florence Gardens residential development, zoned T4+ (General Urban Zone "Plus") and R-1-10 (Single-family residence) district.

Originally, this area was zoned R-1-10 (Single-family) and was rezoned through a zoning map amendment to include T4+ (General Urban Zone "Plus"). Regulations state that the minimum property size for new single-family home in this zoning district is 2,420 square feet in which the applicant exceeds the required square footage requirement. In addition, this includes a lot width minimum of 18 feet wide or a maximum of 96 feet wide. Building site coverage for this zoning are a maximum of 70 percent. Building setbacks requirement for a T4+ are as follows; front yard setback has no minimum however, has a maximum of 18-feet. Side setback has a 6-foot maximum and a rear yard of 3-feet. However, the applicant has not provided street names, right-of-way width, stop signs, and building setbacks on site plan.

The proposed parcels are located adjacent to existing city rights-of-way, are protected by Gulfport Fire and Police, and will have capacity for city water and sewer. The applicant states that the covenants for the existing Florence Gardens subdivision will apply for this request.

The adjacent zoning to the area of development is R-1-10 instead of the published R-1-15.

Any approval should consider these conditions:

1. Must meet all current building Codes and City of Gulfport Ordinances
2. Lot GS2 boundary to be a utility easement utility easement overlaid.
3. Infrastructure for lot GS-2 needs to be an easement.
4. Street names, right-of-way width, stop signs, and building setbacks on all documentation for new development is required before case can go to City Council.

FLORENCE GARDENS

Master Deed Restrictions

Florence Gardens, LLC, a Mississippi limited liability company to be known as the "Founder," establishes these Master Deed Restrictions ("Master Deed Restrictions") on the 31st day of March, year of 2006. These Master Deed Restrictions are filed in lieu and in place of the Declaration of Covenants, Conditions and Restrictions for Florence Gardens, which were filed in the office of the Chancery Clerk of the First Judicial District of Harrison County, Mississippi on July 19, 2005 as Instrument Number 2005 17258 D. The aforesaid Declaration of Covenants, Conditions and Restrictions for Florence Gardens is hereby cancelled and terminated and of no further force of effect. C A Brown Developments, Inc., a Mississippi corporation, L. J. & L. Enterprises, Inc., a Mississippi corporation, Joan Cravens, Inc., a Mississippi corporation, and Harbor Oaks, Inc., a Mississippi corporation, are each the Owners of Lots or Parcels in Florence

Gardens and have joined in the execution of these Master Deed Restrictions to indicate their agreement with and consent to the terms, conditions and provisions hereof and to bind and subject their property to these Master Deed Restrictions.

STATEMENT OF PURPOSE:

A. The Founder is developing upon real property in Harrison County, Mississippi, a new neighborhood development to be known as Florence Gardens. If all phases are completed, Florence Gardens would eventually comprise approximately 355 acres (the "Master Plan Area"), including the property described on Exhibit A.

B. This development is intended to establish pedestrian-friendly neighborhoods through the design of a range of lot sizes, narrower streets, sidewalks, and, in some areas, rear garage access through the use of alleys. Unlike typical suburbs which separate homes from businesses and force dependence on the automobile, the Florence Gardens design is intended to mix, in part, commercial and residential uses in a way which provides the essentials of life and enlivens the community.

C. Detailed guidelines, to be known as the Florence Gardens Design Standards, or simply the Design Standards, regulate setbacks, porches, outbuildings, building materials, construction and design and other matters essential for the creation of outdoor and civic spaces and an attractive neighborhood. Each Parcel owner, by constructing a building in accordance with the Florence Gardens Design Standards, helps form the outdoor spaces of this community, which will enhance the value of all property within Florence Gardens.

D. A community is formed when buildings are built and occupied. To establish a community of residents and to create a streetscape of buildings, rather than empty Lots, Founder wishes to require each Parcel owner to build a building within a certain time limit.

E. To ensure the proper application of the Florence Gardens Design Standards and to further the development of the community, Founder wishes to subject each deed for property within the Master Plan Area to certain deed restrictions, the acceptance of which, by acceptance of a deed, shall be considered to be part of the grantee's consideration for each Parcel.

F. While the rights reserved by this instrument shall initially be reserved to the Founder during the development period and until all of the Master Plan Area has been sold by Founder, it is intended that certain rights be conveyed to the Associations, so that the plan of architectural control will be continued throughout the lifetime of the community. The Development Period shall commence with the filing of the Master Deed

Restrictions and continues so long as Founder owns any property, Lot or Parcel in the Master Plan Area.

IMPOSITION OF DEED RESTRICTIONS:

The Founder hereby subjects to these deed restrictions all property within the Master Plan Area described on Exhibit A (and, in accordance with Section 1.2, any additional property which is subject to these Master Deed Restrictions), including each separately conveyable parcel ("Parcel") which has been platted or which shall be platted, and all common areas ("Commons") and limited common areas ("Limited Commons") created or to be created. These Deed Restrictions shall run with the land and be binding upon each owner of the Parcel, and the owner's heirs, successors and assigns (together, the "Owner") and upon the Association, whether or not these Deed Restrictions are individually recorded or noticed with each deed. All property within the Master Plan Area shall be sold, held and conveyed subject to the terms, conditions, rights, reservations and obligations set forth herein which shall run with the land and be binding on all parties owning any part, Parcel or Lot in Florence Gardens.

ARTICLE I: | Definitions

1.1 Generally. The following definitions apply wherever the capitalized terms appear in these Master Deed Restrictions or in any Declaration, unless the Declaration provides a definition specific to that Declaration. To aid in understanding the relationships between terms, terms are grouped functionally. Additional terms which apply only to one article or section will be defined as they appear.

1.2. Documents.

(a) Master Plan. The Master Plan is the plan or layout for the development of the Master Plan Area. The Master Plan is subject to change.

(b) Master Deed Restrictions. These Master Deed Restrictions, which apply to all deeds and conveyances granted within Florence Gardens, are intended to ensure the proper application of the Design Standards during the development stage and to impose other restrictions designed to further the development of Florence Gardens. The reference to a deed herein shall refer to a deed as the context may require.

(c) Declaration. Each "Declaration" shall be a Declaration of Charter, Easements, Covenants and Restrictions, which provides for the ongoing operation and

maintenance of a portion of Florence Gardens. The Neighborhood (as defined in 1.4 Land Definitions, below) will have its own separate Declaration, which will be recorded after these Master Deed Restrictions. Other portions of Florence Gardens, including mixed use and commercial development may have a separate Declaration as well. The "Declaration" does not refer to the Declaration of Covenants, Conditions and Restrictions for Florence Gardens recorded on July 19, 2005, which has been terminated and is of no further force or effect.

(d) Supplemental Declaration. A "Supplemental Declaration" is an instrument which may be recorded by the Founder, the Association or, with the approval of the Founder or the Association, the owner of the property, all in accordance with the applicable Declaration provision to make additional property subject to any such Declaration.

(e) Design Standards. The "Design Standards" or "Florence Gardens Design Standards," as further described below in Section 3.1, regulate land use, architecture and environment within Florence Gardens.

1.3 Parties.

(a) Founder. The "Founder" is Florence Gardens, LLC, a Mississippi limited liability company, its successors and assigns. The Founder may also be an Owner for so long as the Founder is record owner of any Parcel. Founder may also refer to Founder's successors and assigns if Founder so designates.

(b) Association. As further described in Section 1.6, the Neighborhood Declaration shall establish an "Association" whose members are the Owners of Parcels within the land subject to the Declaration. The Town Center Declaration may also establish an Association or other management entity. Each Association may accept title to and own land within the Master Plan Area designated as Commons and be responsible for maintaining it and enforcing the Declaration. It is contemplated that there may be other Associations including, but not limited to condominium Associations. The term "Association" herein may refer to both the singular and the plural, as the case may be.

(c) Owner. "Owner" is the record owner, whether one or more persons or entities, of the fee simple title to any Parcel or Lot. Owners shall not include those having such interest merely as security for the performance of an obligation.

1.4 Land Definitions.

(a) Florence Gardens. "Florence Gardens" is all of the property made subject to the Master Deed Restrictions. Florence Gardens initially comprises the Master Plan Area; however, additional land may be added at any time in accordance with the terms of the Master Deed Restrictions.

(b) Master Plan Area. The "Master Plan Area" comprises approximately 355 acres, including the property described as Exhibit A to these Master Deed Restrictions, intended for development as a single, unified traditional neighborhood development.

(c) Neighborhood. The "Neighborhood" shall be the primarily residential District of Florence Gardens, which shall be subject to the Neighborhood Declaration sometimes referred to as the Declaration of Charter, Easements, Covenants and Restrictions for the Residential Neighborhood.

(d) District. A "District" is a general type of land use within the Master Plan Area such as Neighborhood (residential) and Town Center (mixed used and commercial). Other Districts may include apartments, condominiums or other land uses. Each District may be subject to a separate Declaration at the sole option of the Founder.

(e) Town Center. The "Town Center" or other name that is adopted by the Founder is intended to be the mixed-use and commercial District of Florence Gardens and, if developed, may be subject to a separate Declaration at the sole option of the Founder.

(f) Commons. "Commons" or "Common Areas" comprises real property or property interests within the Neighborhood, Town Center or other Districts designated as Commons, Common Areas or identified as common area on any plat or specifically conveyed to the Association, for the common use and enjoyment of all Owners. Commons also include any improvements on that real property, all utilities, utility easements and other easement rights or personal property for the Owners' common use, and any other property of any type specifically designated as Commons.

(g) Limited Commons. "Limited Commons" or "Limited Common Area" is a particular type of Commons which comprises real property within a District designated on a plat or specifically conveyed to the Association for the common use and enjoyment of only certain Owners of Lots located adjacent to the Limited Common Area. The Association agrees to maintain, or is required by the Declaration to maintain, such Limited Common Area and shall assess the affected Lot Owners only for the cost of maintenance of said Limited Common Area. Said affected Lot Owners shall pay the cost of maintenance of same as a form of Special Assessment.

(h) Zone. "Zones" are smaller contiguous areas within Florence Gardens of distinct character, building type or within a specific location. Owners of property within a Zone may be assessed for maintenance of property primarily serving that Zone. Zones will be established or created at the sole discretion of the Founder.

(i) Lot. A "Lot" is a parcel of land intended for a single building, or a building and an outbuilding. Ordinarily, Lots are designated as numbered or lettered, separately identifiable parcels on the recorded subdivision plat of Florence Gardens, or, for unplatted areas, as shown on a site plan of property offered for sale as a part of Florence Gardens. A Lot may contain condominiums, apartments, commercial or other mixed use designations whose owners may form their own association.

j) Parcel. A "Parcel" is the smallest portion of land which may be separately conveyed. Most Parcels will be designated as numbered, separately identifiable Lots on the recorded subdivision plat which encompasses the Parcel. Once improved, the Parcel includes any buildings or other permanent improvements. Each condominium unit shall be considered a Parcel; if a portion of the building has not been declared into condominium ownership, that portion of the building shall be considered an additional Parcel.

The Founder may redefine Parcels prior to sale to third parties by dividing or combining Parcels or portions of Parcels or adjusting the boundary of a Parcel. The Founder may designate Parcels for residential, commercial, mixed use, condominium or other such land use.

(k) Property. "Property" as used sometimes herein shall be the land subject to these Master Deed Restrictions as same may be amended from time to time. The initial Property is described on Exhibit "A" attached hereto and made a part hereof by reference. The Property size and configuration may be amended by annexation, sale, addition, supplement or deletion in the discretion of Founder.

(l) Special Use Parcel. A "Special Use Parcel" is a Parcel of unconventional size, shape, location or use which calls for special design considerations. Typically, a Special Use Parcel will be used for commercial, educational or institutional purposes, multi-family residential or community or recreation facilities. Other uses are permissible in the discretion of the Founder.

(m) Residential Unit. A "Residential Unit" is any separate dwelling and ordinarily includes a kitchen. A Residential Unit shall include a detached single-family home, townhouse or other attached dwelling (such as each half of a duplex unit), an

apartment or condominium unit, and a residential dwelling within a mixed-use building. Residential Units may be established at the discretion of the Founder.

(n) Condominium. "Condominium" means that form of ownership of property under which units of improvements are subject to ownership by different owners and there is appurtenant to each unit as part thereof an undivided share in the common areas. The Founder for itself and its successors and assigns may establish Parcels or Lots as condominiums in any Zone or District.

(o) Fines. "Fines" or fines constitute a lien and are enforceable in the same manner as assessments.

1.5 Design Review Definitions.

(a) Design Review Committee. The "Design Review Committee" is the panel established by these Master Deed Restrictions to administer the Design Standards.

(b) Design Standards. The "Design Standards" establishes the plan for the development of Florence Gardens through its regulation of land use, architecture and environment, as further described in Section 3.1. The Design Standards do not need to be recorded to be effective but shall be available from the Design Review Committee. The Design Standards may be changed from time to time by the Founder or the Design Review Committee.

(c) Development Period. The Development Period begins immediately upon recording of this instrument and continues until

(i) six months after the Founder neither owns any of Florence Gardens nor holds any property for sale within Florence Gardens in the normal course of business; or

(ii) the Founder terminates its rights concerning the Development Period by written, recorded notice.

During the Development Period, the Founder shall select the members of the Design Review Committee, and shall have the right to amend, alter and change the Master Deed Restrictions or any other document, Declaration, rule, or guideline at any time without the consent of any person, party or entity.

1.6 Association Definitions.

(a) Association. Any District Declaration shall each establish an entity to maintain the portion of the Commons contained within the area made subject to the

respective Declaration, and to enforce the Declaration. To accomplish this each District Declaration shall establish an "Association" whose members are the Owners of Parcels within the land subject to that Declaration. The Town Center Declaration or other commercially oriented Districts may establish either an Association or a management entity. When used in this instrument, the term "Association" may include such an entity, unless the context requires otherwise. The name of the Association is as provided in the applicable Declaration.

(b) Member. Each Owner is a "Member" of the Association, as provided in the Declaration.

(c) Board. "Board" is the Board of Directors of the Association.

(d) Articles. "Articles" are the Articles of Incorporation of the Association.

(e) Bylaws. "Bylaws" are the Bylaws of the Association.

(f) Community Meeting. The "Community Meeting" is the public meeting of Members for discussion and voting, as described in the applicable Declaration.

(g) Assessments. "Assessments" is the collective term for the following Association charges:

(i) General Assessment. The "General Assessment" is the amount allocated among all Members to meet the Association's annual budgeted expenses.

(ii) Individual Parcel Assessment. An "Individual Parcel Assessment" is a charge made to a particular Parcel Owner for charges relating only to that Parcel, or for Zone charges.

(iii) Special Assessment. A "Special Assessment" may be charged to each Parcel for capital improvements or emergency expenses.

(iv) Other Assessments. Other Assessments may be charged as provided in these Master Deed Restrictions or in the applicable Declaration.

ARTICLE II: | Development
Plan

2.1 Mixed Use.

(a) Separate Declarations. The Founder intends to develop residential, condominium, rental apartment, mixed-use and commercial Districts within the Master Plan Area, all of which are intended to be an integral part of the community. These Districts will each be submitted and subject to separate Declarations to provide a standard of maintenance, to adopt covenants and restrictions for use of the property, to establish budgets, and to establish for each an Association or other management entity.

(b) Cooperation. Operation of Florence Gardens will require cooperation between the District Associations or other management entities including any merchants' associations, if any. It is anticipated that the entities will meet on a regular basis to discuss activities and common concerns.

2.2 Property Subject to Master Deed Restrictions.

(a) Initial Property. Property subject to these Master Deed Restrictions shall be known as "Florence Gardens," and shall consist initially of the Master Plan Area.

(b) Additional Property. The Founder may, from time to time in its sole discretion, add any qualified property to Florence Gardens ("Additional Property") by the recording of a supplemental instrument submitting the qualified property to these Master Deed Restrictions. Any of the following properties, if owned by the Founder, or a related or affiliated entity (or with the consent of the owner and the Founder), shall be considered "Qualified Properties":

(i) property, any portion of which is within one mile of any portion of Florence Gardens, whether or not contiguous (including property separated from Florence Gardens by a public street, body of water or other property); or

(ii) any other property with a reasonable relationship to Florence Gardens as determined by Founder.

(c) Withdrawal of Property. Property may be removed from these Master Deed Restrictions with the consent of the Founder and the owners of all property within the property to be withdrawn, along with any necessary governmental approvals.

2.3 Submission of Property to Declaration. The Founder intends that any property within Florence Gardens which is conveyed or leased to a party other than the Founder be made subject to a Declaration. If through error a Declaration is not recorded prior to, or at the time of, such a conveyance, the Founder shall have the right to record a corrective instrument imposing upon such property a plan for assessments and use restrictions consistent with that agreed between the parties in the purchase and sale

agreement or other instrument, or, if no such agreement exists, consistent with other similar property within Florence Gardens.

2.4 Master Plan. The Master Plan and conceptual drawings represent the current intent of the Founder for the development of Florence Gardens. However, the Master Plan and conceptual drawings are subject to change and may be modified based on market conditions, governmental or engineering requirements, changing land use conditions and other modifications which may be made as development progresses all at the sole discretion of Founder.

ARTICLE III: | Design Standards

3.1 Establishment of Design Standards. The Founder has established the Design Standards, which comprises the following, all as may be amended from time to time:

(a) The Architectural Regulations, which guide the design of buildings and other “vertical” improvements and describe the materials of which these improvements may be constructed; and

(b) Landscape Regulations, which regulate erosion control, stormwater detention, irrigation, landscape lighting, preservation of existing trees, the planting of new trees and plants, walkways, pathways, gardens and any other such “horizontal” improvements.

(c) Design Review Procedures which describe the review process for compliance with all of the above.

In addition, the Founder shall promulgate a Master Plan and the Founder and/or the Design Review Committee shall promulgate such other rules and regulations regarding setbacks, Lot coverage and other matters.

