DECISION ITEMS: Except as noted below, items listed on this agenda as “Decision Items” may be appealed to the Gulfport City Council as follows: Any person or any officer, department or agency of the City aggrieved by a decision of the Planning Commission may, within fifteen (15) days thereafter, appeal therefore to the Gulfport City Council by submitting to the Planning Commission (Department of Urban Development – Planning Division) a written notice of appeal specifying the decision from which the appeal is taken. In the case of such appeal, the Planning Commission shall cause a transcript of the proceedings in the case to be certified to the City Council, and the matter will be heard on said transcripts. The filing fee for an appeal is based on the actual cost of the required official transcript and any related miscellaneous charges.

Exception: The disapproval of a general subdivision plan may be appealed by the subdivider by submitting to the Planning Commission and the Mayor and City Council a written notice of appeal. Upon receipt of notice of appeal, the planning commission shall transmit to the City Council a certified copy of the proceedings upon which the appeal is taken. The City Council may overrule such disapproval by a recorded vote of not less than 2/3 of its entire membership. No other right of appeal exists as to action taken by the Planning Commission on a general subdivision plan. The City Council hearing is not limited to the record created before the Planning Commission.

RECOMMENDATION ITEMS: As to items listed on this agenda as “Recommendation

Items”, the recommendation of the Planning Commission, whether to approve (with or without condition) or disapprove, will automatically be submitted to the City Council by the Department of Urban Development – Planning Division, and the item (except recommendations on Final Plats which are not so limited) will be considered by the City Council on the record created before the Planning Commission. It is not necessary to file anything with the Planning Commission in order to have the matter heard by the City Council.