All construction within the Master Plan Area shall comply with the Design Standards in effect at the time of the submittal, unless a variance is granted as provided herein.

3.2 Permitted Uses. Permitted uses for Parcels, which may include residential use, civic use, recreational use or retail, office, mixed use, restaurants, schools, private clubs, hotels, bed and breakfasts or other commercial use, shall be determined based on the Design Standards and the terms of the applicable Declaration. At the Founder’s discretion, the Founder shall record the determination of permitted uses at the time of the Parcel’s addition to Florence Gardens, or at any time up to and including the time of conveyance of the Parcel to someone other than the Founder. If the Founder fails to make

such a determination of record, the Design Standards, or the approval of the building or modification under Article IV, may describe permitted uses. Uses may be revised by modification of the Design Standards in accordance with Section 3.4; however, no such modification shall require the removal or cessation of a legally existing use on a particular Parcel without the Parcel Owner's consent.

3.3 [Intentionally Deleted]

3.4 Modification of the Design Standards. With the consent of the Founder, the Design Review Committee may revise any part of the Design Standards from time to time for any of the following reasons:

- (a) To make changes which the Design Review Committee believes will better accomplish the objectives of Florence Gardens;
- (b) To include new materials or techniques deemed to be suitable to Florence Gardens;
- (c) To adjust for market conditions; or
- (d) To recognize changing land use conditions over time, both from within and outside Florence Gardens.

3.5 Applicable Governmental Codes. It is the intent of the Founder that the Design Standards be consistent with all applicable requirements of state and local law. In the event of a conflict, Founder and the Design Review Committee shall be afforded the opportunity to attempt to resolve the issue with the applicable agency and, if necessary, revise the Design Standards.

ARTICLE IV:		Review Procedure
-------------	--	---------------------

4.1 Design Review Committee. The Design Review Committee shall have a minimum of three members as follows:

- (a) Founder's Appointees. The Founder shall appoint all of the members during the Development Period, as defined in Section 1.5. Founder's appointees shall serve at the pleasure of the Founder.
- (b) Association's Appointees. At the sole discretion of the Founder during the Development Period, The Neighborhood, Town Center and any other District Associations may be permitted to appoint one or more members who are not affiliated with the Founder to the Design Review Committee. Such appointees, if permitted by Founder, shall vote on matters based upon the authority granted them by the Founder.

After the Development Period, assuming that a Town Center Association and other District Associations are formed, the Neighborhood Association shall appoint members to the Design Review Committee who are not Owners within the Town Center or any other Districts. The Neighborhood will retain the voting power of sixty percent (60%) of the total members of the Design Review Committee. The Town Center Association shall appoint members with the voting power of twenty percent (20%) of the total members' voting power. The other District Associations shall collectively by any method they agree appoint members with the voting power of twenty percent (20%) of the total members' voting power, each voting their respective percentages either as a block or by individual Association as they determine in their sole discretion. In the event that there is only other District Associations or the Town Center Association in effect at end of the Development Period, but not both, then the Neighborhood will retain the voting power of eighty percent (80%) until such time as there are either a Town Center or other District Associations established at which time the Neighborhood Association's voting power will be reduced to sixty percent (60%).

Any of the Town Center and District Associations may establish a Design Review subcommittee of the Design Review Committee that has powers established in this Article IV. Membership of the respective Design Review subcommittees must include the voting members of the Design Review Committee who are members of a District Association.

4.2 Construction Subject to Review.

(a) Parcels. Prior to construction, the Design Review Committee must review and approve construction plans, the contractor and/or builder, and specifications for all improvements on any Parcel within the Master Plan Area. No construction on any Parcel shall begin and no improvements on any Parcel shall be modified except in accordance with an approved plan. Once a plan is approved, any modification to that plan, or any modification to the finished Parcel, must also be reviewed and approved. Also, if following approval there is a change in designers, architects or builders, or the Parcel is sold to another party, then the new parties are subject to the same obligations as set forth herein and the new designer, architect or builder must be acceptable to the Design Review Committee.

(b) Commons. Construction of any structure upon the Commons (other than initial construction by the Founder), or modification of any existing structure, as well as any material alteration of the landscaping or topography of any Commons, must be approved in advance by the Design Review Committee.

(c) Scope. The Design Standards shall set standards for all aspects of the Parcel visible from the outside, including without limitation the size, shape and architectural style of the building, its roof, windows, doors, porches and other components, placement on the Lot, fences, walls, outbuildings, drainage, paving and landscaping and all finish materials. The Design Standards may also regulate the type, placement and number of residential or business units that may be constructed on a Parcel and the uses to which those units may be put. Review shall include materials and color selection and selection and placement of any ornamentation or functional accessories, including but not limited to the following:

- (i) materials and color selection for the main building and any outbuilding (including roof, doors, windows and trim);
- (ii) driveways, walks, patios and other ground surface materials;
- (iii) antennas, satellite dishes or receivers, solar panels or other devices which are visible from outside the Parcel;
- (iv) fountains, swimming pools, whirlpools or other pools;
- (v) privacy walls or other fences and gates;
- (vi) awnings, flower boxes, shelves, statues, or other outdoor ornamentation, and window coverings visible through the window;
- (vii) construction trailers or other trailers, temporary structures, tents, shacks, and sheds;
- (viii) signage of any type; and
- (ix) permanent or semi-permanent play equipment, whether or not secured, such as tree houses, basketball hoops and backboards, and backboards, skateboard ramps and swing sets.

The listing of a category does not imply that such construction is permitted.

(d) Exception. Interior construction and modifications not affecting the external structure or appearance of any building are not subject to review. However, construction drawings are required as part of the review process to assist in interpreting the design. Anything to the forgoing notwithstanding, the Founder and the Design Review Committee each has the authority to require and enforce certain energy efficient standards and security and communication standards and modify those standards from time to time in its sole discretion.

(e) Trees. The Design Review Committee may require the relocation and replanting of trees which must be removed for construction. If particularly significant trees are found within the building setback lines, the Design Review Committee shall determine whether the placement of the building should be altered to accommodate the trees, or whether the trees may be removed. Setback lines, easements and right of ways

may be altered by the Founder or the Design Review Committee to accomplish the foregoing.

(f) Drainage. The Property has been designed as a low impact development which provides, among other things, for bio-retention cells and swales to facilitate surface water management. All plans shall comply with applicable drainage, water conservation, erosion control and storm water detention requirements. No alteration of existing grade or any planting, fences or other improvements which alter the flow of water shall be permitted without the express consent of the Design Review Committee. Notwithstanding the above, or anything contained herein, the Design Review Committee, the Founder, and the Associations shall not be liable for any adverse physical conditions, drainage, soil or other issues relating to a Lot or Parcel and construction or development thereon, nor are the Design Review Committee, the Founder and the Association liable to repair any such conditions.

(g) Modifications. Modifications after completion of construction, or additions or changes to the approved plans during construction must be reviewed and approved. However, review is not required to paint with originally approved materials and colors, or to replace the roof or other components with duplicates of the original material. Significant new landscaping, grading and any removal or substantial pruning of trees or plants must be approved in advance.

(h) Sidewalks. The Master Plan provides for a "Walkway System" within the Property. Portions of the Walkway System will be located in the rights of way adjacent to the front and side property line of Parcels or within the boundaries of the Parcels. The Founder will design the Walkway System which might include a hard walking surface, landscaping, irrigation, lighting and benches, among other improvements. The Founder will provide to the Owner of each Parcel a specific design for the segment of the Walkway System that will be located on or adjacent to any portion of his/her Parcel. Each Owner will be responsible for the cost of the construction and installation of the Walkway System adjoining his/her Parcel and will be required to construct the improvements upon demand by Founder and/or the Design Review Committee according to the approved plans and specifications designed by Founder.

4.3 Review Procedure.

(a) Application. The plans to be submitted for approval shall include (i) the construction plans and specifications, including all materials and colors, (ii) elevations of all proposed improvements (iii) proposed clearing, grading and landscaping, and (iv) all other items required by the Design Review Committee. Plans and specifications for review shall be submitted in the form required by the Design Review Committee.

(b) Uniform Procedures. The Design Review Committee may establish forms and procedures for the review of applications, including review costs and fees, if any, to be paid by the applicant. The Design Review Committee may provide lists of approved materials and may allow for staff review and approval of routine or minor matters.

(c) Basis for Decision. Applications shall be approved or denied based upon compliance with the provisions of the Design Standards and overall quality of design. If the Design Review Committee rejects an application due to overall design quality, despite compliance with the Design Standards, the Design Review Committee shall make suggestions for improving the design.

(d) Variances. The Design Review Committee may grant variances from the Design Standards based on existing topographical or landscape conditions, existing trees, or architectural merit. Any such variance must be in writing. Approval of a variance does not constitute a precedent for other applications, and such requests may be arbitrarily denied.

(e) Notification; Construction; Inspection. The Design Review Committee shall make best efforts to notify the applicant of its decision within the time allowances set out in its Design Standards and/or other rules and regulations promulgated by the Review Board. However, a delay in reviewing an application shall not be deemed approval for construction. If approval is given, construction of the improvements may begin. All construction must comply with the submitted plans. The Design Review Committee or its agent may inspect the property during construction but has no obligation to make any such inspection.

(f) Completion. When the primary building and landscaping are completed in substantial compliance with the approved plans and specifications and within the time limits described in Article V, the Design Review Committee shall issue a Certificate of Substantial Conformance. The Certificate shall describe any areas of deficiency that need to be corrected. All Fines and other enforcement shall be waived so long as the deficiencies are corrected within sixty (60) days. All Fines constitute a lien and are enforceable in the same manner as an assessment. Upon correction of all deficiencies, the Design Review Committee shall issue a Certificate of Completion and Release in recordable form.

(g) Governmental Compliance. Owners are responsible for making sure that construction conforms to governmental regulations and all local building codes. The Design Review Committee is not responsible under any circumstances for any non-compliance by Owner with respect to governmental requirements.

4.4 Approval of Architects, Builders.

(a) Generally. The creation of the Florence Gardens streetscape depends on the quality of design and construction and adherence to the Design Standards. While architects, designers and builders may be selected by the Owner, at the sole option of the Founder, which privilege may be withdrawn or modified on all or portions of the Property at any time, no architect, designer or builder may be used without the express written consent of the Founder or the Design Review Committee. Approval of architects, designers and builders is necessary to insure quality construction and a reasonable spirit of cooperation. The Founder or the Design Review Committee will publish applications, rules and procedures governing the approval of architects, designers and builders from time to time.

(b) Architects. Architects must be approved by the Founder or the Design Review Committee before submitting plans on behalf of his Owner/client. Approval shall be based on quality of past work, client satisfaction and understanding of, and willingness to work within, the Design Standards, all as determined in the Founder's and Design Review Committee's sole discretion.

(c) Builders. Builders must be approved by the Founder or by the Design Review Committee before building in Florence Gardens. Approval may be withheld for any reason or no reason in their sole unfettered discretion. Approval shall be based on willingness to build in accordance with approved plans and specifications, quality of past work, client satisfaction and financial history. Builders must agree to comply with construction regulations and build in accordance with the approved plans and specifications. Builders may be required to post a deposit for compliance and damages. Failure to comply may result in Fines, forfeiture of the deposit and revocation of the right to build in Florence Gardens.

4.5 Enforcement.

(a) Fines. The Design Review Committee may require the builder or Owner to post a deposit from which the Design Review Committee may deduct Fines for failure to comply with the approved plans and specifications, tree regulations and rules for builder conduct. The collection of a Fine shall not in any way diminish the available remedies at law or equity.

(b) Suit Permitted. If any construction is begun which has not been approved or which deviates from approved plans and specifications, the Design Review Committee, the Founder or the Association may require the Owner to resolve the dispute

through binding arbitration or may bring suit seeking damages, specific performance, declaratory decree and/or injunction, or any other remedy at law or in equity. The Board shall be empowered to bring suits on behalf of the Association. If suit is brought and the court finds that the construction was not approved or that the construction deviated from the approved plans or specifications, then the party bringing suit shall also be awarded reasonable attorney's fees, costs and expenses even if the relief requested is not granted.

(c) Trees. Improper cutting, removal, lack of care or intentional damage to existing trees is subject to fines plus a requirement that the tree be replaced with an approved species of comparable caliper, or, if approved by the Design Review Committee, a combination of trees totaling the caliper of the removed tree. Fines shall be set by the Design Review Committee.

(d) Drainage. After reasonable notice (except in an emergency), the Founder or the Association shall have the right to enter onto a Parcel and correct improper grading or other modification to the Parcel which causes drainage problems. Such corrections shall be made at the cost and expense of the Owner of the Parcel, who shall promptly reimburse the Founder or the Association, as applicable. The Parcel shall be subject to a lien for the cost if not paid. The Founder or the Association, as applicable, shall not be required to repair or replace landscaping or other improvements after such action.

(e) No Waiver. Failure to enforce any provision of these Master Deed Restrictions shall not be deemed a waiver of the right to do so at any time thereafter. Variances from the Design Standards may be granted in particular circumstances; however, such variances shall not create a precedent for other applications. The Founder or its assignee shall have the unfettered right to interpret the Design Standards.

4.6 Liability. The Design Review Committee may act in its sole discretion in approving or disapproving all plans and specifications submitted to it. Neither the Design Review Committee, nor any individual member thereof, shall be liable to any person for any official act of the Design Review Committee in connection with submitted plans and specifications, except to the extent the Design Review Committee or any individual member thereof acted with malice or wrongful intent.

Approval by the Design Review Committee does not necessarily assure approval by the appropriate governmental authority. Notwithstanding that the Design Review Committee has approved the plans and specifications, neither the Design Review Committee nor any of its members, nor the Founder, shall be responsible or liable to any Owner, builder, contractor or any other party with respect to any loss, liability, claim or expense which may arise by reason of such approval or failure to approve.

Neither the Association, the Design Review Committee or any agent thereof, the Founder or any of its partners, employees, agents or consultants shall be responsible in any way for defects in any plans or specifications submitted, including drainage, revised or approved in accordance with the provisions of the Design Standards, nor for any structural or other defects in any work done according to such plans and specifications. In all events, the Design Review Committee shall be defended and indemnified by the Association in any such suit or proceeding.

No approval of plans and specification and no information in the Florence Gardens Design Standards shall be construed as representing or implying that such plans, specification or standards will, if followed, result in a properly designed Residential Unit or other structure. Such approvals and standard shall in no event be construed as representing or guaranteeing that any residence will be built in a good workmanlike manner.

4.7 Town Center. If a Town Center is developed, the Founder, during the Development Period, or the Town Center Association, after the Development Period, may at any time establish a separate Town Center Design Review Subcommittee, which shall operate in the same manner, and have the same powers, as the Design Review Committee established by these Master Deed Restrictions but which shall have jurisdiction over only that property within the Town Center. During the operation of such Town Center Design Review Subcommittee, the original Design Review Committee shall continue to be the Design Review Committee for Florence Gardens and shall continue to review and approve any construction or modification within the Neighborhood, while any construction or modification within the Town Center must be reviewed and approved by the Town Center Design Review Committee but shall not be required to be reviewed or approved by the Design Review Committee except that the Design Review Committee shall have final authority over all matters that relate to enforcement of the intent of Founder's Statement of Purpose for Florence Gardens, and to the extent that any matters addressed by the Town Center Design Review Subcommittee shall conflict with the Founder's Statement of Purpose, in the sole opinion of the Design Review Committee, the Design Review Committee shall have final authority over those matters. If the Founder or Town Center Association fail to establish such a Town Center Design Review Subcommittee, or if such board ever ceases operation, then all construction or modification within the Town Center shall be subject to review by the original Design Review Committee.

4.7a. Other Districts. Any Districts established by the Founder shall, for design review purposes, be entitled to the same method of autonomy for design review authority as the Town Center and may establish a Design Review Subcommittee. In such cases the

District Design Review Subcommittee and the Design Review Committee shall have the same scope of authority and rights as provided in 4.7, above.

4.8 Financial Support. The Associations shall pay the professionals and staff reasonable compensation for serving on the Design Review Committee, as determined from time to time by the Board. All members and all professionals and staff shall be compensated for expenses. The Associations shall set the Design Review Committee's review fees to cover all or part of the expected cost of its operation. If fees do not cover the cost, the Association shall fund the deficit. Fees shall not be intended to create a surplus, other than an ordinary operating fund for the Design Review Committee to which any excess fees shall be contributed. The Design Review Committee may employ personnel or contract with individuals or companies as necessary to assist in the review process.

4.9 Environmental Protection. To secure the natural beauty of the Property, the Design Review Committee may promulgate and amend from time to time rules and regulations which will govern activities which may, in its judgment, be hazards or threats to the environment including but not limited to such items as the application of certain fertilizers, pesticides or other chemicals. Failure of any Owner or tenant of Owner to comply with the requirements of such rules and regulations shall constitute a breach of this instrument. The Design Review Committee may further prohibit or restrict the introduction, planting or cultivation or vegetative species that the Design Review Committee in its sole discretion considers invasive or otherwise undesirable.

Areas determined to be jurisdictional wetlands by the US Army Corps of Engineers will be designated on the recorded plat for each Lot containing wetlands. Areas designated as wetlands within a Parcel may not be drained, filled, dredged, altered or otherwise impacted in any way without the express consent through the issuance of the appropriate permit(s) by the US Army Corp of Engineers and/or the Mississippi Departments of Marine Resources and/or any other state or federal regulatory agency that may have jurisdiction over wetlands. Normal mowing in wetland areas is, however, permitted.

The Association and the Founder, during the Development Period, hereby reserves unto itself a perpetual and releasable right and license on, over and under all Property including Parcels for the purpose of taking any action necessary to effect compliance with such environmental rules and regulations. The cost of such action by the Founder shall be paid by the respective Owner(s) of the Parcel(s) upon which the violation occurs.

4.10 Applicability to the Founder. Notwithstanding anything contained herein to the contrary, the Founder is not obligated by and subject to the provisions of this Article IV.

ARTICLE V: | Covenant to Complete
Building on Parcel

5.1 Restrictions on Building, Resale.

(a) Restriction; Purpose. To allow for community development and to discourage speculation which results in empty Lots or Parcels, the Owner of a Parcel must substantially complete construction of a primary building on the Parcel, in accordance with plans and specifications approved by the Design Review Committee within a limited period of time (the "Construction Period"), as described in Section 5.2, unless the deed or other recorded instrument from the Founder releases or modifies the restriction as to that Parcel.

(b) Completion. A primary building shall be considered complete when it has received a Certificate of Substantial Conformance as described in Section 4.3, and satisfies the requirements for receiving a certificate of occupancy from the appropriate governing authority.

(c) Holder of Rights. The right to enforce this Article V is held originally by the Founder, who may assign these rights at any time to the Design Review Committee or to the applicable Association or management entity. The time limit for construction does not apply to any Parcels held by the Founder or any entity related to or affiliated with the Founder. At the end of the Development Period as defined in Section 1.5, all of the Founder's rights under this Article V shall be automatically assigned to the applicable Association or management entity.

5.2 Construction Time Limit. Unless otherwise specified in the deed or other recorded instrument from the Founder, Owner shall:

(a) Submit initial plans and begin the design review process within twenty-one (21) months from the closing date of the purchase of the Parcel;

(b) Begin construction of a primary building on the Parcel, in accordance with approved plans and specifications, within twenty-four (24) months from the closing date (the "Construction Start Date");

(c) Diligently pursue construction once construction has begun; and

(d) Substantially complete the building, including landscaping, within twelve (12) months from the Construction Start Date for Residential Parcels, and within eighteen months for Special Use Parcels and other Parcels (the "Required Completion Date").

Failure to make significant progress during any thirty-day period shall be considered a failure to diligently pursue construction under (c). The time periods in (a), (b) and (d), shall be extended for casualty, extreme material shortages, extreme weather conditions or other significant matters beyond the builder's control or by the approval of the Founder or Design Review Committee.

5.3 Enforcement. If Owner fails to comply with the requirements of Section 5.2 or if Owner deviates from the approved plans and specifications and fails, after reasonable notice, to correct the deviation, then Founder shall have the following options:

(a) As to 5.2 (a) and (b): the right, but not the obligation, to repurchase the Parcel for a total purchase price equal to the amount paid by Owner to Founder or any related entity for the purchase of the Parcel.

(b) As to 5.2 (c) and (c): Unless Owner has obtained a Certificate of Completion and Release as provided in Section 4.3, and except as provided in Section 5.4, Founder may exercise its rights against Owner as provided below at any time before the Required Completion Date or within two (2) years after the Required Completion Date (i) if the improvements are complete but do not conform to the plans approved by the Design Review Committee, or (ii) if the improvements made do conform with the approved plans but remain incomplete. Founder may preserve its enforcement rights by recording, within two (2) years after the Required Completion Date, a lien or other notice of its intent to exercise its rights. Founder may assign any or all of its rights under this Section 5.3, and may exercise any of its rights through an assignee or other designee.

Founder may repurchase the Parcel for a total purchase price equal to the amount paid by Owner to Founder or any related entity for the purchase of the Parcel, plus the Fair Market Value, as defined below, of any improvements made in accordance with plans approved by the Design Review Committee. Any mortgage or lien on the Parcel, all closing costs for the repurchase and a resale fee equal to 10% of the Fair Market Value of any improvements made on the Parcel in accordance with plans approved by the Design Review Committee shall be deducted from the amount required to be paid to Owner by Founder.

Fair Market Value shall be defined as the value established by an independent appraiser, selected in the manner provided below (the "Independent Appraiser"), who is experienced in appraising residential properties of the character and quality of the properties developed in Florence Gardens. The method of selection the Independent Appraiser shall be as follows: Owner shall be given an opportunity to select an appraiser qualified with the experience as provided above, or in the absence of the Owner or unwillingness of the Owner to make such selection in a timely manner, an alternate shall be selected by

Founder, who is not related to Founder in any way, to make the appraiser selection on behalf of Owner; Founder will select a qualified appraiser; and the two appraisers will then, by agreement, select a third appraiser who will become the Independent Appraiser.

(c) If an improvement is commenced and construction is then abandoned for more than thirty (30) days or construction is not completed by the Required Completion Date, after the proper notice is given, the Association may impose a Fine of not less than \$500 per day on the Owner of the Parcel until construction is resumed, or the improvement is completed, whichever is earlier, unless the Owner can prove to the satisfaction of the Board that such abandonment or delayed construction is for circumstances beyond the Owner's control. Such charges shall be a Special Assessment and a lien against the Parcel as provided.

The remedies provided in this section are at the Founder's option and may be exercised together or separately as Founder deems appropriate, and are not intended in any way to limit the remedies under Section 4.5 (b).

5.4 Subordination to Mortgage.

(a) Effect. Founder and any designee or assignee of Founder's rights under Section 5.3 agrees to subordinate its right of repurchase to the first mortgage or deed of trust liens of an institutional lender (specifically including FNMA, FHLMA, any bank, savings and loan association, credit union or other such institution) under the terms of this section, which shall be effective whether or not noted in the deed. A lender in granting a mortgage or other lien subject to this right of repurchase agrees to these terms. Except as described in this section, the right of repurchase by Founder or its applicable designee or assignee shall not be subordinate to any other encumbrances.

(b) Assumption of Mortgage. If Founder exercises its right of repurchase while lender's mortgage or other lien encumbers the Parcel, Founder shall take the Parcel subject to the mortgage or other lien, and lender in granting a mortgage or other lien subject to this right of repurchase agrees to allow Founder or its applicable designee or assignee to repurchase the Parcel subject to the mortgage or such other lien.

(c) Mortgage Foreclosure. If lender seeks to foreclose the lien of its mortgage or other lien or accepts a deed in lieu of foreclosure before the Required Completion Date or within two (2) years thereafter and Founder has not provided a release and satisfaction of its rights as provided in Section 5.1, Founder shall be notified of the foreclosure action or conveyance. Founder's rights of enforcement under Section 5.3 shall not be extinguished by foreclosure or deed in lieu of foreclosure but shall continue as a restriction on the Parcel and may be enforced against Lender or any subsequent Owner.

(d) Extension. If lender has acquired title through a foreclosure or a deed in lieu, then lender may give notice to Founder that it wishes to extend the Required Completion Date. Founder shall be given thirty (30) days after such notice from lender in which to exercise a repurchase right by payment to lender of the amount obtained or bid by the lender in such foreclosure (or amount owed, for deed in lieu), plus interest at the stated rate of the note (not default rate) provided by the mortgage or deed of trust at the time of foreclosure or deed in lieu. Founder may exercise such rights whether or not the conditions for default under Section 5.3 are met at the time the notice is given. If Founder does not exercise its repurchase right, then Founder shall grant, in recordable form, an extension of the construction period provided in Section 5.2 as follows:

(i) If construction of the primary building has not begun, the date of the foreclosure or deed in lieu shall be considered the new closing date.

(ii) If construction of the primary building has begun, lender shall have a new Construction Start Date of four (4) months from the date of the foreclosure or deed in lieu, to allow lender to contract with a builder and to complete the design review process for any modifications to the approved plans and specifications. Lender or lender's assignee must then diligently pursue construction and substantially complete the building, including landscaping, within a reasonable time, based on the amount of completion. The amount of time to complete construction shall not exceed the time which would have been allowed under Section 5.2 (d), beginning from the new Construction Start Date.

Subject to the extended dates, Founder's rights of enforcement under Section 5.3 shall continue as a restriction on the Parcel.

5.5 Resale Restriction. If Owner desires to sell its Parcel before construction is complete and before Owner has obtained the Certificate of Completion and Release, Owner is required to notify Founder or the Association of its intention to sale and when a agreement to purchase has been concluded, Owner is required to provide Founder or the Association with the name and address of the Owner's purchaser. In such an event, the new Owner shall be subject to all of the terms, conditions and restrictions as set forth herein, except that the Plan Submittal Date, Construction Start Date and Completion Date will be subject to amendment by the Founder or the Design Review Committee, in their sole discretion, upon the submission and approval of a revised application by the new Owner in accordance with the provisions of Article IV, above.

If an Owner fails to give the required notice prior to the sale of a Parcel upon which construction of improvements has not been completed and a Certificate of Completion

and Release has not been granted, then the Founder shall have available all remedies at law and in equity, against both the original Owner and the subsequent Owner. In addition, in such an event the Plan Submittal Date, Construction Start Date and Completion Date shall continue to run from the date of the original closing of the sale from the Founder to the original Owner and all of Founder's rights, including those provided in 5.3, above, shall be preserved and binding on the new Owner.

ARTICLE VI: | Founder's Additional
Reserved Rights

6.1 Easements in Favor of the Founder. The easements reserved in this Section 6.1 are subject and subordinate to those reserved in Section 6.2. The easements provided by this section are intended to permit the Founder to continue and complete construction of the Master Plan Area, whether or not that property is ultimately submitted to a Declaration. Accordingly, the Founder hereby reserves for itself, its successors and assigns the following easements, which shall benefit all properties within the Master Plan Area and all other properties owned by Founder or its assigns which are adjacent to, or reasonably near, Florence Gardens and the Master Plan Area (including property separated from Florence Gardens by a public road, private road, water or other natural or manmade barrier), whether or not such properties are developed as part of Florence Gardens:

(a) Private Roads and Paths. A nonexclusive easement for use of any roads or streets which are not accepted for dedication to the public and which are intended for automobile traffic (other than alleys or other similar access roads which are intended for use only by residents on that road), along with a nonexclusive easement for appropriate use of any pedestrian or bicycle paths. If such roads become a primary means of access to a community which is not made part of Florence Gardens, and Florence Gardens does not similarly use the roads of such community, such community shall contribute its pro rata share of the cost of Florence Gardens road maintenance.

(b) Utility Easements. A blanket easement upon, across, over, through, and under Florence Gardens and the Master Plan Area for ingress, egress, installation, replacement, repair and maintenance of all public and private utility and service systems. These systems and services include, but are not limited to, water, sewer, irrigation systems, drainage, telephone, electricity, natural gas, television, security, collection of garbage and recyclable materials, cable or communication lines and other equipment. By virtue of this easement the Founder, and its successors or assigns, may install and maintain facilities and equipment, excavate for such purposes and affix and maintain wires, circuits and conduits. However, the exercise of this easement must not unreasonably disturb each Owner's right of quiet enjoyment of his Parcel. These

easements may also be used for telecommunications, telephone, cable or internet services, including but not limited to the construction of facilities, as may be owned, approved or developed by Founder or its assigns and designees.

(c) Police Powers. A blanket easement throughout Florence Gardens for private patrol services, and for police powers and services supplied by the local, state and federal governments. The reservation of such easement does not imply that any such service shall be provided.

(d) Drainage, Erosion Controls. A blanket easement and right on, over, under and through the ground within Florence Gardens to maintain and to correct drainage of surface water and other erosion controls. This easement includes the right to cut any trees, bushes or shrubbery, grade soil, or to take any other action reasonably necessary for health or safety or to comply with governmental requirements. The entity which exercises this easement shall be responsible for notifying the affected Owners (except in an emergency) but shall not be obligated to restore landscaping or other improvements. This easement may be exercised at the option of the Founder and shall not be construed to obligate Founder to take any affirmative action to correct conditions.

(e) Encroachment. An easement for any improvements constructed on the Commons which encroach on any Parcel, whether due to any minor deviation from the subdivision plat of Florence Gardens or the settling or shifting of any land or improvements.

(f) Maintenance of Commons. An easement for maintenance and improvement of the Commons at the Founder's discretion and, to the extent reasonably necessary, an easement over any Parcel for maintenance of the Commons.

(g) Continued Construction. To the extent reasonably necessary, an easement over, under and through any roads, whether public or private, and any other Commons for construction equipment and any other purpose related to continued construction of any property within the Master Plan Area.

(h) Founder's Rights and Reservations. No provisions in the Articles, the Bylaws, these Master Deed Restrictions or any Declaration shall limit, and no Owner or the Association shall interfere with, the right of Founder to subdivide or re-subdivide any portions of the Master Plan Area, or any part, Parcel or Lot of Florence Gardens to complete or alter improvements or refurbishments to and on the Commons and common facilities or any portion of the Master Plan Area owned by Founder, or alter the construction plans and designs, or construct such additional improvements or add future phases as Founder deems advisable during development period of the Master Plan Area.

Such right shall include, but shall not be limited to, the right to install and maintain such structures, displays, signs, billboards, flags, temporary construction trailers and sales offices as may be reasonably necessary for the conduct of Founder's business or completion of the work and disposition of the Parcels by sale, lease or otherwise. Each Owner by accepting a deed or other conveyance document to a Parcel hereby acknowledges that the activities of Founder may temporarily or permanently constitute an inconvenience or nuisance to the Owners and each Owner hereby consents to such inconvenience or nuisance. These Master Deed Restrictions shall not limit the right of the Founder at any time prior to acquisition of title to a Parcel by a purchaser from Founder to establish on that Parcel, and Commons, additional licenses, easements, reservations and rights of way, to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Master Plan Area. The Founder need not seek or obtain Association or Board approval of any improvement constructed or placed by Founder on any portion of the Master Plan Area. The rights of the Founder under these Master Deed Restrictions may be assigned by Founder to any successor and any interest or portion of Founder's interest in a portion of the Master Plan Area by a recorded, written assignment. Notwithstanding any other provision of this these Master Deed Restrictions, the prior written approval of Founder will be required before any amendment to this Section 6.1(h) shall be effective while Founder owns a Lot or any part of a Parcel of Florence Gardens. Founder shall be entitled to the nonexclusive use of the Commons without further cost, for access, egress, ingress, use or enjoyment, in order to show the Master Plan Area to its prospective purchasers and carry out the Master Plan Area as provided herein. Each Owner hereby grants, by acceptance of the deed to such Owner's Parcel, an irrevocable, special power of attorney to Founder to execute and record all documents and maps necessary to allow Founder to exercise its rights under this Section 6.1(h). This Section 6.1(h) shall be applicable for so long as the Founder owns any portion of the Master Plan Area.

(i) Reservation of Easement Rights by the Founder. The Founder, for itself and its assigns, hereby reserves a nonexclusive easement and right of way in, through, over, and across any area shown as an easement on a plat and in, through, over, and across any Commons for the purposes of the storage of building supplies and materials, the installation, construction, maintenance, reconstruction and repair of sanitary sewers, water pipes, irrigation pipes, electrical wires or cables, telephone wires or cables, telecommunication facilities, gas lines, storm drains, television cables, underground conduits, and related appurtenances to any of same, and for all other purposes reasonably related to the completion of construction and the provision of utility services, whether public or private, to Florence Gardens and to other real property in the vicinity of the Master Plan Area. The Founder hereby reserves for itself and its assigns a nonexclusive easement and right of way over any and all streets and roads of the Master Plan Area for purposes of vehicular and pedestrian ingress and egress to any other lands or property

owned by the Founder, its members and assigns, or any related or affiliated entities of the Founder or its members. Any and all instruments of conveyance made by the Founder to the Association with respect to any Commons shall be conclusively deemed to incorporate this reservation, whether or not specifically set forth in such instruments. At the request in writing of the Founder, the Association shall from time to time execute, acknowledge, and deliver to the Founder or its assigns such further assurances of this reservation as may be necessary.

(j) Conveyance of Easements for Utilities and Related Purposes. The Association is authorized and empowered to grant (and shall from time to time grant) such other easements, licenses, and rights of way over any Commons for the installation, operation and maintenance of sanitary sewers, water pipes, electrical wires or cables, telephone wires or cables, gas lines, storm drains, television cables, underground conduits, and related appurtenances for any and all purposes benefiting Florence Gardens and other real property in the vicinity thereof as may be considered necessary or appropriate by the Founder or Board of Directors for the orderly maintenance, preservation and enjoyment of any Commons and for the preservation of the health, safety, convenience, and welfare of the Owners of the Parcels, or the Founder.

6.2 Models; Sales and Management Offices. The Founder reserves for itself and its assigns the right to maintain and have access to a sales office, a management office and an unlimited number of models within Florence Gardens. These facilities may be located on any Parcel or any Commons in Florence Gardens and may be relocated from time to time at the Founder's discretion. The Founder shall have the right to use any Parcel, the clubhouse and other Commons for sales, management and other purposes as it deems necessary in its sole discretion. The sales office, management office and models may be owned by different entities, including builders and other entities unrelated to the Founder. At the end of its use as a sales or management office or model, the Parcel shall be owned by the owner of record, subject to all normal covenants and restrictions for Florence Gardens. Subject to state law and local ordinances, the Founder or its assigns may maintain signs on the Commons and on the sales office, management office and models advertising Florence Gardens.

6.3 Commercial Use of Images. The Founder reserves the following rights:

(a) Commons. The exclusive right to grant permission, charge for or collect fees for the Commons to be photographed, sketched, painted or its image otherwise reproduced for commercial use (including without limitation its use as a motion picture set or as a background for the display of fashions or other goods); and

(b) Exteriors. The right to grant permission for similar reproduction of the exteriors of any other part of Florence Gardens which can be viewed from streets, alleys or Commons. Such exteriors may be reproduced without the consent of, or payment to, the Parcel Owner, but the above right is not intended to prevent any Parcel Owner from granting its independent permission for any part of Florence Gardens owned exclusively by that Owner, in which case the consent of the Founder shall not be required.

The Founder may collect a fee for its consent to the use of such images, or for the providing of support services to photographers or others. The exercise of these rights shall not interfere with normal and customary rights of architects as to structures designed by them. Consent of the Founder shall not be required for photography or other reproductions of the images of Florence Gardens in connection with any news or feature coverage, for academic purposes, or by any governmental agency or other entity interested in the promotion of Florence Gardens or Mississippi, the development of tourism or commerce or any other similar purpose.

6.4 Name.

(a) Change. The Founder shall have the right to change the name, Florence Gardens, for all or any part of the property subject to these Master Deed Restrictions. Founder may, but is not required to, amend these Master Deed Restrictions to reflect the name change.

(b) Trademark. The Founder reserves the right to trademark the name "Florence Gardens" its logo or other name, logo or slogan of the community as a trade name owned by the Founder. An Owner of a business in the Town Center or other commercial District may use the trademarked name to describe the location of the business, and may advertise its business as being located "in Florence Gardens" or other trademarked name. If requested by the Founder, Owner shall accompany such use with a symbol or explanation concerning trademark or service mark registration of the name. Owner may not use the trademarked name in any other manner without the express permission of the Founder, which may be arbitrarily denied.

ARTICLE VII: | General Provisions

7.1 Assignment. Founder may assign all or any portion of its rights at any time for all or part of the Master Plan Area to a related entity, to a successor Founder, or to the Association.

7.2 Additional Property. Unless a notice is recorded specifically to the contrary, the submission of additional property to a Declaration for Florence Gardens shall automatically extend the provisions of these Master Deed Restrictions to the additional property as well. Founder may, but is not required to, record a notice in the public records extending these Master Deed Restrictions to the additional property or may modify these Master Deed Restrictions as to the additional property.

7.3 Amendment.

(a) By Members. Except as otherwise specified, these Master Deed Restrictions or other Declarations or covenants or restrictions contemplated herein may be amended only with the written consent of the owners of either two-thirds of the Parcels or two-thirds of the land by acreage within the Master Plan Area whichever approval can be more readily obtained. During the Development Period, the written consent of the Founder shall be required as well for any amendment. For the purposes of this definition, the term "Parcel" may include lots which are not yet platted or improved but which are indicated on the Master Plan for future development.

(b) By the Founder. Notwithstanding anything contained herein to the contrary and to the extent permitted by law, and without limiting the generality of the foregoing, the Founder specifically reserves the absolute and unconditional right to amend these Master Deed Restrictions without the consent or joinder of any party (i) for any reason prior to December 31, 2007, (ii) to conform to the requirements of the Federal Home Loan Mortgage Corporation, Veterans Administration, Federal National Mortgage Association or any other generally recognized institution involved in the guarantee or purchase and sale of mortgages, (iii) to conform to the requirements of institutional mortgage lenders or title insurance companies, (iv) to comply with governmental requirements, or (v) to clarify the Master Deed Restrictions' provisions or correct errors.

(c) Limitations. Whenever any action described in these Master Deed Restrictions requires approval of greater than sixty seven percent (67%) of the Parcel Owners, amendment of that provision shall require the same percentage vote as would be required to accomplish that action directly. Rights reserved to the Founder may not be amended without the specific consent of the Founder. After assignment of Founder's rights under Articles III and IV to the Association, those provisions shall be amended as provided in the Declaration.

(d) Recording. Any amendment shall take effect upon recording in the public records.

(e) Liens. All fines, liens and assessments as contemplated herein, or in any

other Declaration or by any Association, shall be a lien on the Parcel or Lot to which it applies and is collectible by such action at law or in equity, including foreclosure, as shall afford the aggrieved party a property remedy.

(f) Resort Designation. Founder hereby reserves the right to request that all or part of Florence Gardens be designated a resort or resort destination as defined under the laws of the State of Mississippi. No Owner of any Lot or Parcel of Florence Gardens shall have the right to object to any such request by Founder.

(g) Duration; Termination. The covenants and restrictions contained in these Master Deed Restrictions shall run with and bind Florence Gardens and the Master Plan Area and shall inure to the benefit of and be enforceable by the Founder, the Association, and all Owners of property within the Neighborhood, their respective legal representatives, heirs, successors or assigns for sixty (60) years, and shall be automatically extended for each succeeding ten (10) year period unless an instrument signed by Owners representing 90% of the votes in the Association and the Founder shall have been recorded, agreeing to terminate the Master Deed Restrictions as of a specified date.

7.4 Enforcement. In addition to the various enforcement rights specified in this instrument, Founder may bring suit in any court of competent jurisdiction to enforce specific performance of its rights under these Master Deed Restrictions or to seek damages.

7.5 Green Space Areas. It is the intention of the Founder that the natural, scenic and recreational resources, soils, wetlands, wildlife, game and migratory birds currently in evidence on the Property be maintained and enhanced by designation of certain areas of the Common Area as Green Space, Green Belts or Conservation Areas (collectively as used herein, "Green Space") as designated on the plats of the Property filed by the Founder for record with the Chancery Clerk of Harrison County.

No hunting or trapping shall be permitted on any portion of the Property at any time except for undesirable wildlife as authorized and approved by rules and regulations promulgated by the Association from time to time. The Founder and the Association expressly reserve the right to erect wildlife feeding stations, to plant small patches of cover and food crops for wildlife, to make access trails or paths or boardwalks through Green Space and Common Area for the purpose of permitted observation and study of wildlife, hiking and non-motorized bike riding, to erect small signs throughout the Green Space designating points of interest and attraction, and to take such other steps as reasonably necessary and proper to further the Community Use and enjoyment of the Green Spaces. The Founder and the Association, shall have the right, but shall not be obligated, to protect from erosion all Green Space by planting trees, plants, shrubs and

other ground cover where and to the extent necessary, or by such mechanical means as construction and maintenance of siltation basins, or other means deemed expedient or necessary by the Founder and/or the Association, respectively. The right is likewise reserved to the Founder and/or the Association to take steps necessary to provide and insure adequate drainage ways in the Green Space and Common Areas, to cut fire breaks, remove diseased, dead or dangerous trees and carry out other similar activities, the cost of which services to be paid by the assessment of the Association in accordance with the provisions of this Declaration.

The use of the Common Areas, Common Facilities and Green Spaces by the Owners, their invited guests and invites shall be governed by the applicable rules, regulations and policies as from time to time promulgated by the Association. The Founder and/or the Association shall not be liable for any matter or claim of any nature whatsoever arising directly or indirectly from the exercise of the right and authority thereby reserved.

7.6 Venue. All disputes, legal proceedings or arbitration shall be filed in Harrison County, Mississippi.

FLORENCE GARDENS

Declaration of Charter, Easements, Covenants and Restrictions For The Residential Neighborhood of Florence Gardens

Florence Gardens, LLC, a Mississippi limited liability company to be known as the "Founder," makes this Declaration on the 31st day of March, year of 2006.

STATEMENT OF PURPOSE:

A. The Founder is developing upon real property in Harrison County, Mississippi, a neighborhood development to be known as Florence Gardens. It is contemplated that Florence Gardens will be comprised of two principal Districts: the Neighborhood, which is the primarily residential District; and Town Center or something similar, which brings together a mixture of commercial and residential uses. There may be other or additional

Districts of the community. Unlike typical suburbs which separate homes from businesses and force dependence on the automobile, the Florence Gardens design is intended to mix commercial, civic and residential uses in a way that enlivens the Neighborhood.

B. This Declaration is intended to provide for the maintenance and operation of the Neighborhood, while Town Center, if developed, shall be subject to a separate Declaration. The residential units within Town Center are to be made members of the Neighborhood association on a limited basis so that the residents can enjoy the recreational facilities and activities of the Neighborhood.

C. The Neighborhood will have an owners' association to own and maintain certain Commons and Limited Commons.

Florence Gardens is subject to Master Deed Restrictions, recorded immediately prior to this Declaration. Among other things, the Master Deed Restrictions regulate the construction and modification of buildings and other improvements within Florence Gardens.

D. The Founder records this Declaration for the Neighborhood, and establishes an owners' association to enhance Neighborhood life, to institute and enforce certain covenants and restrictions, to provide for further maintenance of the Neighborhood, and to allow for self-governing of the Neighborhood by its Owners.

DECLARATION:

The Founder, who except as set forth hereinbelow, is the owner of all of the property described on Exhibit "A" (the "Neighborhood"), hereby submits and subjects the Neighborhood to this Declaration of Charter, Easements, Covenants and Restrictions. The Founder hereby declares that the Property comprising the Neighborhood shall be held, sold, conveyed and subject to the covenants, restrictions and easements of this Declaration, which shall run with the land and be binding on all parties and heirs, successors and assigns of parties having any right, title or interest in all or any part of the Neighborhood. C A Brown Developments, Inc., a Mississippi corporation, L. J. & L. Enterprises, Inc., a Mississippi corporation, Joan Cravens, Inc., a Mississippi corporation, and Harbor Oaks, Inc., a Mississippi corporation, are each the Owners of Lots in Florence Gardens and have joined in the execution of this Declaration to indicate their agreement with and consent to the terms, conditions and provisions hereof and to bind and subject their property to this Declaration.

1.18 Member. Each Owner is a "Member" of the Association, as provided in Articles VI and VII of this Declaration.

1.19 Mortgagee. A "Mortgagee" is any institutional lender that holds a bona fide first mortgage encumbering a Parcel as security for the performance of an obligation. The term "institutional lender" specifically includes a bank, savings and loan association, a mortgage lending company, an insurance company, and the Federal National Mortgage Association or similar agency.

1.20 Neighborhood. The "Neighborhood" is the real property described on *Exhibit A*. The Neighborhood shall also include any additional property added by Supplemental Declaration.

1.21 Neighborhood Meeting. The "Neighborhood Meeting" is the public meeting of Members for discussion and voting, as described in Article VII.

1.22 Owner. "Owner" is the record owner, whether one or more persons or entities, of the title to any Parcel within the Neighborhood. Owners shall not include those having such interest merely as security for the performance of an obligation.

1.23 Parcel. A "Parcel" is the smallest piece of real property that may be separately conveyed. A Parcel may be a Lot (whether or not improved by a Building), a Special Use Parcel, or certain Residential Units such as condominium units.

1.23 (a) Plat. The official map or plat of Florence Gardens or any part thereof.

1.23 (b) Property. Property as used herein shall be the land subject to these covenants as same may be amended from time to time. The initial Property is described on Exhibit "A" attached hereto and made a part hereof by reference. The Property size and configuration may be amended by annexation, sale, addition, supplement or deletion in the discretion of Founder.

1.24 [Intentionally Deleted]

1.25 Residential Unit. A "Residential Unit" is an individual Residential Unit and shall include a townhouse or other attached Residential Unit (such as each half of a duplex unit), an apartment or condominium unit, a Residential Unit within a mixed-use building, or an assisted living facility unit (but not a nursing home). Residential Units may be established at the discretion of the Founder.

1.26 Special Use Parcel. A "Special Use Parcel" is a Parcel of unconventional size, shape, location or use that calls for special design considerations. Typically, a Special Use Parcel will be used for commercial purposes, multi-family residential or Neighborhood or recreation facilities or such other use as the Founder establishes from time to time.

1.27 Supplemental Declaration. "Supplemental Declaration" is any declaration that may be recorded by the Founder or the Association in accordance with Article II to add Additional Property to the Neighborhood.

1.28 Zone. "Zones" are smaller, contiguous areas within the Neighborhood of distinct building type, character or within a specific location. The Founder, in its sole discretion, may elect to develop or utilize Zones in the development of Florence Gardens and the Neighborhood. The Founder or its assigns shall form and establish zones as it deems necessary. Owners of property within a Zone may be assessed for maintenance of property primarily serving that Zone.

ARTICLE II:

Property comprising the Neighborhood

2.1 Property. The real property that shall be held, transferred, conveyed, leased and occupied subject to this Declaration consists initially of that real described on *Exhibit A*.

2.2 Development Plan.

(a) Property. The property that comprises the Master Plan Area is intended for development as a single, unified neighborhood development and is intended to include

both residential and commercial properties. Portions of the Master Plan Area that are primarily commercial may be submitted to this Declaration in accordance with Section 2.3, or may be submitted to a separate declaration and maintained by a separate association. The number and type of associations shall be determined by the Founder or its assignees.

2.3 Additional Property.

(a) By the Founder. The Founder shall have the right, but not the obligation, for a period of thirty (30) years from this date, from time to time in its sole discretion, to add to the Neighborhood any part of the Master Plan Area as "Additional Property." This reserved development right may be exercised with respect to different portions of the Master Plan Area at different times. No assurances are made as to the boundaries of those portions or order in which the portions will be added. Exercising any development right in any portion of the Master Plan Area does not necessarily mean the right will be exercised in the remainder of the Master Plan Area.

The Founder may also add to the Neighborhood contiguous property, or property any portion of which is within one mile of any portion of the Neighborhood (including any property separated from the Neighborhood by a public street, body of water or other property) or any other property with a reasonable relationship to the Neighborhood. The Founder may also add individual Residential Units (such as apartments or condominium units above stores or offices) that are within primarily commercial portions of the Master Plan Area, even if the land surrounding the units is not added.

(b) By Members. Additional property of any type may be added to the Neighborhood by a majority vote of the Board. The Founder must approve of the addition of any additional property so long as it owns any of the Master Plan Area or any of Florence Gardens.

(c) Supplemental Declaration. A Supplemental Declaration adding the additional property shall become effective upon being recorded in the county's public records.

(d) Special Provisions. The Supplemental Declaration may modify or add to the provisions of this Declaration if needed to reflect the different character of the additional property. A Supplemental Declaration may define Zones; may designate certain Commons as "Zone Commons" for the use of certain Zones; and may create an assessment procedure by which certain Zones are assessed separately for Zone Commons. However, no such Supplemental Declaration shall deny use of existing Commons to those Owners who had such right prior to the recording of the Supplemental Declaration. If individual Residential Units that are within primarily commercial portions of the Master Plan Area are added, the amount of assessments to be paid by such

units may be reduced, based upon a reasonable estimate of the units' usage of the Commons as determined by Founder or its successors and assigns.

2.4 [Intentionally Deleted]

2.5 Zones.

(a) Intent. Zones are intended to provide a flexible means for providing additional maintenance or capital improvements for a small portion of the Neighborhood that has special needs. Owners of property within a Zone may be assessed for maintenance of property primarily serving that Zone.

(b) Designation. Zone boundaries may be designated at the time of the addition of the property by Supplemental Declaration during the Development Period, or at any later time by the Board.

(c) Characteristics. To the extent reasonably possible, all Parcels on both sides of a street shall be included within the same Zone. Separate Zones may be created if the street is interrupted by cross streets, by changes in topography or by Commons, or if Parcels on opposing sides of the street are of significantly different character. During the Development Period the Founder shall make all determinations concerning Zones.

ARTICLE III:

Easements

3.1 Easements in Favor of the Association. The Founder hereby reserves for the Association and its assigns the following easements, which shall benefit the Neighborhood, the Founder or its successors and assigns:

(a) Utility Easements. A blanket easement upon, across, over, through, and under the Neighborhood for ingress, egress, installation, replacement, repair and maintenance of all public and private utility and service systems. These systems include, but are not limited to, water, sewer, irrigation systems, drainage, electricity and other equipment. By virtue of this easement the Association, and its successors or assigns, may install and maintain facilities and equipment, excavate for such purposes and affix and maintain wires, circuits and conduits. However, the exercise of this easement must not unreasonably disturb each Owner's right of quiet enjoyment of his Parcel. During the Development Period this easement may be altered, terminated, amended or assigned as Founder deems appropriate.

(b) Police Powers. A blanket easement throughout the Neighborhood for private patrol services, and for police powers and services supplied by the local, state and federal governments. The reservation of such easement does not imply that any such service shall be provided.

(c) Drainage, Erosion Controls. A blanket easement and right on, over, under and through the ground within the Neighborhood to inspect, maintain and to correct drainage of surface water and other erosion controls. This easement includes the right to cut any trees, bushes or shrubbery, grade soil, or to take any other action reasonably necessary for health or safety or to comply with governmental requirements. The Association shall notify affected Owners (except in an emergency) and shall restore the affected property to its original condition as nearly as practicable.

(d) Encroachment. An easement for any improvements constructed on the Commons which encroach on any Parcel, whether due to any minor deviation from the subdivision plat of the Neighborhood or the settling or shifting of any land or improvements.

(e) Maintenance of Commons. To the extent reasonably necessary, an easement over any Parcel for maintenance of the Commons and Limited Commons.

3.2 Relationship between Lots.

(a) Intent. The design for Florence Gardens is intended to maximize land usage and sense of Neighborhood by providing squares and parks while also offering smaller but private yards for individual use. As provided by the Florence Gardens Design Standards, certain buildings within the Neighborhood may be attached as townhouses, or may be detached but placed on or near the property line. The easements in this Section 3.2 are intended to provide guidelines for reasonable cooperation between neighbors. The Association and/or Founder may make rules for maintenance and use of easement areas and shared improvements that shall be applied uniformly to all Lots similarly configured.

(b) Lot Lines. Lots may not be subdivided or separated into smaller Lots, or any portion of a Lot separately conveyed, except by the Founder or with the specific consent of the Florence Gardens Design Review Committee. However, this shall not prohibit corrective deeds or similar corrective instruments. The Founder may redefine Lots prior to sale by dividing or combining Lots or portions of Lots and adjusting the boundary of a Lot. The Founder shall also have the right to modify subdivision plats of the Neighborhood to make adjustments to Lot boundary lines with consent only of those Owners whose Lot boundaries are to be changed. The division or combination of Lots may be subject to zoning or other governmental regulation, which may require, among other things, that the number of Residential Units not be reduced if Lots are combined.

(c) Party Walls. Each Owner grants to the Owner of each adjacent Parcel the right and easement to maintain and to utilize any exterior or interior wall of a Building that forms a party wall between them. A wall will be considered a party wall only if it serves to separate Parcels on their property line. Maintenance of the surface of the party wall shall be the sole responsibility of the Owner whose Building faces such wall. Each Owner shall be liable and responsible if, in connection with that Owner's use and

maintenance of the party wall, the Owner damages the adjacent Owner's Lot or the wall itself. The cost of any other repairs to the party wall shall be shared equally by the adjacent Owners.

(d) Exterior Walls along a Lot Line. An exterior wall which supports the Building on only one Lot, or which encloses a courtyard on one Lot, shall not be considered a party wall. The Association may make rules and regulations concerning use and maintenance of such walls, including assigning responsibility between the adjoining owners for all insurance requirements, painting and repair and granting access over the adjoining Lot as reasonably necessary to maintain the wall. All such maintenance and repair shall be in accordance with the Florence Gardens Design Standards.

(e) Yard Easements. To allow most efficient use of a Lot while complying with governmental setback requirements, a portion of a Lot along a Lot line may be subject to an easement for use by the adjoining Lot Owner. Such easements may be designated on the plat, the Florence Gardens Design Standards or on the deed from the Founder to the first Owner other than the Founder. Such use easements may be up to four feet wide and shall run along a boundary line, but shall not encroach upon more than one boundary line. In addition, the Owner of such a Lot subject to an easement shall be the beneficiary of a similar easement along another portion of the Lot, unless the Lot is a corner Lot or is larger than the surrounding Lots. Subject to regulation under the Florence Gardens Design Standards, the beneficiary of such an easement shall have the use and maintenance responsibility for the easement area and may place air-conditioning equipment, fences, decks or patios and other fixtures (but not a primary structure) upon the easement area.

(f) Roof Overhang; Footings. For certain building types, such as sideyard or zero-lot-line houses, which are to be built along a property line, the Florence Gardens Design Standards may permit roofs, gutters, soffits and downspouts to overhang this property line, and may allow footings and rain leaders to intrude below the surface of the same property line. To the extent allowed by the Design Standards and local governmental regulations the adjacent property shall be subject to an easement for such intrusion. However, roofs, gutters, downspouts and rain leaders may not discharge water onto adjacent property.

(g) Townhouse or Row house Roof. If a townhouse or row house wall or parapet is constructed along or very near the property line, the owner of the townhouse or row house to be constructed on the adjacent property shall have the right to flash into the existing building, in accordance with industry standards and in order to make the new building watertight. This right shall include the right to make minor cuts on the existing building and to secure flashing or other materials to the existing building, so long as the structural integrity and watertightness of the existing building is not impaired. The cost for flashing shall be incurred by the owner of the new building, but the maintenance of this connection shall be a shared expense between adjacent property owners.

ARTICLE IV:

Commons

4.1 Title.

(a) Association-Owned Commons. The Association shall hold title to certain Commons or Common Area, including in certain instances Limited Common Area. For those portions of the Commons that consist of easements and other rights, the Association shall be the holder of those rights.

(b) Additional Commons. The Founder may convey to the Association additional Commons that the Association shall accept for maintenance.

4.2 Maintenance; Capital Improvements.

(a) Generally. The Association shall be responsible for the management, control and improvement of the Commons, including the Limited Commons, and shall keep the Commons attractive, clean and in good repair.

(b) Capital Improvements. Subject to design review, the Association may make capital improvements to the Commons and may modify the uses of the Commons. For example, the Association may add new recreational facilities (which improvements must be approved in accordance with the architectural review provisions of the Master Deed Restrictions). Expenses for substantial capital improvements must be approved in accordance with Section 8.6.

4.3 Owners' Easements of Access and Enjoyment.

(a) Commons. The Founder hereby grants and conveys to every Owner a right and easement of appropriate use and enjoyment of the Commons, subject to the Association's right of regulation in accordance with this Declaration and the Founder's right to use the commons as provided in paragraph 4.4 (C), and subject also to any limitations contained in the conveyance of those Commons to the Association. These easements shall be appurtenant to and shall pass with title to every Parcel. Only certain Owners shall have a right of easement and use as to the Limited Commons.

(b) Tenants, Guests. Any Owner may delegate, subject to the provisions of this Declaration, the Bylaws and the Rules and Regulations, his right to enjoyment to the Commons to the members of his family, his tenants or his guests who reside on the Parcel or are accompanied by the Owner. The Association may adopt rules to prohibit or restrict use of the Commons recreational facilities by a non-resident Owner whose Residential

Unit has been leased to a tenant, except when the Owner is a bona fide guest of the tenant.

4.4 Use of Commons.

(a) Members' Benefit. The Association shall maintain the Commons for the benefit of its Members.

(b) Non-Members. The Association may permit limited use and access for all or a portion of the Commons that are not dedicated to the public, through the sale of club memberships or other fees. Any such revenue shall benefit the Association.

(c) Open-Air Market and Festivals. The Founder reserves, for itself or its various assigns, the right to use portions of the Commons as an open-air market for the rental of space for pushcarts, kiosks, stands or similar temporary sales structures. Such uses may be for special events or on a recurring or daily basis. Founder also reserves, for itself or its various assigns, the right to use portions of the Commons for festivals or other events intended to enrich and enliven the Neighborhood. Founder further reserves a right of access through the Commons for all such purposes. Founder may, but is not obligated to, assign such rights to the Association at any time.

(d) No Commercial Use. Except as specifically permitted by this Declaration, there shall be no commercial use of the Commons, nor shall the Commons be subdivided or sold. Notwithstanding the foregoing, Founder, during the Development Period, shall have the right to change the use, designation and configuration of the Commons.

4.5 Neighborhood Road Regulation. To the extent permitted by Florence Gardens, the Association may make rules and regulations concerning driving and parking within the Neighborhood, and may construct traffic calming devices as approved by the Design Review Committee, post speed limit or other traffic signs and take any other reasonable measures to discourage excessive speed and encourage safe driving on the Neighborhood Roads. To the extent permitted by Florence Gardens and applicable law the Association may enforce any violation in accordance with Section 11.8 and may tow offenders.

4.6 Surface Water or Stormwater Management System. The Association shall have the power and duty to maintain proper drainage within the Neighborhood. In the exercise of this power and duty, the Association shall have a blanket easement and right on, over, under and through the ground within the Neighborhood to maintain and to correct drainage of surface water. This easement includes the right to cut any trees, bushes or shrubbery, grade soil, or to take any other action reasonably necessary for health or safety or to comply with governmental requirements.

4.7 Damage or Destruction of Commons by Owner. If any Owner or any of the Owner's guests, tenants, licensees, agents, employees or members of his family damages

any of the Commons as a result of negligence or misuse, the Owner hereby authorizes the Association to repair the damage. If the damage was intentional and not the result of a reasonable accident, the cost of repair shall be the responsibility of that Owner and shall become an Individual Parcel Assessment payable by the responsible Owner. The Association may, but is not required to, seek compensation for intentional damage from the guest, tenant or other party who caused the damage, in which case the Owner shall be jointly and severally liable.

4.8 Limitation of Liability. Each Owner, by taking title to a Parcel, and the Association by its joinder in the Declaration and each person using any such facility agrees that neither Founder nor any entity designing, constructing, owning, operating or managing the Commons and Limited Commons shall be liable to the Owner or the Association or any invitee of the Owner or the Association for any loss or damage for personal injury, damage to property, trespass or any other alleged wrong attributable to the Commons or the Limited Commons or to the usage thereof. This release of liability shall apply without limitation, to any such claim arising in whole or in part from the negligence of Founder or any other entity or person designing, constructing, managing, operating or owning the Commons and Limited Commons. Each Owner and the Association agree to indemnify and hold harmless Founder and any other entity designing, constructing, managing, operating or owning the Commons and Limited Commons against all claims by their respective guests, invitees or licensees with respect to any claims above described. The provisions of this Section shall apply to the Commons and Limited Commons as originally designed and constructed and as same may be altered in design, layout and construction from time to time.

ARTICLE V:

Neighborhood Planning and Administration of The Design Standards

5.1 Master Deed Restrictions. The Master Deed Restrictions establish the Florence Gardens Design Standards as the guide for all construction within the Master Plan Area and create the Florence Gardens Design Review Committee. All construction or modification of any building or other improvements, any tree removal or landscaping or any material alteration of the topography of any Lot or Commons must be approved in advance by the Florence Gardens Design Review Committee.

5.2 Binding Effect. The Master Deed Restrictions, which are recorded in the public records, are binding upon all of the property in the Master Plan Area. Unless a notice is recorded specifically to the contrary, the submission of additional property to the Declaration for Florence Gardens shall automatically extend the provisions of the Master Deed Restrictions to the additional property.

5.3 Assignment to Association. The Master Deed Restrictions provide for the Founder's enforcement of the Florence Gardens Design Standards during the

Development Period. At the end of the Development Period, the Founder shall assign to the Association its rights to enforce the Florence Gardens Design Standards, as provided in the Master Deed Restrictions. Upon such assignment or if for any reason the Founder is unable or unwilling to perform its powers under Articles I and II of the Master Deed Restrictions, the provisions of Articles I and II of the Master Deed Restrictions shall become part of this Declaration as if originally included. At that time, the Association shall have and assume the responsibility of appointing members of the Florence Gardens Design Review Committee and enforcing all violations of Articles I and II of the Master Deed Restrictions with all of its powers under the Master Deed Restrictions and this Declaration.

ARTICLE VI:

Owners' Association

6.1 Duties. The Association shall maintain, repair and replace the Commons, shall enforce the terms of this Declaration, and shall perform all other duties required by this Declaration or by Mississippi law, and by other government entities having jurisdiction.

6.2 Additional Powers. To the extent permitted by governmental authorities, the Association may, but is not obligated to, and as further limited by exclusive reservations in favor of the Founder, provide the following services or engage in the following activities:

(a) water, sewer, irrigation systems, drainage, telephone, electricity, television, security, cable television or communication lines and other utility services; supply of irrigation water; garbage and trash collection and disposal; laundry equipment or service;

(b) insect and pest control; improvement of vegetation and wildlife conditions; forestry management, pollution and erosion controls;

(c) emergency rescue, evacuation or safety equipment; fire protection and prevention; lighting of Neighborhood Roads which are not dedicated roads or lighting of dedicated roads; restricted or guarded entrances, traffic and parking regulation and security patrols within the Neighborhood;

(d) transportation; day care and child care services; landscape maintenance; recreation, sports, craft and cultural programs; and newsletters or other information services;

(e) maintenance of easement areas, public rights-of-way, sidewalks, drainage areas, traffic signage and other public or private properties located within reasonable

proximity to the Neighborhood if its deterioration would affect the appearance or safety of, or access to the Neighborhood, or as otherwise agreed to by the Association; and

(f) any other service allowed by law to be provided by a homeowners' association organized under the appropriate governing law.

The Board may, by majority vote, initiate or terminate any of the above services, which shall take effect sixty (60) days after notice to the Members, except in an emergency. As determined by the Board depending upon the nature of the service, such additional services may be part of the common expenses of the Association, may be assessed as an Individual Parcel Assessment to affected Parcels, or may be provided on a fee-for-service or other reasonable basis. If requested by petitions signed by at least 10% of the Members, a Neighborhood Meeting may be called and, if a quorum is present, the Board's action to initiate or terminate an additional service under this Section 6.2 shall be repealed by majority vote of the Members. Upon such repeal, the Board may not re-institute or terminate the service for five years unless also approved by majority vote of the Members.

6.3 Contracts. The Association may contract with any party, including the Founder, or any affiliate of Founder or any entity in which Founder owns an interest, for the performance of all or any portion of the management of the Association and its maintenance, repair obligations and other services. The cost of the contracts shall be included within the General Assessment, Special Assessment, or Individual Parcel Assessment as applicable. The Association may require that Owners contract for certain routine yard maintenance, in order to provide a uniform level of care. The Association also may, but is not obligated to, act as agent for an Owner, if so requested by that Owner, to contract for routine maintenance and other services not required to be provided by the Association, the cost of which would be assessed to that Owner as an Individual Parcel Assessment. The terms and conditions of all such contracts shall be at the discretion of the Board.

6.4 Membership. The Members of the Association shall be and consist of every Person who is or who becomes, an Owner of record of the title to a Parcel and is included in the definition of an Owner hereunder. When more than one Person owns or holds an interest or interests in a Parcel, then all such Persons shall be Members.

6.5 Action by Members. The Association shall have two classes of voting Members. Class A Members shall consist of all Members, except the Founder. The Class B Member(s) shall be the Founder. Whenever any provision of this Declaration requires a vote of a specified percentage of the voting power of each class of Members, then such provision shall require a separate vote by the specified percentage of the voting power of the Class A Members and by the specified percentage of the voting power of the Class B Members. Whenever any provision of this Declaration requires a vote of a specified

percentage of the voting power of the Members, then such provision shall require a vote by the specified percentage of the combined voting power of all Members.

6.6 Members' Voting Rights . Except as otherwise specifically provided in the Articles or the Bylaws, the voting rights of the Members shall be as follows:

(a) Whenever a vote of the Class A Members is required or permitted under this Declaration, the aggregate voting power of all Class A Members shall be equal to the aggregate number of Lots owned by all Class A Members. Class A Members shall be entitled to cast one vote for each Lot owned by such Class A Members. When more than one Member owns or otherwise holds an interest or interests in a Lot, then the one vote cast for such Lot shall be exercised as such Members shall determine, but in no event shall more than one vote be cast with respect to any Lot except for condominium unit(s) as provided in Section 6.11 hereof. The vote for each Lot may not be divided or fractioned.

(b) Until such time as the Founder executes, delivers and files of record a relinquishment of its voting rights as a Class B Member hereunder, the Class B Members shall be the Founder who shall be entitled to one vote for each Lot owned by Founder and in addition two votes for each one vote of a Class A Member.

6.7 Membership Appurtenant to Real Property . The membership of both the Class A Members and the Class B Member shall be appurtenant to the ownership of a Lot. A membership shall not be held, assigned, transferred, pledged, hypothecated, encumbered, conveyed or alienated in any manner except in conjunction with and as an appurtenance to the ownership, assignment, transfer, pledge, hypothecation, encumbrance, conveyance or alienation of the Lot to which the membership is appurtenant.

6.8 Voting Conflict Between Members . If the title to a particular Lot is owned of record by more than one Member, then the one vote appurtenant to such Lot may be exercised by any one of such Members, unless the other Members who own an interest in such title to the Lot shall object prior to the completion of voting upon the particular matter under consideration. In the event of any such objection, the one vote appurtenant to such Lot shall not be counted.

6.9 Termination and Reinstatement of Class B Members . If on any one or more occasions all Class B memberships should terminate or the Class B Member should relinquish its rights hereunder, and if after any such termination or relinquishment, the Founder, by annexation to the Property in accordance with the Declaration, should add additional property to the Property theretofore subject to the Declaration, then on each such occasion the status of the Founder as a Class B Member shall be fully reinstated with a full vesting of all rights previously relinquished, and following each such occasion, the Founder, or the nominee or nominees, if any, of the Founder, shall continue to be Class B Members with all rights vested herein until such time as the Founder

thereafter relinquishes such rights. Following each such reinstatement of the Class B memberships, for so long thereafter as the Class B memberships shall continue to exist, the Founder, and their nominee or nominees, if any, shall have all rights and powers of Class B membership, as herein provided.

6.10 Other Voting Provisions. The Articles and/or the Bylaws contain other provisions relating to voting rights of Members with respect to matters or issues unrelated to this Declaration, including, but not limited to, the election of individuals to the Board of Directors.

6.11 Condominium Unit(s). In the event a Residential Unit or other improvement constituting a condominium unit(s) is constructed on a Lot, then upon conveyance of the condominium unit(s), each Owner of the condominium unit shall be entitled to one vote appurtenant to such condominium unit; provided, however, in such instance there shall not be a vote appurtenant to the common areas which are a part of such condominium unit(s). In no event shall the total number of votes appurtenant to a Lot upon which condominium units are located exceed the number of condominium units on such Lot. Further, in the event an Owner of a condominium unit on a Lot owns more than one such condominium unit on the same Lot, then such Owner shall be entitled to only one vote for all condominium units owned by such Owner on the Lot.

6.12 Election of Board of Directors.

(a) Procedure. Elections shall be conducted in accordance with the Bylaws and procedures established by the then-current Board.

(b) Initial Selection by Founder; Selection during the Development Period. The Founder shall appoint and remove the initial officers and members of the Board and shall elect the Board during the Development Period. The Founder may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of the development period, in which case the Founder reserves the right to record an instrument specifying that, until the time Founder would have been required to end control of the Board, certain actions of the Association or Board must be approved by the Founder before they become effective.

6.13 Classes of Votes.

(a) Intent. It is anticipated that a single Owner, alone or with affiliates, may own condominiums or other Parcels and thereby control a significant number of votes, which could unduly influence the election of owner representatives from the remaining Parcels. Furthermore, if the Neighborhood includes a significant number of apartment units, it is deemed desirable that tenants participate in the operation of the Neighborhood.

(b) Block Vote. If, after the Development Period any Owner, alone or with affiliates, controls at least 20% of the votes of the Association, that Owner shall select

one member or 20% of the Board, whichever is greater, but shall not vote for any other members of the Board. If such Owner controls at least one third of the votes of the Association, that Owner shall select two members or one third of the Owner-selected members of the Board, whichever is greater, but shall not vote for any other members of the Board. In all membership votes other than election of Board members, such Owner shall be entitled to cast votes in the same manner as any other Owner. The Founder shall elect all board members during the Development Period.

(c) Tenants. Tenants within the Neighborhood may at any time form a Tenant Advisory Committee and may elect one delegate as a non-voting member of the Board of the Association. If, after the end of the Development Period the number of rental units equals at least one third of the total Residential Units in the Neighborhood, then the number of directors shall be increased so that tenants may elect one voting member of the Board of the Association.

(d) Calculation. For purposes of paragraph (b), the calculation of numbers of Board members shall not include the tenant delegate. For example, if a condominium or apartment building owner controlled one-third of the votes, the Board could comprise two members elected by the condominium or apartment building Owner, four members elected by other Owners, and one member elected by tenants.

6.14 No Compensation for Directors. Directors shall receive no compensation for their services unless expressly provided for in resolutions adopted by the Members, but may be reimbursed for expenses.

6.15 Additional Provisions. Additional provisions concerning the operation of the Association and the Board are contained in the Articles and Bylaws.

6.16 Limitation of Liability and Indemnification.

The Association shall indemnify every officer, director and committee member, Founder, Founder Members, Founder employees and agents against any and expenses, including counsel fees and expenses, reasonably incurred by or imposed upon such officer, director or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake or judgment, negligent or otherwise, except for their own individual willful malfeasance, misconduct, illegal activities, or bad faith. The officers, directors or committee members shall have no personal liability with respect to any contract or commitment made by them, in good faith, on behalf of the Association, and the Association shall indemnify and forever hold each officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be

exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled.

ARTICLE VII:

Decision Making

7.1 Neighborhood Meeting.

(a) When called. After the Development Period the Neighborhood Meeting shall be called annually for the election of members of the Board, and whenever any action is required by this Declaration to be taken by vote or assent in writing of the Members. As a convenient reference and not as a limitation, actions requiring a vote of the Members, or assent in writing, include the following:

Annexation of Additional Property.....	Section 2.3
Repeal of Additional Services	Section 6.2
Election of the Board of Directors	Section 6.12
Approval of General Assessments when increased more than 15%.....	Section 8.4
Ratification of expenditures for capital improvements.....	Section 8.6
Approval of Zone expenses	Section 8.7
Amendment of Declaration.....	Section 13.1
Dedication of the Commons	Section 13.2
Merger into, or Dedication of Commons to, Municipality	Section 13.4
Termination of the Declaration.....	Section 13.5

(b) Quorum. Voting at a Neighborhood Meeting requires presence of members representing the percentage of votes necessary to transact business. The necessary percentage is determined by the Bylaws, and if permitted by the Bylaws and by statute, the Board may revise this percentage from time to time.

(c) Notice. Notice of the meeting must be given to Members in accordance with Section 14.4 ("Notices") and in accordance with the Bylaws. Notice of meetings shall also be posted in at least one place within the Commons.

(d) Proxies; Electronic Voting. To the extent allowed by the Bylaws and statute, proxies and limited proxies may be used to establish a quorum and for voting purposes. To the extent allowed by law and in accordance with procedure that may be adopted in the Bylaws, a quorum may be evidenced, and votes may be cast, by electronic means.

7.2 Action without Meeting. If permitted by the Board, the membership may approve any matter (specifically including the election of directors) by a written vote conducted by mail, by electronic ballot, or by written consent without a meeting. Notice may be

waived in the event of an emergency. Voting or consents shall be in accordance with the Bylaws and statute. Wherever used in this Article, "electronic means" or "electronic ballot" shall specifically include e-mail and, upon approval of the Board, other similar means of communication which may be developed in the future.

7.3 Board Meetings.

(a) Board's Responsibility. Except as specifically provided in this Article or elsewhere in this Declaration, the Board has been delegated the power, and shall have the authority to act on behalf of the Association and to make all decisions necessary for the operation of the Association, the enforcement of this Declaration and the care of the Commons.

(b) Quorum. Voting at a Board meeting requires presence of at least one-half of the directors, in person or telephone conference or, if allowed by law, by proxy. If permitted by law, any action required to be taken by vote of the Board may be taken in the absence of a meeting (or in the absence of a quorum at a meeting) by obtaining the written approval of a majority of the Board. With the approval of all directors, meetings may be conducted by electronic means.

7.4 Record Keeping. The Board shall keep a record of all meetings, both of the Board and of the Association. For each action taken, the record shall state the vote and a description of the action approved, and, where applicable, the reasons why the action was considered necessary and a summary of the information on which the decision was based. The record shall be available for inspection by any Member.

7.5 Approval. Wherever used in this Declaration, approval by a majority or other proportion of the Members refers to a vote in accordance with this Article, either at a properly called Neighborhood Meeting or through a voting procedure established under Section 7.2. Where the Declaration specifies consent in writing, or request in writing, by a majority or other proportion of all Members, then the necessary number is based on the number of votes represented by the total Membership of the Association, and signatures may be collected without a Neighborhood Meeting or other voting procedure.

ARTICLE VIII:

Association Budget

8.1 Fiscal Year. The fiscal year of the Association shall begin January 1 of each year and end on December 31 of that year, unless the Board selects a different fiscal year.

8.2 Budget Items. The budget shall estimate total expenses to be incurred by the Association in carrying out its responsibilities. These expenses shall include, without limitation, the cost of wages, materials, insurance premiums, services, supplies, taxes,

licenses, fees and other expenses for the rendering of all services required by this Declaration or properly approved in accordance with this Declaration. The budget may also include reasonable amounts, as determined by the Board, for working capital for the Association and for reserves. If the Commons are taxed separately from the Parcels, the Association shall include such taxes as part of the budget. Fees for professional management of the Association, accounting services, legal counsel and other professional services may also be included in the budget.

8.3 Reserves. The Association may build up and maintain reserves for working capital, contingencies and replacement, which shall be included in the budget and collected as part of the annual General Assessment. Extraordinary expenses not originally included in the annual budget that may become necessary during the year shall be charged first against such reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by a majority vote of the Members. If the reserves are inadequate for any reason, including nonpayment of any Member's assessment, the Board may at any time levy an emergency assessment in accordance with the provisions of Section 10.4 ("Special Assessment"). If there is an excess of reserves at the end of the fiscal year and the Board so determines, the excess may be returned on a prorated basis to all Members who are current in payment of all assessments due the Association, or may be used to reduce the following year's assessments, at the Board's discretion.

8.4 Preparation and Approval of Annual Budget.

(a) Initial Budget. The Founder shall determine the budget for the fiscal year in which a Parcel is first conveyed to an Owner other than the Founder. The Founder is authorized to establish an assessment for the first year and collect same at the closing and conveyance of the Lot to an Owner.

(b) Subsequent Years. Beginning with the year in which a Parcel is first conveyed to an Owner other than the Founder and each year thereafter, at least one month before the end of the fiscal year, the Board shall, by majority vote, adopt a budget for the coming year and set the annual General Assessments at a level sufficient to meet the budget. At least two weeks before the fiscal year to which the budget applies, the Board shall send to each Member a copy of the budget in reasonably itemized form, which shall include the amount of General Assessments payable by each Member.

(c) Approval. If General Assessments are to be increased to greater than 115% of the previous year's General Assessment which was not a year in which General Assessments were guaranteed in whole or in part by Founder, and petitions signed by at least 10% of all Members request review within thirty (30) days after the budget is delivered to Members, the Board shall call a Neighborhood Meeting to present the budget and to answer any questions. After presentation, the budget shall be deemed approved unless the percentage required to transact business is present and the budget is rejected by

a majority of the Members present. If the budget is rejected, the Board shall approve a new budget within ten (10) days and send a copy to each Member.

8.5 Effect of Failure to Prepare or Adopt Budget. The Board's failure or delay in preparing or adopting the annual budget for any fiscal year, or review of the budget under paragraph 8.4 (C), shall not waive or release a Member's obligation to pay General Assessments whenever the amount of such assessments is finally determined. In the absence of an annual Association budget each Member shall continue to pay the assessment at the rate established for the previous fiscal period until notified otherwise.

8.6 Capital Improvements. Any substantial capital improvement to the Commons approved by the Board must be ratified by a majority of the Members. If the substantial capital improvement is approved by the Members, the Board shall determine whether it shall be paid from General Assessments or by Special Assessment. A capital improvement shall be considered substantial if the cost to the Association of the improvement is more than six percent (6%) of the Association's annual budget, or if, when added to other capital improvements for the fiscal year, totals more than ten percent (10%) of the Association's annual budget. However, any repair or replacement of existing improvements shall not be considered a capital improvement. Approval of the Florence Gardens Design Review Committee is required for all capital improvements. This section shall not limit the right of the Founder to make improvements to the Commons.

8.7 Zone Expenses.

(a) Capital Improvements. Any Zone may, by two-thirds (2/3) vote of the Members within that Zone and approval of the Board, vote to assess themselves for capital improvements to Commons which will primarily benefit that Zone.

(b) Additional Services. Any Zone may, by majority vote of the Members within that Zone and approval of the Board, vote to assess themselves for maintenance or services in addition to those normally provided by the Association.

(c) Combined Zones; Smaller Groups. Zones may be combined or join together for such assessments. If more than one Zone is to vote, the Board shall determine whether approval and assessment is to be by Zone or by the combined group of Zones. If a group smaller than a Zone wishes to be assessed for capital improvements or services, all of those being assessed must agree to the assessment.

(d) Assessment Levy. Any assessment so approved shall be assessed to all Owners within that Zone or designated group as an Individual Parcel Assessment. Assessments may be collected at the time of the sale to the first non-Founder owner.

(e) Limited Common Area Assessment. Notwithstanding anything contained herein to the contrary, the Owners located adjacent to or affected by the Limited

Common Area shall be subject to and pay a Limited Common Area Assessment for the cost of maintenance of the Limited Common Area and related expenses. This Limited Common Area Assessment is automatic and can not be waived or voted out by the Owners.

8.8 Accounts. Reserves shall be kept separate from other Association funds, either in a single account for all reserves or separated by purpose. All other sums collected by the Board with respect to Assessments and charges of all types may be commingled in a single fund.

ARTICLE IX:

Allocation of Expenses

9.1 Generally. The common expenses of the Association shall be generally allocated among Parcels on a pro-rata basis, with each Parcel responsible for and being assessed an equal amount for the General Assessment. This method of assessment shall apply to residential Lots in the Neighborhood upon which are built individual residential units. Parcels which consist of other types of residential units such as apartments or condominiums may be assessed in a different manner, as determined and set forth in a Supplemental Declaration within which condominiums, apartments or other such uses are planned. Founder shall in its sole discretion set and determine the method and allocation of Assessments for such other uses in said Supplemental Declarations.

9.2 [Intentionally Deleted]

9.3 Special Use Parcels. Assessments for Special Use Parcels shall be determined by the Founder based on the anticipated use of the parcel.

9.4 Exempt Parcels. Parcels that are used by non-profit entities primarily for the benefit of residents of the Neighborhood may have a zero allocation, at the discretion of the Founder. The Founder may grant such exempt status of record at any time up to and including the time of conveyance of the parcel to someone other than the Founder. Once granted, such exempt status shall continue so long as the use of the Parcel remains substantially the same. The Association also has the authority to grant exempt status for qualified entities upon terms and conditions established by the Association.

9.5 Additional Property. If Parcels of substantially different size or use are created within Additional Property, the Founder may by Supplemental Declaration establish a different relative value for those Parcels based on a reasonable determination of the expected usage levels consistent with the determination for other properties within the Neighborhood. If individual Residential Units which are within primarily commercial portions of the Master Plan Area are added and the property surrounding such units is not

added, the amount of assessments to be paid by such units may be reduced, based upon a reasonable estimate of the units' usage of the Commons.

ARTICLE X:

Covenants for Maintenance Assessments

10.1 Obligation for Assessments. The Founder, for each Parcel or Lot owned within the property submitted and subject to this Declaration or Supplemental Declaration hereby covenants for each subsequent Owner, and each Owner of any Parcel or Lot by acceptance of a deed or other transfer instrument, whether or not it shall be so expressed in such instrument, is deemed to covenant and agree to pay to the Association the following (to be known collectively as "Assessments"):

- (a) General Assessments for expenses included in the budget,
- (b) Special Assessments for the purposes provided in this Declaration,
- (c) Individual Parcel Assessments for any charges particular to that Parcel, including, but not limited to assessments for use and maintenance of Limited Common Area, and
- (d) other Assessments as allowed in the Declaration,

together with a late fee and interest, as established by the Board, and cost of collection when delinquent, including a reasonable attorney's fee whether or not suit is brought. Upon default in the payment of any one or more installments, the Board may accelerate the entire balance of such Assessment, which shall be declared due and payable in full. The assessment may be collected at the time the Lot is conveyed to the Owner or non-Founder party or entity.

10.2 Allocation of Common Expenses. Expenses shall be allocated among the Parcels on a pro-rata basis as provided in Article IX ("Allocation of Expenses").

Notwithstanding any provisions in this Article to the contrary, Founder, so long as it owns a Lot shall have a choice of payment of its share of the Assessments. It may in its sole determination either (a) pay the difference in the amount of the receipts due from Owners and the amount of the actual costs of operations, or (b) it may pay the full annual Assessment for each Lot it owns.

In the event that any financial deficiency occurs in the operation of the Association as a result of the non-payment of Assessments by Owners who owe the Assessment but have

not paid them, the Founder may, but is in no way obligated to do so, advance these sums temporarily to the Association. In such event, the advance will be considered a loan from the Founder and the Association and each Owner and Member of the Association is liable for the repayment of that loan on terms acceptable to the Founder including reasonable interest

10.3 General Assessments.

(a) Establishment by Board. The Board shall set the date or dates such assessments become due and may provide for collection of assessments annually or in monthly, quarterly or semiannual installments. Notwithstanding the foregoing, the Founder may set, estimate and collect assessments at the time of the conveyance of a Lot or Parcel to an Owner in the manner as set forth below.

(b) Date of Commencement. The annual General Assessments shall begin on the day of conveyance of the first Parcel to an Owner other than the Founder. The initial Assessment on any Parcel subject to assessment shall be collected at the time title is conveyed to the Owner. During the initial year of ownership, each Owner shall be responsible for the pro-rata share of the annual General or Special Assessment charged to each Parcel, prorated to the month of closing.

10.4 Special Assessment. In addition to the General Assessment, the Board may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four succeeding years as follows:

(a) Capital Improvements. Any substantial capital improvement that has been approved in accordance with Section 8.6 ("Capital Improvements") or any capital improvement not required to be approved by the Members may be paid by Special Assessment.

(b) Emergency Assessment. By a two-thirds (2/3) vote, the Board may impose a Special Assessment for any unusual or emergency maintenance or repair or other expense which this Declaration or the law requires the Association to pay (including, after depletion of reserves, any unexpected expenditures not provided by the budget or unanticipated increases in the amounts budgeted).

10.5 Individual Parcel Assessments. The Association may levy at any time an Individual Parcel Assessment against a particular Parcel for the purpose of defraying, in whole or in part, the cost of any special services to that Parcel, for expenses approved by that Zone in accordance with Section 8.7, or any other charges designated in this Declaration as an Individual Parcel Assessment, including charges relating to use and maintenance of Limited Common Area.

10.6 Capital Contribution. At the closing and transfer of title of each Parcel to the first Owner other than the Founder or the builder, and at all subsequent transfers of title, the purchaser of the Parcel shall contribute an amount equal to at least six months of annual Assessments. The exact amount of the capital contribution shall be determined by the Founder during the Development Period and the Board thereafter. This capital contribution, which shall be enforceable in the same manner as an Assessment, shall be deposited in the general funds of the Association for capital expenses of the Association and for working capital for the Association, and shall not be considered a pre-payment of Assessments. This capital contribution is separate and apart from Assessments. The Founder may also determine to collect tax assessments as a lump sum or other method

10.7 Effect of Nonpayment of Assessment; Remedies

(a) Personal Obligation. All Assessments, together with any late fee, interest and cost of collection when delinquent, including a reasonable attorney's fee whether or not suit is brought (collectively, the "Assessment Charge") shall be the personal obligation of the person or entity who was the Owner of the Parcel at the time when the assessment was levied, and of each subsequent Owner. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of the Parcel. Notwithstanding the foregoing, the Founder's Members shall not be held personally liable for any Assessment Charge owed by the Founder.

(b) Creation of Lien. The Assessment Charge shall also be charged on the land and shall be a continuing lien upon the Parcel against which the Assessment Charge is made, which may be enforced upon recording of a claim of lien. This lien, in favor of the Association, shall secure the Assessment Charge which is then due and which may accrue subsequent to the recording of the claim of lien and prior to entry of final judgment of foreclosure. Any subsequent owner of the Parcel shall be deemed to have notice of the Assessment Charge on the land, whether or not a lien has been filed. Notwithstanding the foregoing, any Assessment Charge due on any property owned by Founder shall not be a lien and may not be enforced upon recording of a claim of lien.

(c) Suit for Payment; Foreclosure of Lien. The Association and/or Founder may bring an action at law against the Owner personally obligated to pay the Assessment Charge, or may foreclose the lien in a manner similar to foreclosure of a mortgage lien, or both. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Parcel foreclosed at such foreclosure sale and to acquire, hold, lease, mortgage and convey the Parcel.

(d) Other Remedies. The Association and/or Founder have the right to assess fines and suspend the voting rights and right to use of the Commons by an Owner for any period during which any Assessment against his Parcel remains unpaid. The Association and/or Founder may bring such action at law or in equity or both as shall allow for the

complete enforcement of this Declaration. Notwithstanding the foregoing, Founder may not lose the right of use of any of the Commons for itself, its employees or agents.

10.8 Transfer Fee and Certificate of Payment. Upon the sale or other transfer of any Parcel (other than the sale of Parcel by the Founder) there shall be paid to the Association a "Transfer Fee" equal to one dollar (\$1.00) for every ten thousand dollars (\$10,000.00) of the purchase price of the Parcel (including the cost of the improvements constructed thereon). This Transfer Fee shall be remitted to the Association immediately following the closing of the sale or other transfer of a Parcel, together with the full name and address of the new Owner of the Parcel.

Also, prior to the sale of any Parcel in the Neighborhood, the closing attorney or other party handling the closing of the sale and purchase must contact the Association to determine the status of the Assessments against the property and similar matters and to receive a certificate of payment. This procedure must be followed for any sale or transfer of a Parcel in the Neighborhood.

The treasurer of the Association, upon request of any Owner, shall furnish a certificate signed by a member of the Board stating whether any assessments are paid to date by that Owner. Such certificate, when co-signed by the secretary of the Association, may be relied upon by a good faith purchaser or mortgagee as conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE XI:

Use of Parcels

The following covenants are designed to protect the quality of life for all Owners within the Neighborhood and to set a standard for reasonable cooperation within the Neighborhood.

11.1 Permitted Uses.

(a) Determination. Permitted uses for Parcels, which may include residential use, civic use or retail, office, restaurant, hotels, bed and breakfasts, health spas, private clubs, recreational use or other commercial use, shall be determined based on the Florence Gardens Design Standards and the plat, subject to the zoning requirements of the appropriate governmental agency or entity. At the Founder's discretion, the Founder shall make the determination of record at the time of the Parcel's addition to the Neighborhood, or at any time up to and including the time of conveyance of the parcel to someone other than the Founder. If the Founder fails to make such a determination of record, the Florence Gardens Design Standards, or the approval of the Building or modification under this Declaration, may describe permitted uses.

(b) Home-based Businesses. Unless prohibited by law, home-based businesses that do not generate significant noise, odor, parking problems, increased traffic or which encourages vehicles other than automobiles (as defined herein), shall be

permitted in any residential area. Signage for home-based business shall be regulated under the Florence Gardens Design Standards. The type of home-based business allowed and/or encouraged in Florence Gardens shall be determined by the Board of Directors in its sole discretion. The Board's decision is final, not appealable to any court or other authority and may be arbitrary and capricious.

11.2 Prohibited Uses.

(a) Nuisances. No nuisance or other use that creates an unreasonable disturbance shall be permitted on any Parcel. The Association and/or Founder may from time to time define and determine unacceptable uses.

(b) Insurance. Nothing shall be done or kept on any Parcel or the Commons that will increase the rate of, or result in cancellation of, insurance for the Commons or any other Parcel or its content, without the prior written consent of the Association.

(c) Soliciting. The Association may regulate or prohibit soliciting within the Neighborhood.

(d) Time Sharing. No time-share ownership of Parcels is permitted without the Association's approval. For this purpose, the term "time-share ownership" shall mean a method of ownership of an interest in a Parcel under which the exclusive right of use, possession or occupancy of the Parcel circulates among the various owners on a periodically reoccurring basis over a scheduled period of time. Leasing a building or ownership of a Parcel by a corporation, partnership or other entity or by not more than four individuals or married couples will not normally be considered time-share ownership, unless otherwise determined in the Association's sole discretion.

11.3 Attractiveness and Safety of Parcels.

(a) Generally. Each Owner shall keep all parts of his Parcel in good order and repair and free from debris. The Florence Gardens Design Standards or the Association may regulate placement and maintenance of garbage and trash containers and fuel or gas storage tanks (including the prohibition of such tanks), and other matters affecting the attractiveness or safety of Parcels.

(b) Signage. Except for uniform mail boxes and address numbers approved by the Association and such signs as may be required by legal proceedings, no signs, advertising or ornaments of any kind shall be maintained or permitted in or on the dwelling, the Parcel or any improvement on the Parcel, including "For Sale" or "For Lease" signs of the Owner or realtor representing an Owner. Builders or realtors of builders of newly constructed dwellings may place "For Sale" signs on the designated property of a design and size individually and specifically approved by the Association. Inappropriate signs or signs not in good repair will be removed by the Association. The

Association may change sign design requirements at any time.

Notwithstanding the foregoing, the restrictions of this Section shall not apply to Founder, its agents and affiliates during the Development Period.

The Association shall have the right to erect reasonable and appropriate signs on any portion of the Common Area and within those easement areas established under the Declaration including but not limited to speed limit signs, directional signs and no parking signs.

(c) Parking and Vehicles.

(i) No Parking Zone. The Neighborhood has been designed with a roadway system that minimizes the impact on the natural beauty of the Property, therefore on-street parking at any times throughout the Neighborhood is prohibited. Additional off-street guest parking will be provided by the Founder at selected locations throughout the Property. In addition, for large private gatherings, guests of Owners may request approval of the Association to reserve and use designated parking areas developed with the Common Facilities. Failure to conform to the no-parking areas will be a violation of the Declaration. Notwithstanding the foregoing, Founder during the Development Period and the Association after the Development Period may provide rules and guidelines concerning temporary parking for contractors, builders and their vendors while constructing, remodeling or performing maintenance on Owner's houses or the Commons.

(ii) Parking for Residential Units. Each single family Residential Unit to be constructed on a Lot having an area greater than 12,000 square feet shall provide for enclosed (garage) parking for a minimum of two automobiles. Each single family attached Residential Unit and each single family detached Residential Unit to be constructed on a Lot having an area of 12,000 square feet or less shall provide for enclosed (garage) parking for a minimum of one automobile. Off-street parking shall be required for each Residential Unit. The number of off-street parking spaces, excluding the use of the driveway that provides access to the garage(s), will be a minimum of two on each Lot having an area greater than 12,000 square feet, and one on each Lot having an area of 12,000 square feet or less. Anything to the contrary notwithstanding, the Founder or the Design Review Committee may increase the enclosed parking or off-street parking requirements on any Residential Unit.

The Committee will have the authority to consider variances to the number of enclosed parking spaces and off-street parking spaces on Lots that it deems to have unusual circumstances or where it believes in its sole opinion that the required parking standard will contribute to a poor design solution for the Lot.

Owners and their guests must park in their provided off-street parking or may park in spaces as provided within the Common Areas if prior approval has been obtained from the Association.

(iii) Other Motorized Vehicles. The Board shall have authority to promulgate rules and regulations to govern the parking upon any Lot, on the street or within any portion of the Commons of motor homes, tractors, trucks (other than three quarter ton and small pickup trucks which are considered automobiles) commercial vehicles of any type, campers, motorized campers, trailers, boats and other water craft, boat trailers, ATV's, motorcycles, motorized bicycles, motorized go-carts, or any other forms of transportation devices (collectively "Other Motorized Vehicles"). Furthermore, although not expressly prohibited hereby, the Board may at any time, promulgate rules and regulations banning Other Motorized Vehicles or any specific type included in the definition of Other Motorized Vehicles from being kept, placed, stored, maintained, or operated upon any portion of the Property. Any Motorized conveyance that cannot be licensed for use on public streets will be prohibited from use on all streets and Common Areas for the Neighborhood.

(iv) Restrictions on the Use of Certain Vehicles. All Terrain Vehicles, four wheelers, motorized go-carts and other similar vehicles may not be ridden anywhere on the Property. Motorcycles, use for transportation, may be ridden from the entrance to their destination and parked and must be equipped with a muffler.

(v) Repair of Vehicles. Owners, their tenants and Invites shall not repair or restore any vehicle of any kind upon which any Lot, Residential Unit, or within any portion of the Commons, except within enclosed garages or workshops or for emergency repairs and then only to the extent necessary to enable the movement thereof to a proper repair facility.

(d) Sports Equipment. Play structures, such as basketball hoops and backboards and swing sets, must be kept in good repair and may be limited, in accordance with the Florence Gardens Design Standards, to back yards or alleys. Large play structures such as skateboard ramps that are visible from outside the Parcel may be prohibited.

11.4 Leasing. Residential Parcels or separate Residential Units within a Parcel, such as an outbuilding, may be rented by the owner, subject only to applicable law and to reasonable rules and regulations as promulgated by the Association, which may be modified from time to time. The Association may establish a minimum lease term of at least six months. The Association may prohibit the leasing of any Residential Unit while the Owner is in default in the payment of Assessments. If the Residential Unit is leased in violation, the Association may attach rentals and may evict the tenant as if it were a tenant violation hereunder.

11.5 Pets. Pets may be kept by an Owner on his Parcel but only if such pets do not cause an unsafe condition or unreasonable disturbance or annoyance within the Neighborhood in the sole determination of the Association. Each Owner shall be held strictly responsible to immediately collect and properly dispose of wastes and litter of his pets. The Association reserves the right to regulate the number, type and size of pets (specifically including particular breeds of dogs deemed to create unreasonable danger); to prohibit the keeping of animals other than customary household pets, which it may define, acting reasonably; to designate specific areas within the Commons where pets may be walked and to prohibit pets on other areas; to require pets to be on leash; and to restrict the rights of tenants to keep pets.

11.6 Temporary Structures; Camping. The Florence Gardens Design Standards may prohibit or regulate construction trailers, tents, shacks, barns, sheds or other structures of a temporary character that are visible from outside the Parcel. However, reasonable, occasional use of tents for festive occasions or children's backyard camping is part of life and should be enjoyed. In addition, the Association or Founder may permit the use of tents, trailers and other temporary buildings on the Commons or elsewhere within the Neighborhood during art festivals, craft fairs, block parties and other special events which are encouraged, subject to regulation by the Florence Gardens Design Standards. No other camping is permitted within the Neighborhood unless designated campgrounds are added to the property.

11.7 Outside Burning. Exterior fires are prohibited at all times. No Owner shall permit any condition upon its Property which creates a fire hazard or is in violation of fire prevention regulations. Notwithstanding the foregoing, the restrictions of this Section shall not apply to the Founder relative to the Founder's development activities on the Property including but not limited to the construction of roadways and Commons and the installation of utilities services.

11.8 Exterior Lights. The design and location of permanent exterior lighting and other types of landscape lighting shall be subject to the approval of the Design Review Committee. Neither these nor any other illumination devices shall be located anywhere on the structure or grounds of any Lot in such a manner to adversely illuminate or affect the nighttime environment of any adjoining Property. The Design Review Committee will promulgate rules and regulations concerning the temporary use of exterior lights for seasonal occasions. Each single family residential unit shall include one or more natural gas fueled coach lights at the front entrance of the residential unit. The design and location of the coach light(s) shall be subject to the applicable provisions of the Design Standards.

11.9 Hazardous Materials. Each Owner shall comply with all federal, state and local statutes, regulations, ordinances, or Association rules intended to protect the public health and welfare as related to land, water, groundwater, air or other aspects of the natural environment (the "Environmental Laws"). Environmental Laws shall include, but are not

limited to, those laws regulating the use, generation, storage or disposal of hazardous substances, wastes and materials (collectively, the "Hazardous Materials"). No Owner, his family, his tenants, or invitees shall knowingly use, generate, manufacture, store, release, dispose of, transport to or from or permit to exist in, on, under or about his Lot, the Commons or any portion of the Property and Hazardous Materials except in compliance with the Environmental Laws.

11.10 Rules and Regulations.

(a) Generally. The writing of rules is one way to address specific issues that arise within the Neighborhood. The Association and/or Founder may adopt or amend rules and regulations interpreting or expanding upon the basic principles of this Article and other portions of this Declaration. Rules should strive to address the problem in the least restrictive way. The Board should review the Rules and Regulations regularly and remove or amend those that are unnecessary or overly restrictive.

(b) Effect. Rules and Regulations shall take effect immediately upon approval by the Board, or at a later date selected by the Board. If requested by at least 25% of the Members, a Neighborhood Meeting may be called and any Rule or Regulation may be repealed by majority vote of the Members.

(c) Notice. A copy of the Rules and Regulations adopted from time to time shall be posted in a conspicuous place within the Neighborhood or furnished to each Owner.

(d) Responsibility. Each Owner and the Owners' family members, guests and tenants are required to abide by the covenants contained in this Declaration, which are covenants running with the land, and any Rules and Regulations adopted by the Association. Each Owner is responsible for assuring such compliance, and any violation by family members, guests or tenants may be considered to be a violation by the Owner.

11.11 Enforcement. In order to enforce the Declaration, the Board may take any of the following actions:

(a) Fines. The Board has the right to assess fines up to the maximum allowed by law and may restrict the resident's use of the Commons for up to sixty (60) days or until the violation is remedied, whichever is longer. However, the primary goal of this chapter is not to punish but to resolve problems. The Association may suggest or approve agreements and withhold the requirement of paying a fine if the agreement is honored. Fines shall be charged against the Parcel as an Individual Parcel Assessment. Any fines collected shall be contributed to the general fund of the Association.

(b) Pets. If the Board finds that a pet causes an unsafe condition or

unreasonable disturbance or annoyance, it may require the resident or Owner to take steps to cure or limit the offensive condition. If such steps are ineffective, if the resident or Owner fails to cooperate or if the pet is considered to create an unsafe condition or unreasonable disturbance or annoyance, the Association may require that an Owner or resident permanently remove the pet from Florence Gardens.

(c) Corrective Action for Parcel Maintenance. If the Board determines that any Owner has failed to maintain any part of a Parcel (including the yard and any wall, fence, or building for which the Owner is responsible) in a clean, attractive and safe manner, in accordance with the provisions of this Declaration, Florence Gardens Design Standards and applicable Rules and Regulations, the Board shall notify the Owner of its findings and may assess fines. If the violation continues for ten days after notice to the Owner, the Association shall have the right without liability to enter the Parcel to correct, repair, restore, paint and maintain any part of such Parcel and to have any objectionable items removed from the Parcel. The Board may reduce or eliminate the time for notice if it believes the condition creates a hazard. All costs related to such action are to be assessed to the Owner as an Individual Parcel Assessment.

(d) Tenant Violations. If after notice to both the tenant and the Owner and opportunity for a hearing the Board determines that a tenant has violated this Declaration or Rules and Regulations, the Association may assess fines against the Owner. In addition, if the violation continues for ten days after notice to the Owner of the findings, or if the tenant materially violates the same covenant more than once in any one-year period, the Association shall have the right to evict the tenant. Each Owner by acceptance of a deed irrevocably appoints the Association as its agent and attorney-in-fact in such an eviction action. All costs related to such action shall be charged to the Owner as an Individual Parcel Assessment.

(e) Additional Remedies. All remedies listed in this section are non-exclusive and may be applied cumulatively. The Association shall also have the right to bring suit to enforce the covenants contained in this Declaration, including the right to an injunction. The Association, the Founder and their successors and assigns shall have the right to bring such action at law and/or in equity so as to afford the aggrieved party a proper remedy. The party adjudicated at fault shall pay all costs, expenses and fees incurred in enforcing this Declaration or any Declaration contemplated herein.

ARTICLE XII:

Insurance

Insurance is essential to protect the interests of the various Owners and to assure that funds will be available for rebuilding after a casualty. However, because insurance costs may increase significantly or new types of coverage made available, this Article gives some flexibility to the Board to select insurance coverage that is reasonable for the conditions that exist at that time.

12.1 Review of Coverage. The Board shall review limits of coverage for each type of insurance at least once each year. Insurance can protect the Association's assets and financial security. However, insurance is a large, and sometimes volatile, item on the Association's budget. At least once each year, the Board should review types of insurance and terms and limits of coverage for insurance held by the Association. Changes in replacement costs or anticipated liabilities can make old insurance inadequate. In rare cases, if coverage becomes too expensive, the Association may make a decision to drop certain coverage or to take a higher deductible. In any event, the Board is expected to exercise the "prudent person" principle in determining how to deal with insurable risks of the Association.

12.2 Severability of Interest. Whenever practical, insurance should be issued on a comprehensive liability basis and should contain a "severability of interest" endorsement that prevents the insurer from denying the claim of an insured because of negligent act of other insured.

12.3 Types of Insurance. The Association should consider the following types of coverage:

(a) Casualty Insurance. The Board should consider whether the Commons include structures or other improvements that can and should be insured against casualty loss. Certain improvements, such as green space or landscaping, may not be insurable. However, buildings or other structures usually are insurable. Endorsements for fire and extended coverage, vandalism, malicious mischief, flood (if in a flood-prone area) and windstorm should be obtained where available at reasonable cost. Coverage should be in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy or "agreed amount" insurance should be obtained.

(b) Public Liability. The Board may obtain public liability insurance in such limits as the Board determines, insuring against liability arising out of, or incident to, the ownership and use of the Commons and any topographic conditions or water access located on or adjoining Florence Gardens. At the Board's discretion, such coverage may include easements, such as walkways.

(c) Director Liability Insurance. The Board may obtain liability insurance insuring against loss for actions taken by members of the Board, officers of the

Association and advisory members in the performance of their duties. The Board may also obtain fidelity insurance or bonding for Board members, officers and employees.

(d) Other Coverage. The Board shall obtain and maintain workman's compensation insurance if and to the extent necessary to meet the requirements of law and such other insurance as the Board may determine or as may be requested from time to time by a majority vote of the Members.

12.4 Parcel Coverage. Each Owner shall obtain casualty insurance for improvements on the Parcel. If available at reasonable cost, the policy shall name the Association as an additional insured. Coverage shall be in an amount not less than necessary to comply with the co-insurance percentage stipulated in the policy, but in any event not less than 80% of the insurable value (based upon replacement) of the improvements constructed on the Parcel. If requested by the Association, an Owner shall provide evidence of such insurance to the Association.

12.5 Repair and Reconstruction after Fire or Other Casualty.

(a) Commons. If fire or other casualty damages or destroys any of the improvements on the Commons, the Board shall arrange for and supervise the prompt repair and restoration of the improvements unless the area is to be redeveloped as provided in Section 13.3 ("Redevelopment"). The Board shall obtain funds for such reconstruction first from the insurance proceeds, then from reserves for the repair and replacement of such improvements, and then from any Special Assessments that may be necessary after exhausting insurance and reserves.

(b) Parcel Improvements. If fire or other casualty damages or destroys a Building or any other improvements on a Parcel, the Owner of that Parcel shall immediately proceed to rebuild and restore the improvements to the condition existing immediately prior to such damage or destruction, unless other plans are approved by the Florence Gardens Design Review Committee or the area is to be redeveloped as provided in Section 13.3. If the Owner fails to clean and secure a Parcel within 30 days after a casualty, the Association may, in accordance with the provisions of paragraph 11.9(C) ("Corrective Action for Parcel Maintenance"), remove debris, raze or remove portions of damaged structures and perform any other clean up the Association deems necessary to make the Parcel safe and attractive. The cost of such clean-up shall be assessed to the Parcel Owner as an Individual Parcel Assessment.

ARTICLE XIII:

Amendment, Redevelopment and Termination

Property Owners should be able to rely on the Declaration and the general principles it states. Amendment should not be easy except in cases where Founder deems it necessary during the Development Period. However, new solutions will be proposed from time to time to make the Association operate more efficiently or to adjust to changing conditions. Where clearly to the Neighborhood's benefit, these new provisions should be incorporated into the Declaration.

When, over long periods of time, conditions change so that redevelopment is necessary, the Declaration allows for a unified plan of redevelopment and compensation for affected owners.

13.1 Amendment.

(a) By Members. This Declaration may be amended at any time by an instrument signed by the president or vice president and secretary of the Association, certifying approval in writing by Parcel Owners representing sixty seven percent (67%) of the votes in the Association.

(b) By the Founder. During the Development Period the Founder specifically reserves the absolute and unconditional right to amend this Declaration without the consent or joinder of any party (i) for any reason prior to December 31, 2007, (ii) to conform to the requirements of the Federal Home Loan Mortgage Corporation, Veterans Administration, Federal National Mortgage Association or any other generally recognized institution involved in the guarantee or purchase and sale of mortgages, (iii) to conform to the requirements of institutional mortgage lenders or title insurance companies, (iv) to comply with governmental requirements, or (v) to clarify the Declaration's provisions, correct errors or modify same due to market conditions.

(c) Limitations. Whenever any action described in this Declaration requires approval of greater than sixty seven percent (67%) of the Parcel Owners, amendment of that provision shall require the same percentage vote as would be required to accomplish that action directly. Rights reserved to the Founder may not be amended without the specific written consent of the Founder.

(d) Recording. Any amendment shall take effect upon recording in the public records.

13.2 Dedication.

(a) Neighborhood Roads. If any portion of the Neighborhood Roads has not previously been dedicated to the public, the Founder or Association shall have the right to

convey title to or dedicate the Neighborhood Roads to the appropriate public agency or authority.

(b) Commons. All other Commons may be dedicated to the public by the Founder during the Development Period and by the Board upon consent in writing of Parcel Owners representing sixty seven percent (67%) of the votes in the Association after the Development Period.

(c) Alleys; footpaths. At least twenty (20) years from the recording of this Declaration, if the Association determines that it no longer wishes to maintain all or some of the alleys or footpaths between Parcels, the ownership of such alleys or footpaths may be divided evenly between the adjacent Parcel Owners, with the consent in writing of Parcel Owners representing sixty seven percent (67%) of the votes in the Association. The property shall be subject to an easement for any then-existing utilities, and an easement may be reserved for continued use of the alleys or footpaths if required by the approving Owners.

(d) Necessary Approval. Any dedication or conveyance described above is subject to acceptance by the applicable governmental agency.

13.3 Redevelopment.

(a) Purpose. If the Neighborhood should ever be struck by a natural disaster or other casualty, all or a portion of the Neighborhood might be destroyed and need to be rebuilt. In general, after any casualty loss, improvements are to be rebuilt in accordance with the original plan. Alternatively, this section provides a method for redevelopment in accordance with a new plan when Parcel Owners representing sixty seven percent (67%) of the votes in the Association, the Founder and a majority of the mortgagees agree that it is necessary and desirable to do so. This super-majority approval is designed to protect individual property owners' rights and expectations in their property. However, when such consensus is achieved, this section allows redevelopment, while continuing to protect the dissenting owners by assuring payment to them of fair market value, plus a relocation allowance. The same method may be used when, after long periods of time, changing uses and conditions make redevelopment desirable. The requirements of this section are not applicable to vacant land, Lots or Parcels owned by the Founder.

(b) Definitions. Redevelopment is the process of rebuilding all or a portion of the Neighborhood, known as a Redevelopment Area, in accordance with a revised Florence Gardens Design Standards, combined with the offer to purchase the property of any dissenting Parcel Owners. A Redevelopment Area must be a defined, logical section for redevelopment comprising a Zone or Zones, or the entire Neighborhood. The plan may allow buildings that are currently in serviceable condition to remain but require that such buildings, if rebuilt or remodeled in the future, to be rebuilt in accordance with the redevelopment plan. The plan for redevelopment may include termination of the

Declaration for the Redevelopment Area. If the Declaration is terminated for a Redevelopment Area, the Founder may sell or donate to the Owners within the Redevelopment Area the Commons located there, reserving access and use easements as appropriate.

(c) Redevelopment; When Available. Redevelopment shall be available only upon the occurrence of one of the following:

(i) Any time after thirty (30) years from the recording of this Declaration, or

(ii) Upon a casualty loss destroying at least two-thirds, by value, of the insurable improvements, either within the entire Neighborhood, or within a Redevelopment Area. If the necessary approvals are not obtained within ninety (90) days after the casualty, the damage must be repaired in accordance with Section 12.5 ("Repair and Reconstruction after Fire or Other Casualty").

(d) Approvals. After the Development Period, redevelopment requires the consent in writing of Parcel Owners representing sixty seven percent (67%) of the votes within the Redevelopment Area and mortgagees holding mortgages on a majority, by assessment interests, of the Parcels encumbered by such mortgages. If the plan is approved, consenting Owners must rebuild in accordance with the redevelopment plan, and, unless the plan provides otherwise, must participate in the purchase of dissenting Owners' Parcels. Prior to the end of the Development Period redevelopment also requires the approval in writing of the Founder, which may be granted or withheld in its sole discretion.

(e) Redevelopment Corporation. The plan may include formation of a redevelopment corporation or other entity to purchase the Parcels of dissenting Owners. Unless otherwise agreed, the consenting Owners would be required to contribute to the capital of the redevelopment corporation in proportion to their General Assessments, as a portion of all consenting Owners. The plan may authorize the Association, on behalf of the redevelopment corporation, to collect the Owners' shares as an Individual Parcel Assessment.

(f) Option to Purchase. Upon approval of the redevelopment plan, the redevelopment corporation or other designee of the consenting Owners shall deliver an option to purchase to all remaining Owners of Parcels within the Redevelopment Area. The option to purchase must be delivered in person or by registered mail to each Owner of a Parcel to be purchased. The recipient of such an option shall, within 30 days, choose either to join the consenting Owners, or to sell the Parcel to the consenting Owners. Failure to agree to the sale within 30 days shall be deemed to be agreement to join the consenting Owners. The sale price shall be paid in cash or upon terms approved by the

seller, and the sale shall be closed in a timely fashion following determination of the sale price.

(g) Price. The price for each Parcel to be purchased shall be its fair market value determined by agreement between the seller and the designee of the consenting Owners within 30 days of the delivery or mailing of the notice. In the absence of agreement, the purchasing Owners and the selling Owners shall each select a real estate appraiser, which appraiser shall then choose a third appraiser, and the purchase price shall be the average (mean) of the three appraisals. The fair market value of the property shall be determined in its present, as-is condition, subject to the Declaration, and the seller shall be entitled to any insurance proceeds attributable to that Parcel distributed on account of the casualty loss. The expense of the appraisals and all closing costs shall be paid by the purchaser.

(h) Relocation Allowance. In addition to the purchase price, the purchaser shall pay to the seller a relocation allowance of five percent (5%) of the purchase price.

(i) Enforcement. A judgment of specific performance of the purchase based upon the determination of the price by the appraisers and any other relief at law or in equity may be entered in any court of competent jurisdiction.

(j) Limitation. Redevelopment shall be subject to applicable zoning and other governmental regulation. If necessary for this section's validity under the Rule Against Perpetuities or similar law, this option shall expire 90 years from the time of recording of this Declaration, or whatever greater time period allowed by law.

13.4 Formation of Municipality. If all or substantially all of Florence Gardens is incorporated as a municipality or other local government unit, the following would apply:

(a) Merger of Association. Members of the Association may, by majority vote, dissolve the Association or, if allowed by law, merge the Association into the municipality. Upon such dissolution or merger, all the Commons shall be dedicated to the public and the municipality shall have all the rights and obligations of the Association provided by this Declaration.

(b) Dedication without Merger. Alternatively, Owners could approve by majority vote a plan by which Commons are dedicated to the public, but the Association would retain some of its powers and duties, such as architectural review and enforcement of the covenants and restrictions.

(c) No Dedication. If no dedication is approved, the Association and Commons shall be maintained without change.

13.5 Duration; Termination. The covenants and restrictions contained in this Declaration shall run with and bind the Neighborhood and shall inure to the benefit of and be enforceable by the Founder, the Association, and all Owners of property within the Neighborhood, their respective legal representatives, heirs, successors or assigns for sixty (60) years, and shall be automatically extended for each succeeding ten year periods unless an instrument signed by Owners representing 90% of the votes in the Association and the Founder shall have been recorded, agreeing to terminate the Declaration as of a specified date.

This Declaration may also be terminated in any of the following ways:

(a) Unanimous Consent. The Declaration may be terminated at any time by the consent in writing of all Owners and the Founder.

(b) Dedication of Commons. The Declaration may be terminated by consent in writing by Parcel Owners representing sixty seven percent (67%) of the votes in the Association and the Founder, if the Commons have been accepted for dedication or taken by eminent domain by the appropriate unit of local government (except that alleys or footpaths between two Parcels may be divided evenly between the adjacent Parcel Owners in accordance with Section 13.2).

(c) Redevelopment. The Declaration may be terminated for all or a part of the Neighborhood in accordance with the redevelopment provisions of Section 13.3.

13.6 Re-recording. Unless this Declaration is terminated, the Association shall re-record this Declaration or other notice of its terms at intervals necessary under Mississippi law to preserve its effect.

13.7 Condemnation. If all or part of the Commons is taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The Board shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such property.

ARTICLE XIV:

General Provisions

14.1 Interpretation.

(a) Construction. The provisions of this Declaration shall be liberally construed to effectuate their purpose of creating a uniform and consistent plan for the development and operation of the Neighborhood as a Neighborhood of the highest quality. The italicized portions at the beginning of each Article, if any, and all headings

are intended to state the purposes for the provisions that follow and may be used as an aid to interpretation. However, if the italicized portion conflicts with the operative provision, the operative provision shall govern.

(b) Governmental Regulation. All provisions of this Declaration, including without limitation modifications to the Master Plan and redevelopment provisions, shall be subject to applicable government regulation or agreements.

14.2 Invalidity. The invalidity of any part of this Declaration shall not impair or affect the validity or enforceability of the rest of the Declaration, which shall remain in full force and effect.

14.3 Enforcement of Declaration.

(a) Enforcement. Suit may be brought against any person, persons or entity violating or attempting to violate the provisions of this Declaration, either to restrain violation or to recover damages, and against his or its property to enforce any lien created by this Declaration. To enforce this Declaration or the Rules and Regulations, the Association, the Founder or any Owner may bring an action for damages, specific performance, declaratory decree or injunction, or any other remedy at law or in equity. The Board shall be empowered to bring suits on behalf of the Association.

(b) No Waiver. Failure to enforce any provision of this Declaration or the Rules and Regulations shall not be deemed a waiver of the right to do so at any time thereafter.

(c) Association's Legal Fees. Any and all costs, including but not limited to attorneys' fees and court costs, which may be incurred by the Association in the enforcement of any of the provisions of this Declaration, whether or not suit is brought, may be assessed as an Individual Parcel Assessment to the Owner against whom such action was taken.

14.4 Notices. Any notice required to be sent to the Owner shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the Parcel and, if different, to the last known address of the person who appears as Owner of the Parcel as that address is stated on the records of the Association at the time of the mailing. If the Owner has given approval, notice may be given by electronic means to an address provided by the Owner.

14.5 Gender and Number. The use of the masculine gender herein shall be deemed to include the feminine gender and the use of the singular shall be deemed to include the plural, whenever the context so requires.

14.6 Consent of Mortgagees.

(a) When Consent Required. This Declaration contains provisions concerning various rights, priorities, remedies and interests of Mortgagees. Such provisions are to be construed as covenants for the protection of the Mortgagees on which they may rely in making loans secured by a mortgage on a Parcel. Accordingly, no amendment or modification of this Declaration specifically impairing such rights, priorities, remedies or interests of a mortgagee shall be adopted without the prior written consent of Mortgagees as provided in subsection (b). This section shall not be construed, however, as a limitation upon the rights of the Founder, the Association or the Members to make amendments that do not adversely affect the Mortgagees.

(b) Percentage Required. Wherever consent of the Mortgagees is required, if any, it shall be sufficient to obtain the written consent of Mortgagees holding a lien on one-half or more of all Parcels encumbered by a mortgage. Specifically, there is no requirement to obtain the consent of mortgagees to amend, alter or change this Declaration.

(c) Timely Response. Any such required consent shall be given promptly and shall not be unreasonably withheld. Any consent not given or denied within 30 calendar days of receipt of request for consent shall be deemed given.

14.7 Law to Govern. This Declaration shall be construed in accordance with the laws of the State of Mississippi.

14.8 Sidewalks and Walking Trails. Owners are responsible for the construction of sidewalks or walking trails where such sidewalks or walking trails abut the street side boundary line(s) of the Owner's Lot or are incorporated into an easement within the Lot as shown in the plans for the Neighborhood. Completion of the sidewalk or walking trail shall correspond to the completion of the driveway for the Lots and shall be built in strict conformance with the Design Standards and construction plans developed under the direction of the Founder or Design Review Committee. If the acceptance of the sidewalk or walking trail maintenance and repair is made by the Association, City of Gulfport, or other governmental agency having jurisdiction, the Owner's responsibility to keep the sidewalk or walking trail in repair shall be terminated.

14.9 Residential Unit Sizes and Setbacks.

(a) The minimum square feet of heated living area to be contained within any Residential Unit or any Lot shall not be less than 1100 square feet if one level Residential Unit and 1400 square feet if a multi level Residential Unit. The Founder, in its sole discretion, may increase or decrease the minimum square feet of heating living area by Zone ,street or by groups of contiguous parcels or on the Additional Property as it is developed by recording an amendment to the Declaration reflecting the change; or in the

alternative, the Founder may enforce the minimum square feet by the use of deed restrictions on individual Lots.

(b) Any building setback dimensions that violate the ordinances or other regulations established by the City of Gulfport or other governmental agency having jurisdiction will require a variance from the City or governmental agency having jurisdiction which variance may not be granted; however, in no event, except as provided in (c) below, shall any Residential Unit or other building be erected on any Lot nearer than three feet from the Lot line, ten feet from the rear lot lines or three feet from the side lot lines except for Residential Units constructed as attached single family structures or zero lot line structures which set backs may be zero feet. On corner lots, the set back on the side yard adjacent to the street must be a minimum of ten feet.

(c) For some Lots, neighborhoods or streets in the Neighborhood it may be impossible or inadvisable to enforce the above stated set back requirements due to the natural terrain, lot configurations, proximity of adjacent structures or other considerations that the Design Review Committee deems appropriate. Therefore, notwithstanding anything else herein to the contrary, the Design Review Committee or the Founder may establish or approve specific deviations (both increases and decreases) to said set back requirements which it believes to be beneficial to a specific Lot, neighborhood, street or on the Additional Property as it is developed by recording an amendment to the Declaration reflecting the change; or in the alternative by the use of deed restrictions on individual Lots.

14.10 Venue. Any disputes, legal matters or arbitration shall be conducted or litigated in Harrison County, Mississippi

Zoning Map Amendment 2312PC140, by owner Vernon Floyd, Requesting to rezone Tax Parcel 0911C-01-024.000 from B-2 (General-business) to R-2 (Single-family), Hewes Ave, Ward 3

Technical Report

Zoning Map Amendment

GENERAL INFORMATION

Case File Number: 2312PC140

Hearing Date: December 21, 2023

Current Zoning/Use: B-2 / Vacant lot

Legal: Zoning Map Amendment 2312PC140, by owner Vernon Floyd, Requesting to rezone Tax Parcel 0911C-01-024.000 from B-2 (General-business) to R-2 (Single-family), Hewes Ave, Ward 3

TECHNICAL DETAILS

Amendment of the Zoning Ordinance, including the zoning map, is intended to carry out the objective of a sound, stable, and desirable environment. Casual amendment of the ordinance would be detrimental to the achievement of that objective. Therefore, the ordinance dictates that a property should be considered for rezoning only when one or more of the following conditions prevail according to the Mississippi case law:

When requesting rezoning of real property, **an applicant must prove, by clear and convincing evidence**, one of the following:

1. That there was a mistake in the original zoning, or
2. That the character of the neighborhood has changed to such an extent as to justify reclassification, **and** that there was a public need for rezoning.

The applicant requests to rezone approximately 10,596.53 square feet of property from B-2 (General business) to an R-2 (Single-family residence) district. Currently the property has the purposed house sitting on blocks and wheels and is adjacent to a non-conforming convenience store in a B-2 zoning district. As presented, the applicant requests to rezone the property from B-2 (General-business) to R-2 (Single-family) for the purpose of placing a single-family residence onto the property. Furthermore, the applicant states, "To accommodate the need for reasonably priced housing in the area." They plan to begin development (foundation to renovation) upon approval of the zoning change by the Planning Commission. The surrounding consistency of the neighborhood are areas containing general business districts, one-family, two-family and multiple-family dwellings.

The applicant has not provided as justifications for change of the current zoning district.

1. Mistake or error is not addressed by the applicant.

Technical Report

Zoning Map Amendment

EXECUTIVE SUMMARY

The applicant wishes to rezone the subject site from B-2 to R-2 in order to place a single-family residential dwelling unit onto the property. While the requested zoning allows for multi-family housing, it also allows for single-family homes and duplexes. While there are existing single-family homes adjacent to the subject site, said homes are pre-existing nonconforming and are within B-2 (General business) zoning districts.

The applicant has not proven with clear and convincing evidence for a zoning change as required by the state, however, the staff notes that there are more single-family homes in the surrounding neighborhood than commercial uses and rezoning to R-2 would be in harmony with the existing neighborhood.

Any approval should consider these conditions:

1. Must meet all current building Codes and City of Gulfport Ordinances.
2. Must comply with all Planning & Zoning rules and regulations.
